JUST THINKING

Number 58

NOTE: This is somewhat out of sequence, but it is exceedingly important enough to appear at the beginning.

To prove that they are respectful and peaceful, two peaceful Muslims respectfully behead a British soldier on the peaceful streets of London's peaceful Woolwich area. According to *The Times of London*, the peaceful attackers shout, "Allahu Akhbar" during the savage attack. One of the peaceful and respectful killers states, "We [Muslims] swear by almighty Allah we will never stop fighting you [non-Muslims]. We must fight them as they fight us. An eye for an eye, a tooth for a tooth. I apologize that women have had to witness this today, but in our land our women have to see the same. You people will never be safe. Remove your government, they don't care about you."

JT: AT http://atlasshrugs2000.typepad.com/atlas_shrugs/2013/05/british-muslim-who-beheaded-soldier-on-public-street-many-many-suras-in-the-quran.html we read the following:

"The killer captured on video was referencing passages from Islamic sacred texts. "We must fight them as they fight us" is a reference to a phrase found repeatedly in the Koran:

"**fight** in the cause of Allah **those who fight you** ... And slay them wherever ye catch them, and turn them out from where they have turned you out; for *fitnah* (oppression, persecution) is worse than slaughter; ... **if they fight you, slay them**. Such is the reward of those who suppress faith. " (Sura 2:190-9)
"**fight the polytheists** all together **as they fight you** all together" (Sura 9:36)
"**Permission to fight** (against disbelievers) is given to **those** (believers) **who are fought against**, because they have been wronged and surely, Allah is Able to give them (believers) victory" (Sura 22:39)

The Arabic word for 'fight' used in the Koran in these passages is *qātilū* which literally means [fighting to kill](#). (See [here](#) for an explanation of the meaning of Sura 2:190-91, a passage used by Muslim jurists to justify killing.)

The reference 'an eye for an eye, and a tooth for a tooth' is also from the Koran (although ultimately borrowed from several passages in the Mosaic law):

And We prescribed for them therein: The life for the life, and **the eye for the eye**, and the nose for the nose, and the ear for the ear, and **the tooth for the tooth**, and for wounds retaliation. (Sura 5:54)

The Muslim killers here are invoking a religious ruling that it is permissible to fight and kill people who wage war against Muslims. As Bin Ladin put it in [his letter to the American people](#):

"It is commanded by our religion and intellect that the oppressed have a right to return the aggression. Do not await anything from us but Jihad, resistance and revenge."

The belief which seems to underly the Woolwich attack is that because the British government is fighting a war against Muslims in Muslim lands, it is therefore legitimate for Muslims to wage jihad against the British. British people, who voted the government into power, are also considered to be personally culpable, which is why they 'will never be safe' and are told to 'remove your government'.

The killer's language is strikingly reminiscent of Bin Ladin's November 2002 letter to the American people, in which he not only spoke of 'removal' of governments (in Muslim lands), but also explained that it was legitimate to attack American civilians because they are the ones who voted their government into power:

"... the American people are the ones who choose their government by way of their own free will; a choice which stems from their agreement to its policies. ... The American people have the ability and choice to refuse the policies of their Government and even to change it if they want. ... the American army is part of the American people. ... This is why the American people cannot be not innocent of all the crimes committed by the Americans and Jews against us. ... Allah, the Almighty, legislated the permission and the option to take revenge. Thus, if we are attacked, then we have the right to attack back. ... whoever has killed our civilians, then we have the right to kill theirs.

The phrase 'you people will never be safe' is reminiscent of Muhammad's instruction to his followers to invite non-Muslims to Islam by telling them *aslim taslam* "Accept Islam and you will be safe" (see [here](#)). The implication is that non-Muslims are not safe because their blood and property can be taken until they convert. Thus Muhammad said to his cousin Ali, on the eve of the attack against the Jews of Khaibar:

"Fight (*qātilū*) until they bear testimony to the fact that there is no god but Allah and Muhammad is His Messenger [i.e. until they convert to Islam] and when they do that, then their blood and their riches are inviolable [safe] from your hands." ([Sahih Muslim. Book of the Merits of the Companions of the Holy Prophet 4:29:5917](#)).

It seems the killers desired martyrdom in accordance with their beliefs, because they asked bystanders to call the police and immediately moved to attack the police when they arrived on the scene.

This slaughter on the streets of Woolwich has all the hallmarks of a theologically motivated attack, and keys to understand it can be found in the Qur'an and the teachings of Muhammad.

What does Prime Minister David Cameron say? "There is nothing in Islam that justifies this truly dreadful act.

(<http://www.guardian.co.uk/uk/video/2013/may/23/woolwich-murder-david-cameron-video> at ca 1:45.)

MR. Cameron! Read the above Islamic sources and teachings from so-called peaceful Islam! You and all other European And American Islam-apologetic politicians: GET YOUR HEADS OUT OF THE SAND!!!

What does the London Islamic community say? Islam is peace and the actions of the two men accused of the attack are not in any way part of the Islamic religion.

(<http://www.guardian.co.uk/uk/video/2013/may/24/woolwich-muslim-reaction-video>)

Remember, Islam and the Koran and Mohammed says that a Muslim can lie all s/he wants if it helps to further Islam. THEREFORE, DENY THE TRUTH MUSLIMS! GET YOUR DAMN IDIOTIC HEADS OUT OF THE POSTERiors OF MUHAMMAD, ALLAH-HUBAL, THE KORAN, AND YOUR IMMAMS! AND SEE THE **LIGHT!!!**

PS: And the onlookers to the slaughter were really brave! Also, a soldier in Paris was attacked on May 26 in a similar manner, but survived.

FoxNews.com reports, "Hundreds of illegal immigrants with criminal records were released earlier this year as the Obama administration prepared for budget cuts, according to newly released data that challenged claims the program involved 'low-risk' individuals. Immigration and Customs Enforcement released the figures to two top senators, after a three-month delay and under the threat of congressional subpoenas. Of the 2,226 detainees that were released in February, the department revealed, '622 have been identified as having some type of criminal conviction.'" (Thirty-two of the 622 have multiple felony convictions.)

(<http://www.foxnews.com/politics/2013/05/16/ice-admits-hundreds-illegal-immigrants-with-criminal-records-released/>)

JT: What a coincidence! Some illegal criminal immigrants with criminal records are also felons. They are just like Barack Hussein Obama, an illegal immigrant who is a felon, albeit up until now, not convicted!

JT: Need more be said?

JT: Yeah! Send her there. It won't make any difference! The sour apple doesn't fall far from the tree.

We read the following from author Edward Cline at <http://sheikyermami.com/2013/05/19/obama-is-evil/> and at <http://www.familysecuritymatters.org/publications/detail/obamas-fruits-of-falsehood> :
“...I don't think I'm putting my life at risk by stating, without apology, regret, hesitation, or trepidation that: Obama is *evil*. Even if he never committed another evil action, he is irredeemable. As irredeemable as Richard Speck or Charles Manson. And by *evil* I do not mean *evil* by accident, or by omission, by hypocrisy, by happenstance, by character flaw, by insanity, or even by criminal negligence. I mean: Consciously, purposefully, determinedly *evil*. Obama is a public figure. His policies and actions are fair game for observation, examination, and evaluation. They're there for all to see. His private life also has been made public, from his closeness to America-hating Reverend Jeremiah Wright to his frequent golfing outings to his numerous lies and cover-ups. There is not a single speech of Obama's, not a single public gesture of his or a piece of legislation he has signed or vetoed, that has not telegraphed his malevolent motives and intentions. ...So, I'm going the extra mile by saying what must be on everyone's minds: Obama is evil. So are former Secretary of State Hillary Clinton, Attorney General Eric Holder, and all the other policy makers and advisors in his administration. The recurring leitmotif in all their actions and policies from the very first day of Obama's first term in office has been: Destroy for the sake of destruction. Out of destruction will come construction of a world more to our liking. Sacrifice your own allies, if necessary, such as Ambassador Christopher Stevens in Benghazi, if it will sustain the falsehood and allow us to continue to destroy without obstruction or surcease.”

JT: This applies to practically all Democratic Party politicians and I've been saying this since I was born!

Senior White House advisor Dan Pfeiffer says Obama's whereabouts on the night of the Benghazi attack are not important: “I don't remember what room [Obama] was in on that night, and that's a largely irrelevant fact.” (http://www.weeklystandard.com/blogs/obama-aide-irrelevant-fact-where-president-was-during-benghazi-attacks_724882.html)

JT: I'm not buying this crap! Obama was most likely up on dope! That's what dopes do when they don't know what to do. They get high on dope!

(<http://iowntheworld.com/blog/?p=186146>) "Brooklyn, NY – King's County Bar will be hosting its very first 'Smallest Penis Contest' this summer.

On July 20, owners are hoping that New York's smallest sausage kings will turn out in force to compete for the dubious honor. They posted an ad to Craigslist, where they say they are seeking 'less endowed men.'

Through the 'Smallest Penis Contest,' King's County Bar is hoping to prove that 'good things can come in small packages.' They write that the contest will be 'pageant style' and will involve 'talent, evening wear, and swimsuit elements.'

They say that the winner will be selected by a 'small member expert panel.' We'll let you fill in the blanks there.

The brave souls entering the competition have to be 21 or older, and have to be present for the day of the ~~shaming~~ contest. The ad states that contestants 'should be comfortable getting hosed down while wearing only skimpy underwear.' Well, drinks would help."

JT: Moosechelleallah says the Barka Dog is a deli do-do!

JT: Let's look at some Obama Regime Mafia connections. Some critics contend that Ben Rhodes, a chief advisor to Obama, was the architect of the Benghazi cover-up. David Rhodes, the president of CBS News is the brother of Ben Rhodes. Ben Sherwood is the president of ABC News and his sister Elizabeth Sherwood-Randall, is a Special Assistant to Obama. The CNN deputy bureau chief Virginia Moseley's husband is Tom Niles, a former deputy to Hillary Clinton. Susan Rice, the incompetent United States ambassador to the United Nations, is married to ABC News producer Ian Cameron. Now you can puke!

JT: Who Michelle is married to we don't know!

JT: Aren't Islam and Moslems so peaceful, tolerant, and respectful? I guess this is the kind of mentality and behavior one develops when being under the control of the moon god Allah-Hubal!

JT: From <http://iowntheworld.com/blog/?p=186271> we read a simple truth:

"A Lesson in Oxymora

The Food Stamp Program, administered by the U.S. Department of Agriculture, is proud to be distributing this year the greatest amount of free Meals and Food Stamps ever, to 46 million people.

Meanwhile, the National Park Service, administered by the U.S. Department of the Interior, asks us "Please Do Not Feed the Animals." Their stated reason for the policy

is because “The animals will grow dependent on handouts and will not learn to take care of themselves.”

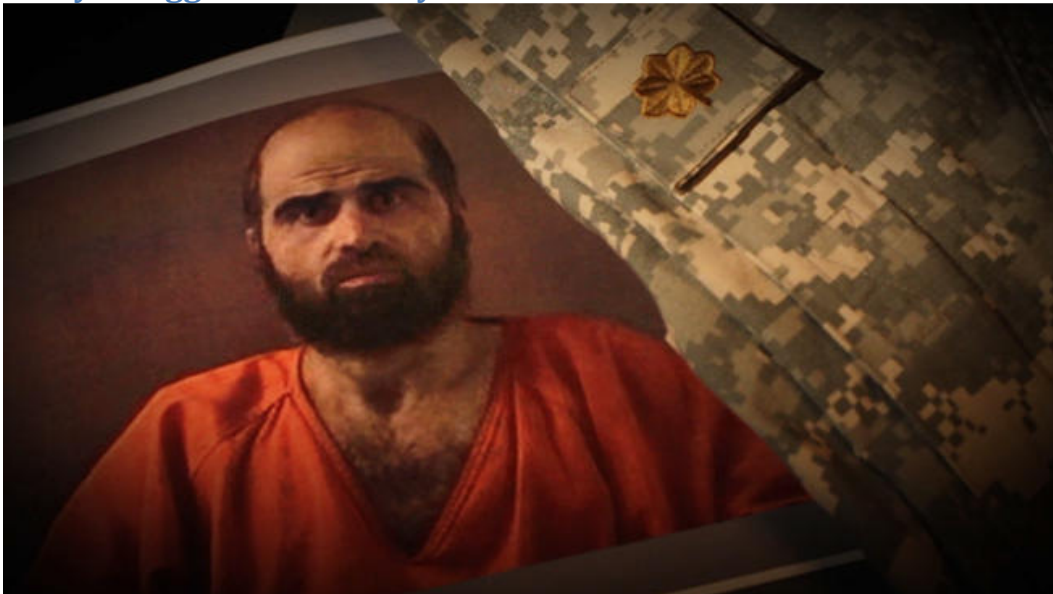

Thus ends today’s lesson!

JT: Methinks the logic cannot be contested. Muslims must behead Muslims. There is no greater insult than Islam and no greater insulters than those who believe in Islam.

Don Fredrick in the May Issue of The Obama Timeline reports the following from Daily Caller.com:

“The ‘charity’ run by ...Obama’s half-brother that was fast-tracked for IRS tax-exempt status is based at a Virginia UPS store, according to its website. The organization’s IRS filings list another Virginia address that is actually a drug rehab center where the foundation does not appear ever to have been based.” According to Shoebat.com, “The Barack H. Obama Foundation (BHOF) and Mama Sarah Obama Foundation (MSOF), are two entities claiming to be non-profit charities yet solicit funds from the United States. The money they claim is to build homes for widows, orphans and HIV/AIDS victims that are nowhere to be found. The only evidence where monies were spent involves a compound, which housed Malik’s 12 wives with a restaurant including a mosque with a madrassa. While building mosques is legally considered charity, evidence shows that the entire funding came directly from entities and individuals from Saudi Arabia, Qatar and Bahrain. There is nothing of charitable nature to show for all the funds Malik raises from the United States. To date, there is no evidence for any accomplishments towards building homes for orphans, widows and AIDS victims in Kogelo or anywhere else in Kenya.”

JT: Methinks this is an insult to beads and bangles! I wonder if those beads and bangles strangle.

JT: Obama's speeches are pompous, dangerous kitsch! (Just a spontaneous thought, but a truthful one!)

Attorney General Eric Holder writes a letter to Senator Patrick Leahy (D-VT) in which he concedes that four Americans have been killed by drone strikes since Obama entered the Oval office: They are: Anwar al-Awlaki, Samir Khan, Jude Kennan Mohammed, and Awlaki's 16-year-old son Abdulrahman Anwar al-Awlaki.

(<http://www.foxnews.com/politics/2013/05/22/four-americans-killed-since-200-in-drone-strikes-holder-says/>)

Obama and Senator Mark Udall (D-CO) are bested by Senators Saxby Chambliss (R-GA) and Bob Corker (R-TN) win in a game of golf against Obama and Senator Mark Udall (D-CO). 'Don Fredrick of The Obama timeline notes that "despite his years of practice at the game, Obama has the highest handicap of the four players.")

JT: This doesn't surprise me. All liars have high handicaps!

JT: Obama was illegally elected to an illegal second term. The goal now is to protect Hillallahry Clinton to assure her election as President in 2016. If she becomes President, she must have an intern named Manik Leudinshe.

societies. We pay special tribute to those journalists who have sacrificed their lives, freedom or personal well-being in pursuit of truth and justice.”

At the \$34,000-per-person fundraiser in the mansion of Hollywood producer Harvey Weinstein, Obama strangely comments, “More than anything, what I will be striving for over the next three and a half years is to see if that spirit we saw in Boston [after the terrorist bombing] and West Texas [after a deadly industrial explosion], to see if we can institutionalize that [and] if we can create a framework where everybody’s working together and moving this country forward.” (<http://dailycaller.com/2013/05/13/obama-hopes-for-extended-crisis-atmosphere/>)

The May issue of The Obama Timeline reports that "the chairman emeritus of the National Association for the Advancement of Colored People, Julian Bond, appears on MSNBC and says the IRS was right to target Tea Party groups because they are 'overtly racist' and the 'Taliban wing of American politics. ...I don't think there's a double standard at all. Levin asked the IRS to investigate Americans for Prosperity, 60 Plus Association, Patriot Majority USA, and Club for Growth."
