JUST THINKING

Number 43

JT: Does she smell something rotten contributing to the result of the election?

We read about the importance of having no religion and the outcome of a presidential election at <http://www.npr.org/blogs/itsallpolitics/2012/12/09/166753248/add-this-group-to-obamas-winning-coalition-religiously-unaffiliated>. Obama overwhelmingly won the atheist and “no-religion” vote on election day: “In Ohio, Obama lost the Protestant vote by 3 points and the Catholic vote by 11, but he won the ‘nones’ [12 percent of the state’s electorate] ...by 47 points. In Virginia, Obama lost Protestants by 9 points and Catholics by 10 points, but won 76 percent of the ‘nones,’ who were 10 percent of the electorate. In Florida, Obama lost Protestants by 16 points and Catholics by 5 points, but captured 72 percent of the ‘nones.’ They were 15 percent of the electorate. Similar results were seen in states including Michigan, New Hampshire and Pennsylvania.”

JT: Where evil is religiously unaffiliated evil wins! They deserve what they get! Now the prospects under Obama are that he would like to make Islam the national religion(?) of the 57 states of America, and make all of his caliphate subjects face him and Mecca five times a day. This would mean that the 57 states of America would believe in complete evil. That is change without hope!

At <http://www.bloomberg.com/news/2012-12-10/chinese-investors-buy-80-of-aig-plane-unit-for-4-23-billion.html> we read that China has purchased 80.1 percent of [American International Group Inc. \(AIG\)'s plane-leasing unit](#) for \$4.23 billion.

JT: Methinks that American companies are selling out to anyone who will buy before 1 January so that they won't have to pay higher taxes. One way to stop foreign firms and countries, except probably Islamic countries, is to include the Obamas in the sell-out package.

At http://www.weeklystandard.com/blogs/nytimes-reporter-they-are-so-much-cockier-now-white-house-665231.html?utm_source=dlvr.it&utm_medium=twitter we read that the Obamas are much cockier in the White House now.

JT: That's racism, pure racism!

A US Navy SEAL was killed in Sunday's rescue mission in Afghanistan that freed an American doctor kidnapped by the Taliban, the White House said. (<http://www.newsmax.com/Newsfront/american-rescued-hostage-taliban/2012/12/09/id/467020#ixzz2EdUzjqJ5>)

JT: What the White House didn't say was that Obama told the Taliban where he was and how to kill him! Of course, we know that Obama has experience in killing American, particularly Navy Seals!

JT: The video tells us how Obama plays golf. It also tells us how Obama wins elections.

Communist Rules for Revolution

(Note: I, Jane Gaffin in Whitehorse, Yukon, thought the good people of the world might be interested in the following text. "Rules for Revolution" was published circa 1951 in some American newspapers and was found among my mother's clipping files. The text was submitted to the newspapers by George A. Brautigam, the-then State Attorney for the State of Florida. At the time, "Rules" was acknowledged to be still a part of the Communist program for overthrowing the U.S. government, as well as the Canadian government, I daresay. And it is as pertinent today as in 1919 when and even more so today because we're closer to it than when it was published in 1951 during what was part of the Age of Suspicion, which I often refer to as a Red Under Every Bed era.)

(Note: It has been brought to my attention that some believe the story of these rules may not be "provable". That takes nothing away from the validity of the rules themselves. However they came into existence is not relevant, in my not-so-humble opinion.

They are the truth of the Marxist-Leninist approach to the democratic world, and so they remain here as a reminder to those who would believe the Leftists don't exist.

Look at our world. Look at Canada today and tell me that all or most of the items listed below are NOT being done to this once-great nation.

Christopher di Armani 2004)

A. Corrupt the young, get them away from religion. Get them interested in sex. Make them superficial, destroy their ruggedness.

B. Get control of all means of publicity and thereby:

- Get people's minds off their government by focusing their attention on athletics, sexy books and plays and other trivialities.
- Divide the people into hostile groups by constantly harping on controversial matters of no importance.
- Destroy the people's faith in their natural leaders by holding the latter up to contempt, ridicule and obloquy.
- Always preach true democracy but seize power as fast and as ruthlessly as possible.
- By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.
- Foment unnecessary strikes in vital industries, encourage civil disorders, and foster a lenient and soft attitude on the part of government toward such disorders.
- By specious argument cause the breakdown of the old moral virtues:
 - honesty,
 - sobriety,
 - continence,
 - faith in the pledged word,
 - ruggedness.

C. Cause the registration of all firearms on some pretext, with a view to confiscating them and leaving the population helpless. Copyright diArmani.com

JT: Lenin forgot to advise that it should be done with the subtle backing of a non-religious organization like Islam!

http://www.americanthinker.com/blog/2012/12/doha_climate_conference_set_to_sock_it_to_the_usa.html

JT: The essay's closing has this sentence: "I don't think there is a chance in a million years that any US Congress would support such a scheme." I think that it is a naive statement. Obama wouldn't even consider asking Congress. For him it is another way to destroy the USA and he would implement the UN idiocy without going through Congress.

"What we need now is to take a good long look at slavery. We know many folks don't want a job, but that bums the rest of us out. When we bring back slavery, everybody will be accounted for. Everybody will have a job and be secure in the knowledge that they are contributing to the greater good of the state. Our slaves would be well-fed and have great healthcare and birth control devices. They would be off every other Sunday and one full week in the summer plus all federal holidays. Now how does that sound?"

JT: Why not? That's the same message as Islam. Obama says be a slave to his type of government and Islam says be a slave to Islam. Install Islam as America's belief system and there is a unity of slavery!

The Obama administration officially recognizes the rebels fighting the regime of President Assad in Syria—even though the rebels include members of al-Qaeda. White House press secretary Jay Carney tells reporters, "We believe that the Syrian people, and the Syrian opposition coalition... are interested in a future for Syria that includes a transition towards greater democracy, greater rights for its citizens, more economic prosperity."

On MSNBC, aging, irrelevant calypso singer Harry Belafonte remarks, "That there should be this lingering infestation of really corrupt people who sit trying to dismantle the wishes of the people, the mandate that has been given to Barack Obama, and I don't know what more they want. The only thing left for Barack Obama to do is to work like a third world dictator and just put all these guys in jail."

JT: Methinks Harry Belafonte is way off key!

JT: "I'm Hillallahry Clinton and Mohammed said that it is this big!"

On December 15 Secretary of State Hillallahry Clinton reportedly faints and suffers a concussion in a fall.

JT: Methinks this is quite symbolical of Obama's foreign policy.

<http://www.westernjournalism.com/barack-and-michelle-cost-far-more-in-upkeep-than-britains-royals/> reports that US taxpayers spent a staggering \$1.4 Billion (yes, with a B) on the Obamas, [according to author Robert Keith Gray](#) in his new book PRESIDENTIAL PERKS GONE ROYAL!

JT: Methinks it is okay. After all evil is way more expensive than honesty!

JT: And always a rotten one!

At <http://www.latimes.com/news/nationworld/world/middleeast/la-fg-benghazi-report-20121220,0,7144548.story> we read "Four senior State Department officials resigned under pressure Wednesday after an independent review board determined that they had operational responsibility for 'grossly inadequate' security when Islamic militants killed four Americans at the U.S. diplomatic mission in Benghazi, Libya. At a news conference, retired Adm. Michael G. Mullen, a former chairman of the Joint Chiefs of Staff and a leader of the independent panel, said 'senior officials in critical positions

of authority and responsibility in Washington demonstrated a lack of leadership and management ability.' ...

JT: This is another case of Admiral Mullen's hypocrisy. He took an oath to uphold the *Constitution for the United States of America*, but the navy peacock traitor decided to take orders from the usurper Obama and thus did not uphold his constitutional oath. To me that is a prime example of a '**senior official in a critical position of authority and responsibility in Washington who demonstrated a lack of leadership and management ability.**'

Mark Levin says to the Republicans in the House of Representatives: "You won't be able to run from it (increasing taxes). And all your mush-mouthed, spaghetti-brained thinking isn't going to fix it. You're going to put a marker down, and we're going to see it." (<http://dailycaller.com/2012/12/19/mark-levin-to-gop-there-will-be-a-political-backlash-for-selling-out-on-fiscal-cliff-audio/>)

JT: Methinks that Mark Levin is being politically incorrect. Good for him! He's probably racist, as well!

The headlines at <http://www.guardian.co.uk/commentisfree/2012/dec/17/us-killings-tragedies-pakistan-bug-splats?wtfln> say that "In the US, mass child killings are tragedies. In Pakistan, mere bug splats. Barack Obama's (false) tears for the children of Newtown are in stark contrast to his silence over the children murdered by his drones."

JT: Obama is an **EVIL HYPOCRITE!**

JT: Now dear children here is a complimenting true fairy tale. Cuddle snugly into your beds and I'll read you the **truth** from the fartscinating *TIME Magazine* story of how MOOSESHELLE GREW UP TO BECOME THE MOST BEAUTIFUL WOMAN WHO EVER LIVED! I wish you sweet Mooseschelle dreams.
