

It's a Small Damn World
by Don Fredrick
(sung to the tune, *It's a Small World*)

It's a world of jihad, a world of fear
Keep it all away, we don't want it here
Get the border wall done, and go out, buy a gun
It's a small world, damn it all

It's a small world, damn it all
It's a small world, damn it all
It's a small world, damn it all
It's a small damn world

On a plane, in a boat, or an SUV
They will enter our country to kill you and me
But be nice, says Ms. Lynch
Lose your head, and don't flinch
It's a small world after all

It's a small world, keep it out
It's a small world, keep it out
It's a small world, keep it out
It's a small damn world

There is just one problem we all can see
It's the shameless moron who runs D.C.
In a year he'll be out
'We are free!' we can shout
It's a small world, damn it all

It's a small world, damn it all
It's a small world, damn it all
It's a small world, damn it all
It's a small damn world
