JUST THINKING  
Number 37

At <http://americanglob.com/2012/11/01/mitt-romney-has-multiple-paths-to-victory/> we read that Mitt Romney has more than one path to victory in the presidential election on November 6. Michael Barone, Senior Political Analyst at the Washington Examiner goes out on a limb states that Romney will win over Obama 315 to 223 electoral votes. (<http://washingtonexaminer.com/barone-going-out-on-a-limb-romney-wins-handily/article/2512470#.UJY51IZXkhU>.)

JT: Methinks that Obama has more going for him because Obama is dishonest and a crook and he'll do anything to rig the election in his favor. American Patriots should not be surprised that if Obama wins, he will have stolen the election, particularly in Ohio. An example of how the Obama thugs are rigging the election is here:

[http://www.carolinajournal.com/exclusives/display\\_exclusive.html?id=9635](http://www.carolinajournal.com/exclusives/display_exclusive.html?id=9635)

There is also the possibility that if Obama loses the popular vote very closely, even by a million, he will attempt to bribe some of the electors so that he can become the winner and have a second term in office. Don't think that he wouldn't bribe. The creature is a thug and a crook. If some electors refuse to be bribed, they'll be threatened. I'm convinced that the Obama camp has information they can use and will use on all electors.

If Obama loses both the popular vote and the electors, then there will be two months, 24 hours a day, 7 days a week of document shredding in the White House and in federal offices. Obama will leave office with an aura of false purity.

JT: "Oh shit! I just voted for Romney! Well, wait a minute. That's okay. These machines are rigged so that a registered vote for Romney will be logged in as a registered vote for me! I'm Barack Hussein Obama and I approve this type of voting machine!"

JT: Methinks regardless of what kinds of problems arise, for Barack Hussein Obama there is always a video that caused the problem and a lie from him that solves the problem.

Don Fredrick of The Obama Timeline reports that "In attorney Taitz's Indiana ballot challenge lawsuit, Judge Sherry Reid—who previously refused to vacate the trial after a motion by the defense—changes her mind, retroactively vacates the trial, and rules that all testimony be stricken (including that of witnesses who declared Obama's birth certificate to be a forgery). Taitz has so far been denied a transcript." Don Fredrick adds, "Some might draw the conclusion that someone 'got to' the judge."

JT: I would like to ask Judge Sherry Reid: *How does it feel to become traitorous and not uphold her oath to the Constitution for the United States of America?* I wouldn't put it beyond doubt that she is now a multi-millionaire (?), or that some POLDS threatened her.

JT. The logic behind Islam being a ~~peaceful religion~~ is that if Israel no longer exists, there will be peace in the region. That is also the claim of Iran and its politics of obtaining nuclear power. Having achieved that, Iran can then build the atomic bomb. This will be a peaceful development because Israel could then be wiped off the landscape of the Middle East and that would bring peace to the Middle East. However, Islam will be at war with the rest of the world like it has always been. Yet, Islam will still be a ~~peaceful religion~~ because once the world is 'Islamic, there will be peace.

In this [http://www.youtube.com/watch?feature=player\\_embedded&v=Og7amt6dfBM](http://www.youtube.com/watch?feature=player_embedded&v=Og7amt6dfBM) video you can view a young Egyptian boy preacher cursing former Prime Minister of Israel Ariel Sharon, former President George W. Bush, and praising Obama while calling for the destruction of Israel.

JT: This is another proof that Islam is so peaceful. Even young children are so peaceful because Islam is so peaceful.

JT: Our deceased heroes deserve the best of honor and respect.

The Tomb of the Unknowns at Arlington National Cemetery in Arlington, VA, is also known as the Tomb of the Unknown Soldier, and has never been officially named. The Tomb of the Unknowns stands atop a hill overlooking Washington, D.C. On March 4, 1921, Congress approved the burial of an unidentified American soldier from World War I in the plaza of the new Memorial Amphitheater.

The white marble sarcophagus has a flat-faced form and is relieved at the corners and along the sides by neo-classic pilasters, or columns, set into the surface. Sculpted into the east panel which faces Washington, D.C., are three Greek figures representing Peace, Victory, and Valor. The six wreaths, three sculpted on each side, represent the six major campaigns of World War I. Inscribed on the back of the Tomb are the words:

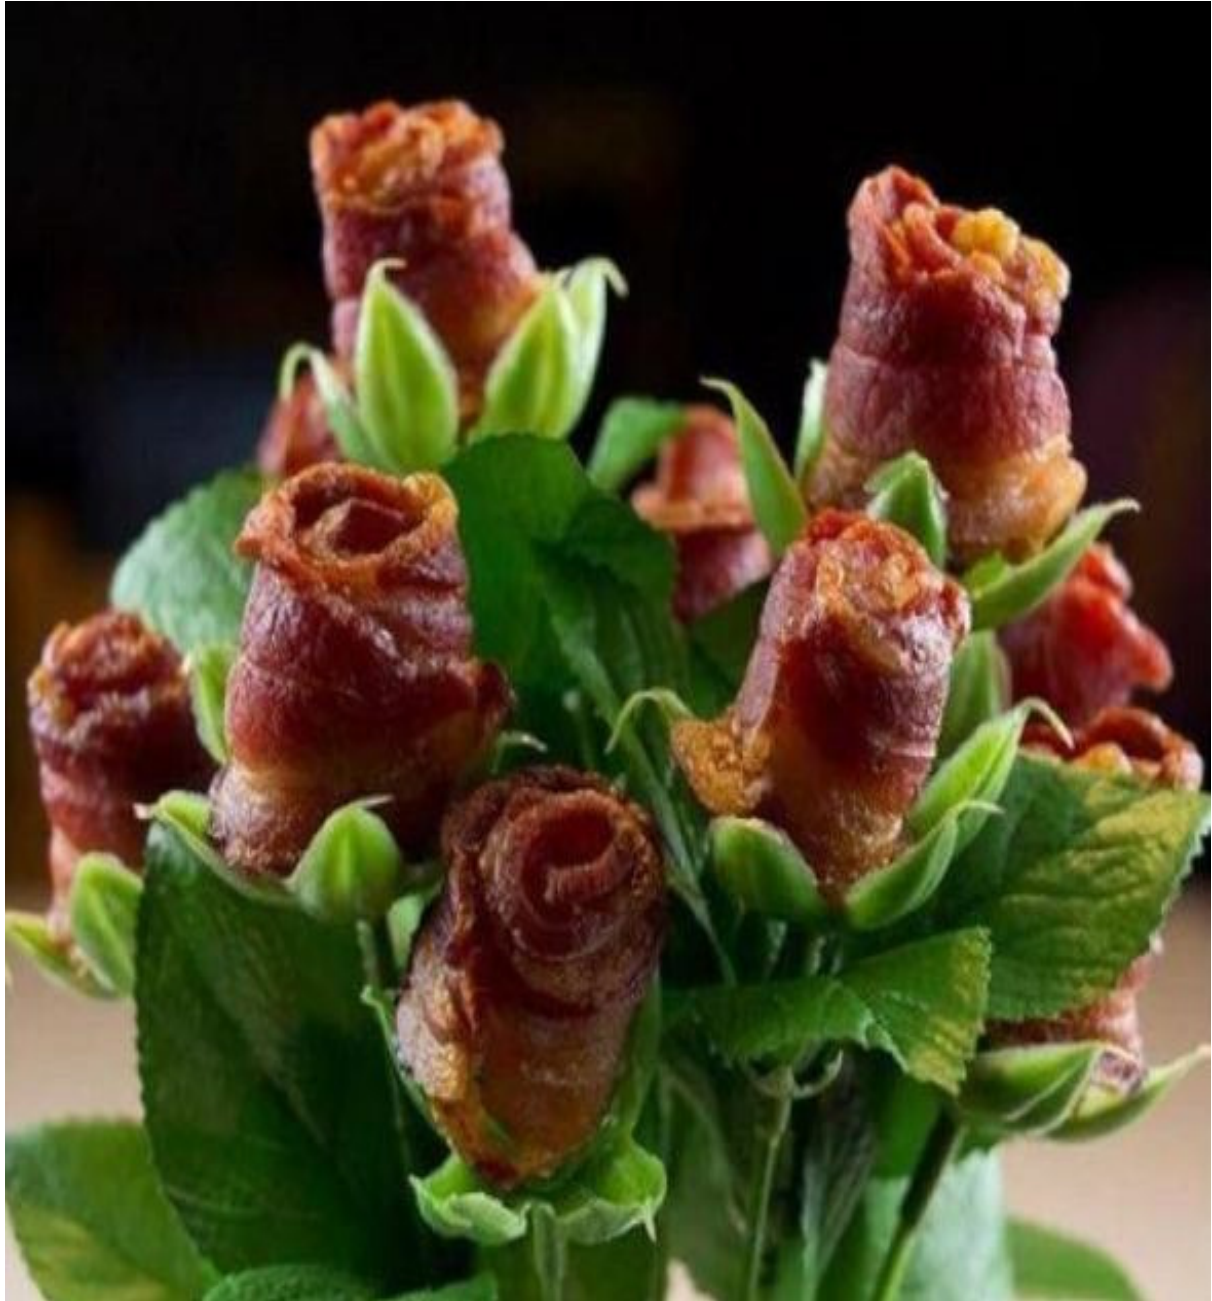

Here rests in honored glory an American soldier known but to God.

The Tomb sarcophagus was placed above the grave of the Unknown Soldier of World War I. West of the World War I Unknown are the crypts of unknowns from World War II, Korea and Vietnam. Those three graves are marked with white marble slabs flush with the plaza.

JT: "You don't have to worry little fellow. It's okay if you want to become a girl when you grow up! What is important now is that you tell your parents to vote for Barack. By the way, once we have sharia law in America all of you little kiddies will be loved by adults, particularly men! I am Mooseallah and I approve this message."

"My mother dressed me in a strange belt (i.e., a suicide belt).

I asked her: 'What is this, mother?'

She said: 'I will put it on you and you will go to your death!'

I said to her: 'Mother, what have I done that you want me to die?'

She shed a tear that hurt my heart and said: 'The homeland needs you, son. Go and blow up the sons of Zion.'

I said to her: 'Why me and not you?'

She said: 'I will stay in order to give birth to more children for the sake of Palestine.'

I kissed her hand and said to her: 'Keep it up, mother, for you and for Palestine I will kill the impure and the damned.'"
