JT: This American Patriot thanks these four American Patriots and all of the other American Patriots. Islamic males must be going crazy! If they are killed by a female, and an American female at that, they won't get into Jannah, the Islamic paradise.

The Obama Timeline reports from Ann Barnhardt: "...[I]f this nation is now under the Sharia, I DEMAND to be arrested for not only 'blasphemy' but also as an accessory to murder as recommended by both Mike Barnicle and Donny Deutsch on MSNBC earlier this week. Any time you bastards want to get real about this, I'm your flippin' huckleberry. Come and get me, and then WATCH WHAT HAPPENS. ...The only way you fight and destroy this evil is by RIDING OUT TO MEET IT. No capitulation. No compromise. No appeasement. No apologies. No negotiation. And then you lay down the righteous assbeating to end all assbeatings, and you do not stop until the evil is totally, completely and utterly destroyed. Anything less is a sin against God and your fellow man. You can come after me if you want, boys. You come after me. That's fine. I have no problem laying down my life: for my fellow Americans, for my fellow

human beings, and for the Church. I have no problem with that. Come and get it. But I'm not going to lay down. That is not what Christ commands. There are times when we have to fight. We fight evil. We fight the evil in the world, and this crap is EVIL. My name is Ann Barnhardt. I'm at 9175 Kornbrust Circle, 80124, in Lone Tree, Colorado. Anybody who wants a piece of me is more than welcome to come and get it. That goes for Lindsey Graham, anyone in the government who thinks that this is a crime, or any muslims who would like to come and get a piece of me. I've had enough of this crap. I am not going to bow. I am not going to submit to islam, ever. EVER. I meant it then, and I mean it now. Enough of this horses***. Enough."

JT. Amen sister!

The Obama campaign schedules a national "Yard Sale for Obama" for September 22–23. YardSaleForObama.com encourages sellers to donate proceeds to the Obama campaign.

On ABC's This Week, Obama's ambassador to the United Nations, Susan Rice, tells Jake Tapper, "President Morsi has been out repeatedly and said that he condemns this violence. He's called off—his people, called off any further demonstrations and has made very clear that this has to stop."

JT: Evidently Susan Rice doesn't understand the Morsi and Muslim use of *taqiyya*: one can say or do anything as long as Islam profits from it.

Susan Rice insisted on ABC ...that "we're not impotent, we're not even less popular" in Egypt, Tunisia, Libya or Arab countries.

JT: Just in: "This is your moon-god representative Barack Allah Hussein Hubal Obama speaking. Believe Susan Allah Rice. She is telling the truth like I do. This is Barack Allah Hussein Hubal Obama speaking and I approve this message!"

Don Fredrick of The Obama Timeline reports "After a June 6, 2012 IED attack at the U.S. consulate in Benghazi, Libya, ***additional security was requested*** and even reporters questioned the State Department about safety measures in Libya. Yet *Obama and Hillary did not act to provide that additional security*. Obama and Clinton have blood on their hands."

Arizona Governor Jan Brewer tells the Values Voters Summit that America is an exceptional nation.

The Obama Timeline reports that "(p)rominent Libertarian Wayne Allyn Root announces he is supporting Mitt Romney for president, rather than the Libertarian Party's nominee. Root writes at PersonalLiberty.com, 'If Obama is re-elected on Nov. 6, America and capitalism both face grave danger. I believe America as we know it and love it, the America of our Founding Fathers, the America that embraces capitalism and offers the famous American Dream, the America represented by the U.S. Constitution, the America of freedom, the America that allows the pursuit of

happiness—that America is finished. Gone. In the rearview mirror. I don't believe we ever recover from another four years of Barack Obama. As Obama's college classmate at Columbia University, I've reported for four years now on his plan to overwhelm the U.S. economy and wipe out capitalism. It's based on the strategy of two Columbia University professors, Cloward and Piven. Obama is following it to perfection. But he has only just begun. He's actually tried to be reasonable for his first four years because his goal was to be re-elected, so he could finish the job. So he had to be moderate to hold his powder. To hold back from his true radical self. If Obama is re-elected on Nov. 6, you haven't seen anything yet. His gloves will be off. He will be free to be his real radical self. Without ever having to face voters again, Obama will truly wreck this economy from sea to shining sea—just as Saul Alinsky, Cloward and Piven, Barack Obama Sr., Frank Marshall (Davis), Reverend Jeremiah Wright, Bill Ayers, and a host of other radical, Marxist, American-haters taught him. We will face a final economic Armageddon: the total collapse of the U.S. economy and our monetary system. Obama unleashed will send the IRS to crush his political opposition. He will appoint a majority of Supreme Court and Federal judges, so none of his violations of the Constitution will ever again be challenged. His policies will encourage radical Islamic and terrorist rogue states to threaten and eventually destroy Israel. He will finish his destruction—actually, extinction—of our domestic oil, coal, even natural gas industries, so we'll become more dependent on these rogue terrorist nations who sell us their oil. And he will continue to weaken the U.S. military, so we will be unable to prevent it all from happening. ... Do I agree with Mitt and the GOP on every issue? Of course not. No one ever agrees 100 percent on everything. But I'm willing to put my differences aside to set an example in order to take back our country from the grips of socialism and the abyss of economic ruin. There is no other choice. Our back is to the wall, and Obama's defeat is that important to the survival of our country, our economy, our freedoms, our children's future and, ultimately, capitalism itself. It's time for a coalition of Republicans, conservatives, Tea Party activists, Libertarians, Ron Paul supporters, small-business owners, homeowners, investors, patriots, Christians, Jews and Israel supporters to join together and support Mitt Romney now. ...Because of my general agreement with Mitt Romney and Paul Ryan on important economic issues (not total agreement, but general agreement); and because the Tea Party will hold the GOP to their promises or we will start a firestorm and make their lives miserable and then in the next election, throw the bums out; and because of my deep understanding of what Obama intends to do to this economy and this country in a 2nd term, I am now all in. I will do everything in my power to help elect Mitt Romney as the next President of the United States.' "

JT: Mr. Root forgot to say that should Barack Hussein Obama be reelected, all Americans will be forced to bow before Barack Hussein Obama and Allah-Hubal, the Islamic moon-god, five times a day.

Also from *The Obama Timeline*, we learn that "Michelle Obama campaigns in Fredericksburg, Virginia, where she provides her own version of her husband's 'You

didn't build that" comment. She says, 'We learned that the truth matters, so you don't take shortcuts, you don't game the system, you don't play by your own set of rules. And we learned that no one gets where they are on their own; that each of us has a community of people who are lifting us up—from the teachers who inspire us to the janitors who keep our schools clean. And we were taught to treat everyone with value, and everyone with respect. We learned about citizenship and service, that we're all part of something bigger than ourselves; that with our freedoms come obligations, and with our blessings come a duty to give back to others who have less. See, these are the values that make Barack such an extraordinary husband and partner to me, but more importantly, such a phenomenal father to our girls.' "

JT. Exclusive! JT has learned that while she said these idiot sentences, she was thinking in her deep vertical gluteal crevices matters much different than what she was vomiting! Here is the reality (in parentheses) behind her *assinine* statements:

"We learned that the truth matters, (*That's why we bulldozer you with lies!*) so you don't take shortcuts, you don't game the system, (*Like we do and get away with it. Yeah! We know how to get over on the system!*) you don't play by your own set of rules. (*That's right, you don't but we do because we are better than you and the Constitution.*) And we learned that no one gets where they are on their own; (*Yes, we had to use people to get where we are. But after we were finished with them, they were either thrown under the bus, or miraculously disappeared from life!*) that each of us has a community of people who are lifting us up (*I mean the world communist of Muslims, the Umma!*)—from the teachers who (*think they*) inspire us to the janitors who keep our schools (*of leftist and Islamic propaganda*) clean. And we were taught to treat everyone with value, (*Those who are below us are not worth a cent!*) and everyone with respect. (*for us!*) We learned about citizenship and service, (*That illegals are also citizens and all of you must service Barack and Me!*) that we're all part of something bigger than ourselves; (*We are part of Satan's plan and you are part of zilch!*) that with our freedoms come obligations (*from you to pay enough taxes so that we can enjoy the freedoms that will be taken away from you and so that I can go on vacations wherever and whenever I want to, regardless of the costs!*), and with our blessings come a duty to give back to others who have less. (*What we are giving back is a slave-oriented society to government to insure that you will always have less!*) See, these are the values that make Barack such an extraordinary husband (When he is not with his body servant) and partner to me (*When I am not with my love!*), but more importantly, such a phenomenal father to our girls.' (*Who do not have questioning minds of their own and believe everything that I tell them!*)"

At <http://www.barenakedislam.com/2012/09/16/turkey-muslim-man-accused-by-inlaws-of-raping-their-duck/>, we read

A man was detained in Bursa province in Turkey's Marmara region for allegedly raping a duck, daily Habertürk reported.

Hurriyet Daily (H/T Henry P) Police forces detained the man following complaints from his inlaws, who claimed he had raped one of their ducks

during an overnight stay in their house. The man's father-in-law said he found "feathers and blood" in a bed with the duck. The duck was "unable to walk," according to the father-in-law. The man's mother-in-law told daily Habertürk she later discovered the man's bloody shirt by a tree the next morning. The 50 year-old suspect denied all accusations, calling them all "slander." The duck was found to have suffered deformation and damage to its intestines and underwent several operations. It is now reportedly in good condition and remains in a veterinarian's care.

JT: JT has learned that the man thought he was in a bathtub with a Rubber Duck! Uck! Uck! Uck! Donaldahu Quackbar!

Remember this? Arizona Gov. Jan Brewer accused President Obama of wanting undocumented immigrants to illegally vote for him in a radio interview yesterday. [Speaking with](#) 550-KFYI, Brewer slammed the Obama administration's decision to cut the state out of a [federal immigration program](#) on the same day the Supreme Court [upheld](#) a key provision of Arizona's landmark immigration law.

"They want chaos. They want a larger voting base as far as I'm concerned and they want the illegal immigration to continue," Brewer said of the Obama administration. "Now they'll have all the illegals and they can all do whatever they want and register to vote. Although it's illegal if you're not a citizen to register. But they're not enforcing the law so what is going to happen to them? He's looking for votes." (Source: http://www.salon.com/2012/06/26/brewer_obama_wants undocumented_votes/)

JT: Here are some answers to America's immigration problem from <http://headhunter20.com/2012/09/14/new-immigration-laws-but-wait-theres-more/>.

*****New Immigration Laws*** ... but wait, there's more! September 14, 2012**

(Be sure to read to the bottom or you will miss the message...)

1. There will be no special bilingual programs in the schools.
2. All ballots will be in this nation's language.
3. All government business will be conducted in our language.
4. Non-residents will NOT have the right to vote no matter how long they are here.
5. Non-citizens will NEVER be able to hold political office.

6. Foreigners will not be a burden to the taxpayers. No welfare, No food stamps, No health care, or other government assistance programs. Any burden will be deported.

7. Foreigners can invest in this country, but it must be an amount at least equal to 40,000 times the daily minimum wage.

8. If foreigners come here and buy land... options will be restricted. Certain parcels including waterfront property are reserved for citizens naturally born into this country.

9. Foreigners may have NO protests; NO demonstrations, NO waving of a foreign flag, no political organizing, NO bad-mouthing our president or his policies. These will lead to deportation.

10. If you do come to this country illegally, you will be actively hunted and, when caught, sent to jail until your deportation can be arranged. All assets will be taken from you.

Too strict?

The above laws are current immigration laws of MEXICO !

JT: The man on the grassy slope is doing physically what Obama is doing verbally.

The Obama Timeline reports that "In a *Meet the Press* panel discussion, the consensus—in defense of Obama—is that no one could have prevented the anti-American demonstrations in the Middle East. *The Atlantic's* Jeff Goldberg says,

'There are some very, very deep and troubling things going on in, in the Middle East that have very little to do with what a president does or doesn't do, so to blame [Obama] for, for an attack on, on these embassies, I think, is a bit much.' NBC's Andrea Mitchell says, '[T]he Arab Spring has been a much greater, much broader troubling issue that arguably not any American president could handle very effectively.' *The Washington Post's* Bob Woodward adds, 'I just don't think the charge of weakness will stick. I mean, Obama's been tough on these things. Let's be realistic. The extremists in the Middle East who are causing all of this trouble are extremists. And no Republican, no Democratic president is going to be able to control them.' "

JT: This shows Obama's toughness on "those things" in the Middle East!

JT: Methinks Obama's toughness on "these matters" is bitter and not sweet!

Campaigning for her husband at the University of Florida in Gainesville, Michelle Obama says, "The economy was losing 800,000 jobs every month [in early 2009], and a lot of folks wondered whether we were headed for another great depression.

Now this is what Barack faced on day one [in the White House]. That's what awaited him, but instead of pointing fingers and placing blame, Barack got to work, because he was thinking about folks like my dad, like his grandmother. Since the day he took office, on issue after issue, crisis after crisis, that's what I've seen, that's what we've all seen in my husband. We've seen his values at work. We've seen his vision unfold. We've seen the depths of his character, courage, and convictions. Here's proof: Think back to when Barack first took office, and our economy was on the brink of collapse."

JT: Michelle is a true pumkin!

Source: <http://ravingdaveherman.blogspot.de/2010/08/screenwriting-vomit-phase.html>

Media leftists spend the evening discussing and writing about a hidden camera video from a fundraiser at which Mitt Romney stated, "There are 47 percent of the people who will vote for [Obama] no matter what. All right, there are 47 percent who are with him, who are dependent upon government, who believe that they are victims, who believe the government has a responsibility to care for them, who believe that they are entitled to health care, to food, to housing, to you-name-it. That that's an entitlement. And the government should give it to them. And they will vote for [Obama] no matter what... And I mean [Obama] starts off with 47 percent, 48, 49—he starts off with a huge number. These are people who pay no income tax. 47 percent of Americans pay no income tax. So our message of low taxes doesn't connect. So he'll be out there talking about tax cuts for the rich. I mean, that's what they sell every four years. And so my job is not to worry about these people. I'll never convince them they should take personal responsibility and care for their lives. What I have to do is to convince the five to ten percent in the center that are independents,

that are thoughtful, that look at voting one way or the other depending upon, in some cases, emotion, whether they like the guy or not.”

“Frankly, my discussion about lowering taxes isn’t as attractive to them and therefore I’m not likely to draw them into my campaign as those in the middle. This is really more about the political process of winning the election and of course I want to help all Americans have a bright and prosperous future and I’m convinced that [Obama’s] approach has not done that and will not do that.”

JT: So this is what the leftist, lamestream media, progressives, obots, and idiots don't like THE TRUTH!!!

At iOwnTheWorld.com (<http://iowntheworld.com/blog/?p=150237>) there is a request for captions to this picture. Read the genius comments. They are worth your time.

Source: <http://angrywhitedude.com/2012/09/why-dont-rules-of-political-correctness-apply-to-muslims/>

JT: I think the sign should read: *Allah Bless Hitler*. If Islam contends that Allah is God, then their Allah blesses Hitler and those like him. Mohammed is definitely like Hitler. Rumor has it that Mohammed and Hitler are one and the same person, ... well, at least the dogmas are the same: Evil. Evil can never be correct, regardless of how it appears. Because history has shown that Hitler (Mohammed), or Stalin, or Mao, or some sheiks and imams were forces of evil, then the Muslims are saying Allah bless evil, which is the same as saying that Allah is also evil! There are evil blessings, dear reader!
