## JUST THINKING

Number 49

# SPECIAL ISSUE

On Saturday afternoon February 9, 2013 *Just Thinking* was able to conduct a one-hour interview with Barack Hussein Obama, the illegal occupier of the Oval Office. Throughout the 60 minutes The One allowed *Just Thinking* to ask him questions concerning an interesting aspect of the One's life. The questions concern The One being a natural born citizen according to the *Constitution for the United States of America*, Article, II, paragraph, 1, Clause 5.

*Just Thinking's* questions are as follows:

### NATURAL BORN CITIZEN

1. Is it true that your real name is Barack Hussein Obama?
2. You claim to be a constitutional law professor. Therefore, I understand that you know the true meaning of the natural born citizen clause of the *Constitution*. How does the clause apply to you?
3. What is your true birthplace and where is your official non-forged, long-form birth certificate?
4. Do you possess original documents showing that your father and mother were American citizens at the time of your birth?
5. Did you personally order your various internet birth certificates to be forged?

It took The One approximately 60 minutes to answer each question in detail. With The One's permission *Just Thinking* is herewith making public The One's lengthy and truthful (!) answers according to the order in which they were asked.
