JT: The Ever-Watchful Egyptian Islamic Brotherhood is Staying Awake for Allah. The Muslim Brotherhood in Egypt is making sure that democracy will become the political system! The man with the cell phone is watching an Islamic porno video; perhaps a bestiality video! How would you like to have one of them sitting across from you at the breakfast table?

Asked about the Sandra Fluke/Rush Limbaugh controversy, Obama responds, "Y'know, I'm not gonna comment on what [his show's] sponsors decide to do. I'm not gonna comment on, uhh, uhh, either the economics or the politics of it. Uh, I don't know what's in Rush Limbaugh's heart so I'm not gonna comment, uhhh, uh, on the sincerity of his

apology. Uh, what I can comment on is the fact that all decent folks can agree, uhh, that the remarks that were made, uhh, don't have any place in the public discourse. And, you know, the reason I called Ms. Fluke is because, uh, I thought about [my daughters] Malia and Sasha. And one of the things I want them to do, uh, as they get older is to engage in issues they care about. Even ones I may not agree with them on, I want them to be able ta [sic] speak their mind in a civil and thoughtful way, and I don't want them attacked or called horrible names because, uh, they're being good citizens. And I wanted, uhh, Sandra to know that—that I thought her parents should be proud of her. Uh, and that we want ta [sic] send a message to all our young people that bein' part of a democracy involves argument and disagreements and, uh, debate. And we want you to be engaged, and there's a way to do it, uh, that doesn't, uhh, involve you being, uhh, demeaned and insulted, particularly when you're a private citizen."

JT: Barack Hussein Obama to Sandra Fluke: Uhh! Ohh! Uhh! Ahh! Oooo! Sandra your position is so wonderful. Can you take that position again? Uhh! Uhh! Uhh! Uhh! Wonderful Sandra. Keep up your position! Uhh! Uhh! Uhh! Do you know any other contraceptive recipient positions, Sandra? Ah! Ohh! Umm! Umm! Umm! I'll have to missionize Michelle on your last contraceptive recipient position! Sandra, let's have a cigarette together. I don't have any cigars!

Commander Charles Kerchner (Ret), of *Kerchner v. Obama* fame, reports that GOP presidential candidate Rick Santorum still refuses to answer questions about when—if ever—his father, Aldo Santorum, an immigrant from Italy, became a naturalized U.S. citizen. Kerchner writes, "The questions to Rick Santorum have gone repeatedly ignored and unanswered. Why? This evasive behavior on this subject by Rick Santorum reminds me of the same type of behavior by Marco Rubio."

JT: The USA has become a third-rate banana state under Obama, not a republic! We now have at least two candidates for the Republican Party who are not natural born citizens, unless they really are and are waiting for the outcome of the presidential primaries, at which time they will bring in the fact that they really are natural born citizens and call Obama out. At that time, the lamestream media could not disregard the matter. What a great whack at CNN (Crescent Nauseating Nutswork) that would be! Or ... perhaps they will make a forged COLB of their parents' birth certificate or a forgery of their parents' naturalization papers public.

Don Fredrick at *The Obama Timeline* reports that "the television listing of ESPNAmerica.com does not include Israel in its drop-down list of nations. Instead, the non-existent nation of Palestine appears on the web site."

JT: Allah-Hubal and all of the other Moon-gods and lunatics are shouting, "We are all akbar."

On March 5 Obama stated, "[T]he United States will always have Israel's back when it comes to Israel's security." ABC's Jake Tapper asks Obama to further define his "we've got Israel's back" pledge. Obama answers, "...It was not a military doctrine that we were laying out for any particular military action. It was a restatement of our consistent position that the security of Israel is something I deeply care about, and that the deeds of my administration over the last three years confirms how deeply we care about it. That's a commitment we've made."

JT: What does it mean to "have Israel's back". The phrases *to have someone's back* or *to make a back pledge* do not exist. I couldn't find it anywhere. What I found and what I think Obama means is *to get on Israel's back*, which means *to put pressure on and to annoy*, or *to ride on Israel's back*, which means *to deceive*. If the Obama is supportive of Israel, Obama should have said, "The United States will always support Israel", or the "The United States will always back up Israel." But he didn't. He used Obama gibberish and said the opposite of what the clueless reporters think. "I'm going to deceive Israel!" or "I'm going to target Israel's back." is what Obama said! At the same time, he thought I'll hang them by their necks!

AtlasShrugs.com posts the U.S. military's guide to "Proper Handling and Disposal of Islamic Religious Materials [for] Service Members/Civilian Training." Pamela Geller writes, "The latest advisory to our soldiers and contractors fighting jihad in Afghanistan and Iraq will turn your stomach. Imagine, this is what our boys and girls are up against from their 'superiors.' Between this and impossible rules of engagement, our soldiers are sitting ducks. Bring them home." The guide states, Be more sensitive when conducting canine searches. Having an animal anywhere near a Quran or other religious artifact is considered highly disrespectful;" "If in doubt about the religious significance of any material, assume it is SACRED!" "Non-Muslims should not handle a Quran," and "US

Service Members and civilians who are required to handle a Quran in the performance of their duties should do so using a clean cloth or clean gloves." The guide concludes, "We will hold sacred the beliefs held sacred by others."

JT: Here are some sacred elements in the ~~Holy~~ Koran.

- Sura 2:223: "Your wives are a tilth for you, so go into your tilth when you like, and do good beforehand for yourselves, and be careful (of your duty) to Allah, and know that you will meet Him, and give good news to the believers."
- Sura 4:34: "Men are the maintainers of women because Allah has made some of them to excel others and because they spend out of their property; ..."

Furthermore, a woman is unclean! Therefore

- Sure 4:43: "O you who believe! do not go near prayer when ... you have touched the women, and you cannot find water, betake yourselves to pure earth, then wipe your faces and your hands; surely Allah is Pardoning, Forgiving."

And again, as if the command one time is not enough,

- Sura 5:6: "O you who believe! when ... you have touched the women, and you cannot find water, betake yourselves to pure earth and wipe your faces and your hands therewith, Allah does not desire to put on you any difficulty, but He wishes to purify you and that He may complete His favor on you, so that you may be grateful."
- Sura 4:11: There are no equal rights to inheritance. "The male shall have the equal of the portion of two females; then if they are more than two females, they shall have two-thirds of what the deceased has left, and if there is one, she shall have the half; and as for his parents, each of them shall have the sixth of what he has left if he has a child, but if he has no child and (only) his two parents inherit him, then his mother shall have the third; but if he has brothers, then his mother shall have the sixth after (the payment of) a bequest he may have bequeathed or

a debt; your parents and your children, you know not which of them is the nearer to you in usefulness; this is an ordinance from Allah: Surely Allah is Knowing, Wise."

➤ Sura 2:228: "And the divorced women should keep themselves in waiting for three courses; and it is not lawful for them that they should conceal what Allah has created in their wombs, if they believe in Allah and the last day; and their husbands have a better right to take them back in the meanwhile if they wish for reconciliation; and they have rights similar to those against them in a just manner, and the men are a degree above them, and Allah is Mighty, Wise."

➤ Sura 2:282: "... but if there are not two men, then one man and two women from among those whom you choose to be witnesses, ..."

➤ Sura 4:3: The Koran and Mohammed allows that a man may marry up to four wives and that he can sleep with slave maids and as many captured women as the man desires. "And if you fear that you cannot act equitably towards orphans, then marry such women as seem good to you, two and three and four; but if you fear that you will not do justice (between them), then (marry) only one or what your right hands possess (female slaves); this is more proper, that you may not deviate from the right course."

➤ Sura 65:4: "And (as for) those of your women who have despaired of menstruation, if you have a doubt, their prescribed time shall be three months, and of those too who have not had their courses; and (as for) the pregnant women, their prescribed time is that they lay down their burden; and whoever is careful of (his duty to) Allah He will make easy for him his affair."

➤ Sura 4:24, "And all married women except those whom your right hands possess (female slaves) (this is) Allah's ordinance to you, and lawful for you are (all women) besides those, provided that you seek (them) with your property, taking (them) in marriage not committing fornication. Then as to those whom you

profit by, give them their dowries as appointed; and there is no blame on you about what you mutually agree after what is appointed; surely Allah is Knowing, Wise."

➤ Sura 2:221: "And do not marry the idolatresses until they believe, and certainly a believing maid is better than an idolatress woman, even though she should please you; and do not give (believing women) in marriage to idolaters until they believe, and certainly a believing servant is better than an idolater, even though he should please you; these invite to the fire, and Allah invites to the garden and to forgiveness by His will, and makes clear His communications to men, that they may be mindful."

➤ Sura 24:31: "And say to the believing women that they cast down their looks and guard their private parts and do not display their ornaments except what appears thereof, and let them wear their head-coverings over their bosoms, and not display their ornaments except to their husbands or their fathers, or the fathers of their husbands, or their sons, or the sons of their husbands, or their brothers, or their brothers' sons, or their sisters' sons, or their women, or those whom their right hands possess (female slaves), or the male servants not having need (of women), or the children who have not attained knowledge of what is hidden of women; and let them not strike their feet so that what they hide of their ornaments may be known; and turn to Allah all of you, O believers! so that you may be successful."

➤ Suras 33:32-3: "O wives of the Prophet! you are not like any other of the women; If you will be on your guard, then be not soft in (your) speech, lest he in whose heart is a disease yearn; and speak a good word."

➤ Sura 33:33: "And stay in your houses and do not display your finery like the displaying of the ignorance of yore; (Before Mohammed told them what to do!)."

➤ Sura 38:44: "And take in your hand a green branch and beat her with it" A green branch is used because it is flexible, does not break, and hurts the female body more than a dried branch.

➤ Sura 66:10: Disobedient women will go to hell. "Allah sets forth an example to those who disbelieve the wife of Nuh and the wife of Lut: they were both under two of our righteous servants, but they acted treacherously towards them so they availed them naught against Allah, and it was said: Enter both the fire with those who enter."

➤ Sura 2:228: "... the men are a degree above them, and Allah is Mighty, Wise."

In 1971, Pakistani soldiers raped up to 250,000 Bengali women after the soldiers had massacred 3,000,000 unarmed civilians. The Pakistani religious leaders claimed that the Bengali women were un-Islamic. Moreover, prison guards in the perfect Moon-god-Allah-Hubal-nation Iran rape the women prior to killing them, because the very religious Iranian Muslims believe only virgins go to paradise.

So much for equality of women, one of the universal human rights!

Prostitution

Women in the Koran are property! Muslims regard women as sex objects! They are to be taken, used, and then be imprisoned in the burqa. Mohammed said that Allah said that it must be so. Believe it or not, the Koran also allows prostituting female slaves girls if the owner wishes. Mohammed said that Allah said it must be so!

➤ Sura 24:33 says, ". do not compel your slave girls to prostitution, when they desire to keep chaste" Most Muslims stop here saying that prostitution is condemned. They do not read the rest of the sura where Mohammed in his purity says, "... in order to seek the frail, good of this world's life; and whoever compels them, then surely after their compulsion Allah is Forgiving, Merciful." Mohammed means that should a slave girl be unconcerned about chastity, then her owner can profit by prostituting her. Mohammed declares that if they are forced into prostitution, Allah will be duly merciful and forgiving. This is nothing more than

the pimp being freed from guilt for forcing prostitution upon the slave girls with Allah's blessing. Women are present in this world for the sexual gratification of man. The fact that children may be the result of sexual relations is only a secondary matter. Remember ...

➤ Sura 2:223: "Your wives are a tilth for you, so go into your tilth when you like."

Bore right into them at wish!!! Women are so important for sexual pleasure of the man that polygamy is allowed in the Koran. Sura 4:3: "... then marry such women as seem good to you, two and three and four; but if you fear that you will not do justice (between them), then (marry) only one or what your right hands possess" *What your right hands possess* is a euphemism for *female slaves*.

➤ Suras 33:50-51 is the climax: "O Prophet! surely We have made lawful to you

your wives whom you have given their dowries, and those whom your right hand possesses out of those whom Allah has given to you as prisoners of war, and the daughters of your paternal uncles and the daughters of your paternal aunts, and the daughters of your maternal uncles and the daughters of your maternal aunts who fled with you; and a believing woman if she gave herself to the Prophet, if the Prophet desired to marry her – especially for you, not for the (rest of) believers; We know what We have ordained for them concerning their wives and those whom their right hands possess in order that no blame may attach to you; and Allah is Forgiving. You may put off whom you please of them, and you may take to you whom you please, and whom you desire of those whom you had separated provisionally; no blame attaches to you; this is most proper, so that their eyes may be cool and they may not grieve, and that they should be pleased, all of them with what you give them, and Allah knows what is in your hearts; and Allah is Knowing, Forbearing."

Thus, Mohammed was privileged over all other Muslims. Only he could have more wives than others, because Allah allowed this, or rather because Mohammed said that Allah allowed him this privilege. Is this the reason Muslim men attempt to emulate Mohammed?

Homosexuality and Pedophilia

Homosexual marriages were known among the Arabs: "We have enough historical and philological evidence to show homosexuality was known in pre-Islamic Arabia." ... "Sodomy is practiced in all courts of the Muluk Al-Tawaif."¹ Many Caliphs were Homosexual. The moghul king "Babur's description of the first time he felt the stirrings of love is staggering. Babur says he became completely besotted by a street boy called Baburi. He would lose his speech in his presence and he wandered around like a mad-man, reciting love poetry."² The Muslim ruler of India, Kuttubuddin Aibak, dressed up as a woman and danced in a base, homosexual manner.³ Abu-Nuwas al-Hasan ben Hani al-Hakami, known as Abū-Nuwās, is considered to be one of the most famous Arabic poets. He was enthralled with sodomy! In *The Perfumed Garden* he writes:

O the joy of sodomy!

So now be sodomites, you Arabs.

Turn not away from it – therein is wondrous pleasure.

Take some coy lad with kiss-curls twisting on his temple

and ride as he stands like some gazelle standing to her mate.

A lad whom all can see girt with sword and belt

not like your whore who has to go veiled.

Make for smooth-faced boys and do your very best

to mount them, for women are the mounts of the devils.⁴

Mohammed was pro and con on sodomy and homosexuality. The suras that condemn sodomy are:

- Sura 4:16: "And as for the two who are guilty of indecency (sodomy) from among you, give them both a punishment; then if they repent and amend, turn aside from them; surely Allah is Oft-returning (to mercy), the Merciful."

➤ Suras 7:80-81: "And (We sent) Lut when he said to his people: What! do you commit an indecency which any one in the world has not done before you? Most surely you come to males in lust besides females; nay you are an extravagant people."

➤ Sura 26:165: "What! do you come to the males from among the creatures."

➤ Sura 27:55: "What! do you indeed approach men lustfully rather than women? Nay, you are a people who act ignorantly."

At other times, Mohammed is fully in favor of lust for boys and homosexuality.

➤ Sura 56:17: "Round about them shall go youths never altering in age," (Dorian Grey was a Muslim youth before Oscar Wilde ever knew about it!)

➤ Sura 56:18: "With goblets and ewers and a cup of pure drink;" (Alcohol dumbs down!)

➤ Sura 56:19: "They shall not be affected with headache thereby, nor shall they get exhausted," (Only women who do not want to have sex get migraine headaches!)

➤ Sura 56:20: "And fruits such as they choose," (Fruits are the sexual acts!)

➤ Sura 56:21: "And the flesh of fowl such as they desire." Better to have flesh of fowl than to have foul flesh!)

➤ Sura 56:22: "And pure, beautiful ones" (The youths are always pure and beautiful, just like Mohammed!)

➤ Sura 56:23: "The like of the hidden pearls." (Ring their pearls!)

- Sura 76:19: "And round about them shall go youths never altering in age; when you see them you will think them to be scattered pearls." (Collect the scattered pearls before you trip over them!)
- Sura 78:33: "And those showing freshness of youth, equals in age," (Imagine some dead Muslim in paradise having sex with a 1400 year-old boy!)
- Sura 52:22-24 say that in paradise "And (as for) those who believe and their offspring follow them in faith, We will unite with them their offspring and We will not diminish to them aught of their work; every man is responsible for what he shall have wrought. And We will aid them with fruit and flesh such as they desire. They shall pass therein from one to another a cup wherein there shall be nothing vain nor any sin. And round them shall go boys of theirs as if they were hidden pearls." (Thrills are constantly running up Muslim legs!)

For Mohammed, a Muslim can and cannot enjoy homosexuality on earth, but a Muslim can undoubtedly enjoy homosexuality in paradise.⁵

Among those ranking as the top countries in bestiality are the Islamic countries where there is an absolutist adherence to the Koran. These countries are:⁶

Animal Sex: Pakistan (No. 1) Morocco (No. 2) Iran (No. 4) Egypt (No. 5)

Bear Sex: Pakistan (No. 1) Saudi Arabia (No. 2)

Methinks the dogs in Islam have two legs and they are intent on the destruction of human rights. The swine are the two-legged leaders of the dogs. In many cases, there is no difference between the dogs and the swine. They can be one-and-the-same inhuman beast.

Do what Obama said, "Respect Islam!" Do what the US military says, "Hold these sacred beliefs sacred!" Holy means:

1. Belonging to, derived from, or associated with a divine power; sacred
2. Worthy of worship or of high esteem; revered.
3. Living according to a religious or spiritual system
4. Specified or set taken; sacrosanct.
5. Formally associated with or pertaining to an established or organized religion.
6. Religious in theme, depiction, or subject.

Based on these true definitions, think about what Americans and American soldiers are to hold sacred!

Don Fredrick notes that Professor Derrick Bell (†) of Harvard University is the author of several books, including a novel called *The Space Traders*—in which white people trade blacks to aliens in exchange for gold to pay off the national debt, and end to pollution, and limitless energy.

JT: I think a better solution for paying off the national debt is to have those politicians and Federal Reserve bankers who caused the national debt to pay for it. I think that a better solution to end pollution is to have leftists, union thugs, progressives, occupiers, etc, stop breathing out their hate! I think a better solution to have limitless energy is to Drill! Drill! Drill! And Mine! Mine! Mine! And search for energy in outer space. Why not give all of America's Derrick Bells, Bernardine Dohrns, all Bill Ayers-types and

Charles Ogletrees, and Barack Hussein Obama and Michelle to the aliens in exchange for nothing? A better deal than this America could never make!!!

Newsmax.com reports, "...Michelle Obama attended a fundraiser in North Carolina last week that cost \$100,000 per couple. The fundraising event held at the Ballantyne Hotel in Charlotte, N.C., benefiting the Democratic National Convention included dinner, a performance by singer James Taylor, and a photo with the First Lady, reports newsobserver.com."

JT: My secret source tells me that only one picture was taken! After that, the camera refused to function. The photographer tried to use some back-up camera equipment, but these back-up cameras also refused to function. They all conveyed the message that the object being photographed could not fit into any type of lens, including wide-view lenses!

"The Jewish state will not allow those who seek our destruction to possess the means to achieve that goal. A nuclear-armed Iran must be stopped. Amazingly, some people refuse to acknowledge that Iran's goal is to develop nuclear weapons. You see, Iran claims to do everything it's doing, that it's enriching uranium to develop medical isotopes. Yeah, that's right. A country that builds underground nuclear facilities, develops intercontinental ballistic missiles, manufactures thousands of centrifuges, and that absorbs crippling sanctions, is doing all that in order to advance ...medical research. So you see, when that Iranian ICBM is flying through the air to a location near you, you've got nothing to worry about. It's only carrying medical isotopes. ... My friends, responsible leaders should not bet the security of their countries on the belief that the world's most dangerous regimes won't use the world's most dangerous weapons. And I promise you that as Prime Minister, I will never gamble with the security of the State of Israel."

JT: Consider the following verses from the ~~Holy~~ Koran that the Iranian mullahs quote:

➤ Sura 2:191: "And kill them wherever you find them, and drive them out from whence they drove you out, and persecution is severer than slaughter, and do not fight with

them at the Sacred Mosque until they fight with you in it, but if they do fight you, then slay them; such is the recompense of the unbelievers."

➤ Sura 2:193: "And fight with them until there is no persecution, and religion should be only for Allah, but if they desist, then there should be no hostility except against the oppressors."

➤ Sura 2:216: "Fighting is enjoined on you, and is an object of dislike to you; and it may be that you dislike a thing while it is good for you, and it may be that you love a thing while it is evil for you, and Allah knows, while you do not know."

(Even if you don't like killing and fighting, it is okay because Mohammed and the Moon-god Allah-Hubal say it is okay. Allah hop! Allah hop! Allah hop!

Netanyahu continues, "...There's been plenty of talk recently about the costs of stopping Iran. I think it's time to talk about the costs of not stopping Iran. A nuclear-armed Iran would dramatically increase terrorism by giving terrorists a nuclear umbrella. Let me try to explain what that means, a nuclear umbrella. It means that Iran's terror proxies like Hezbollah, Hamas will be emboldened to attack the United States, Israel, and other countries because they will be backed by a power that has atomic bombs. So the terrorism could grow tenfold. A nuclear-armed Iran could choke off the world's oil supply and could make real its threat to close the Strait of Hormuz. If you're worried about the price of oil today, imagine how high oil prices could get once a nuclear-armed Iran starts blackmailing the world. If Iran gets nuclear weapons, it would set off a mad dash by Saudi Arabia, Turkey, and others to acquire nuclear weapons of their own. The world's most volatile region would become a nuclear tinderbox waiting to go off. And here's the worst nightmare of all, with nuclear weapons, Iran could threaten all of us with nuclear terrorism. It could put a nuclear device in a ship heading to any port or in a truck parked in any city, anywhere in the world. I want you to think about what it would mean to have nuclear weapons in the hands of those who lead millions of radicals who chants of 'Death to America' and 'Death to Israel.' When you think about that, you'll reach a simple conclusion: for the sake of our prosperity, for the sake of our security, for the sake of our children, Iran must not be allowed to acquire nuclear weapons."

JT: And again, the mullahs:

➤ Sura 4:76: "Those who believe fight in the way of Allah, and those who disbelieve fight in the way of the Shaitan (Satan). Fight therefore against the friends of the Shaitan (Satan); surely the strategy of the Shaitan (Satan) is weak."

➤ Sura 4:104: "And be not weak hearted in pursuit of the enemy; if you suffer pain, then surely they (too) suffer pain as you suffer pain, and you hope from Allah what they do not hope; and Allah is Knowing, Wise." Allah hop! Allah hop! Allah hop!

"Of course, the best outcome would be if Iran decided to abandon its nuclear weapons program peacefully. No one would be happier than me and the people of Israel if Iran dismantled its program. But so far, that hasn't happened. For fifteen years, I've been warning that a nuclear-armed Iran is a grave danger to my country and to the peace and security of the entire world. For the last decade, the international community has tried diplomacy. It hasn't worked. For six years, the international community has applied sanctions. That hasn't worked either. I appreciate ...Obama's recent efforts to impose even tougher sanctions against Iran. These sanctions are hurting Iran's economy, but unfortunately, Iran's nuclear program continues to march forward. Israel has waited patiently for the international community to resolve this issue. We've waited for diplomacy to work. We've waited for sanctions to work. None of us can afford to wait much longer. As prime minister of Israel, I will never let my people live in the shadow of annihilation. ...[T]he purpose of a Jewish state is to secure Jewish lives and a Jewish future. ...We deeply appreciate the great alliance between our two countries. But when it comes to Israel's survival, we must always remain the masters of our fate."

JT: The Iranian mullahs are so peaceful!

➤ Sura 5:33: "The punishment of those who wage war against Allah and His apostle and strive to make mischief in the land is only this, that they should be murdered or crucified or their hands and their feet should be cut off on opposite sides or they should be imprisoned; this shall be as a disgrace for them in this world, and in the hereafter they shall have a grievous chastisement."

➤ Sura 8:12: "When your Lord revealed to the angels: I am with you, therefore make firm those who believe. I will cast terror into the hearts of those who disbelieve. Therefore strike off their heads and strike off every fingertip of them."

➤ Sura 8:17: "So you did not slay them, but it was Allah Who slew them, and you did not smite when you smote (the enemy), but it was Allah Who smote, and that He might confer upon the believers a good gift from Himself; surely Allah is Hearing, Knowing."

Does this mean that the Iranian attack will come after Ramadan?

➤ Sura 9:5: "So when the sacred months have passed away, then slay the idolaters wherever you find them, and take them captives and besiege them and lie in wait for them in every ambush, then if they repent and keep up prayer and pay the poor-rate (tax), leave their way free to them (for a while); surely Allah is Forgiving, Merciful."

Allah hop! Allah hop! Allah hop!

Does anyone at CNN think critically on anything?

JT: How can critical thinking come about when CNN means Crescent Nauseating Nutswork?

Obama and his minions are so politically correct!

JT: Let's throw some of their former political correctness phrasing back at them:

Barack Hussein Obama and his minions: I hope their kidneys fail!

David Axelrod needs a new maid: I hope he doesn't get Bo the dog!

Bill Maher called Sarah Palin a c__t. I thought that Bill Maher was a dysfunctional illiterate! Does Bill Maher know what the word c__t mean? Originally, in Old English (5th-12th century), it meant womb! I think that it is normal for Sarah Palin to have one. Only since the 17th century when the word is spoken by a man, is it pejorative. When spoken by a woman to describe another woman it is pejorative. Bill Maher and any female progressive, leftist, or occupier who call Sarah Palin a c__t are doing nothing more than unclothing their characters. They surely do not cut very good figures!

Senators Rand Paul (R-KY), Mike Lee (R-UT) and Jim DeMint (R-SC) introduce a budget plan that, reports CNSNews, "...would balance the budget in five years and pay down \$2 trillion of the national debt in 10 years. The plan includes spending cuts, entitlement reforms and tax reforms. ...The plan eliminates the Department of Commerce, the Department of Education, Department of Housing and Urban Development and the Department of Energy." Paul states that "...entitlement reform could be more gradual because we eliminate some departments that we think should be done by the states and the localities." (Education, for example, is a local issue. The nations survived for 200 years without a Department of Education and it can readily be eliminated.) The proposal also calls for selling excess federal land, ending duplicative federal agencies, eliminating ObamaCare, and the Dodd-Frank legislation. "On the energy side, besides eliminating the Department of Energy, the plan proposes to open the Arctic National Wildlife Refuge for oil and gas exploration and permits the Keystone XL Pipeline project. Tax reform includes a 17 percent flat tax for individuals and corporations." Paul notes, "We think if the country would pass a flat tax like this that would eliminate a lot of the loopholes and special interest that lowers the rate for everybody, we think you'd see an economic boom in this country like you've never seen before."

JT: This is good politics. "We can't have it in America", say the progressives, the leftists, the occupiers, union thugs, and the Democratic Party. Such ideas would save the United States of America from becoming bankrupt. The goons say, "We can't have that. It would mean that America could become a success!"

TheRightScoop.com posts a May 24, 1990 C-SPAN interview of author Thomas Sowell in which he discusses Derrick Bell's demand for the hiring of black women professors. Sowell, who happens to be black, says that Bell "...is taking unpaid leave until such time as they [Harvard Law School] hire a 'woman of color,' as he says. But he's also said that

by 'black' he does not mean skin color; he means those who are 'really black,' not those who 'think white and look black." And so what he's really saying is he wants ideological conformity in the people that are hired... And so you're getting these ideological tests at the very time that there's all this mouthing of the word 'diversity.' There is this extremely narrow ideological conformity that's being enforced wherever people have the power to enforce it."

JT: Since the 1990s and ideas such as Bell's, along with the financial support of Saudi Arabia for a course major in Islamic studies, Harvard University has become a traitor to its own motto: Veritas!

DailyCaller.com reports, "The U.S. Air Force is pulling nine cargo aircraft from military operations to support ...Obama's stepped-up visits to campaign events. The five medium-capacity C-130s and four heavyweight C-17s will be used to ferry security vehicles, armored limousines and communications gear into cities ahead of Obama's campaign appearances."

JT: Obama's motto: Vote for me and I'll make sure that I'll take advantage of everything I can get! An illegal president is being supported by some Air Force general(s) who is (are) too scared to challenge Obama on his legitimacy. Of course, if all US military generals challenged Obama, there would be many falling stars!

HotAir.com say this about Obama's views on energy policy, "Well, here's the thing — this isn't the first time we've heard a President claim that there are no quick fixes to the problem of dependency on foreign oil and supply shocks. When Republicans pressed Bill Clinton to open up ANWR and offshore drilling, Clinton responded that it would take years for such a policy to deliver enough supply to matter. When George Bush tried to get a Democratic Congress to agree to open ANWR, Democrats said it would take years for such a policy to deliver enough supply to matter. Now that ...Obama's in the White House, he says that increased domestic production by opening up long-restricted areas would take too long to deliver enough supply to matter. When it comes to energy policy, accessing our own vast stores of oil and natural gas isn't a 'quick fix'—it's a *long term policy that creates economic growth, national security, and jobs*. And if Democrats had concerned themselves with those issues almost 20 years ago, we wouldn't have had prices 'spiking up ...every year, about this time.' Telling people to shrug it off simply

because it keeps happening is kind of like proposing trillion-dollar deficits each year rather than getting serious about spending cuts and responsible budgeting. *Oh, yeah...*"

JT: Why is it that logic won't go into peoples' brains? HotAir logic is the truth. Obama's logic is stupidity. Bow down and pay homage to Mr. Stupid, Barack Hussein Mohammed Obama!

Obama wants to be re-elected so badly that he will do anything to forestall an Israeli attack on Iran. Once he is reelected (negative thinking!) he will support the Palestinians in every possible way. He will dictate that Israel no longer exists. He will throw Israel under the bus.

JT: I hope by that time Israel will be driving the bus!
