## JUST THINKING

Number 61

JT: This toilet paper is new on the market:

Source: <http://cheaperthanashrink.net/wp-content/uploads/2012/08/Obama-Toilet-Paper.jpg>

It doesn't meet my standards because it's too thin and not durable. However, I'm told that Michelle loves it!

JT: Muhammad, Allah, and the Koran commanded him to do it! After all, it's better than killing a non-believer!

\*\*\*

KCENTV.com reports, "A group of [U.S.] soldiers are preparing for their deployment to Egypt with riot training on post [Fort Hood, Texas]. They're planning ahead for violent protests or riots and the possibility of protecting the country's border with Israel. Soldiers encountered Molotov cocktails and other dangerous items in the training." (Don Fredrick comments, "Most Americans are no doubt unaware that the Obama administration is preparing U.S. troops to fight Israelis.")  
<http://www.kcentv.com/story/22647545/riot-control-training> and  
<http://www.jihadwatch.org/2013/06/obama-sending-us-soldiers-to-egypt-to-put-down-anti-muslim-brotherhood-riots.html>

JT: An established D-Day for the United States and Egyptian Forces to invade Israel has not been decided. Some rumors say that it will be on September 11, 2013.

JT: Methinks that this is a perfect symbol of Obama's capabilities on all fronts as a politician.

\*\*\*

Obama's approval rating falls to 45 percent in the Gallup poll, with his disapproval rating increasing to 49 percent. (<http://www.gallup.com/poll/113980/Gallup-Daily-Obama-Job-Approval.aspx>).

JT: This proves that 45% of Americans are still dumb!

\*\*\*

*The Obama Timeline* reports from <http://redflagnews.com/headlines/urgent-whistle-blower-comes-forward-attests-to-attorney-that-obamas-financial-aid-state-his-citizenship-indonesian-aid-given-to-obama-as-a-foreign-student> that "A whistleblower from the Higher Education Services Corporation in Albany, New York comes forward to tell eligibility-challenge attorney Dr. Orly Taitz that Obama was registered in college as a foreign student from Indonesia and given financial aid on that basis. The whistleblower states that she personally reviewed Barack Obama's financial aid information."

JT: I have known it since he went to Indonesia in 1967. As for the whistleblower, could it be that she has finally understood the natural born citizen clause and the citizenship requirements to be a president of the United States of America? Has she finally listened to her conscience?

\*\*\*

Another report from *The Obama Timeline* is that Blogger John Gaultier posts a copy of Stanley Ann Dunham's Form SS-5, the document filled out when requesting a Social Security number. The form, obtained via a Freedom of Information Act request, was signed by Dunham and dated May 22, 1959, when she was still 16 years old. But the form has a "Revised 7-65" notation on the bottom—which means it is a forgery. (Don Fredrick comments: "Obama's mother certainly could not have signed a form *six years before that version existed*. The 1959 and 1965 versions of the forms are almost identical, which may explain why the forger made the mistake.") <http://john-gaultier.blogspot.com/2013/06/exposed-obamas-momma-also-has-fake.html> <http://www.scribd.com/doc/57873092/Irrefutable-Proof-Obama-s-Mother-s-Social-Security-Number-Application-Fraudulent>

JT: Now, Obama has **never** falsified any of his documents, why would a document concerning his mother be falsified?

\*\*\*

DCClothesline.com (<http://dccllothesline.com/2013/06/11/fox-news-staffer-says-network-refuses-to-report-obama-identity-fraud/>) reports, "While interviewing the fearless Pastor James David Manning on the Tea Party Power Hour, host Mark Gillar made this astonishing statement (beginning at 05:55 mark): 'There was someone within Fox News... who actually went to Sheriff [Joe] Arpaio and Mike Zullo [the leader of Arpaio's Cold Case Posse team investigating Obama's phony birth certificate and strange Connecticut-issued Social Security number] and said: 'I am very sorry. I have tried to get Fox News to tell the truth on this. I have looked at your evidence that you

presented at your press conferences. I know you have the goods on ...Obama. I know that he has multiple cases of document fraud that can be proven in a court of law. I wanted Fox to run a story on that, and they said 'Absolutely no way.' So I am here to apologize to you because my network will not tell the truth.”

JT: As a child I learned that a FOX is clever and persistent. Now this FOX has turned chicken! Could this be because the Saudi Prince Alwaleed Bin Talal, a Muslim rooster that controls chickens is the second largest shareholder of Newscorp to which Fox News belongs. Read: <http://shoebat.com/2013/04/25/a-contrast-a-saudi-princes-influence-on-fox-news-vs-murdoch-family-lack-of-influence-on-rotana/>.

Dear XXX

I've run my last campaign -- something Michelle is very happy about.

All I am focused on is governing -- on making sure that our country is stronger and more prosperous than it was before I took office. And I need more members of Congress with that same attitude.

In under a week, Democrats across the country will face an important fundraising deadline -- and how much we raise in the next few days will go a long way toward determining whether or not our Democratic candidates are set up to succeed.

**[Chip in \\$5 or more to support Democrats who will stand with me and look out for you, not for special interests.](#)**

I want to make sure that we've got leaders who are looking out for all of us -- who are committed to growing this economy in a broad-based way for everybody so that every child in America can succeed -- no matter what they look like, where they come from, or what their last name is.

And in order for that to happen, I need you to be just as engaged as you were in 2012 and 2008, (name).

The work we do now could determine whether or not we'll be able to finish what we started four years ago.

Chip in today to help elect Democrats who will finish the job:

Thanks,

Barack

From: <http://alltherightsnark.org/our-african-queens/> Our African Queens

Barry and Mooch et al will be spending over \$100 million of YOUR money on a luxurious vacation to Senegal, South Africa and Tanzania. What is African Royalty for if not to spend American taxpayer's money on themselves, their deserving children and so many, many close friends? If YOU lived in the White House, wouldn't you take everything you could get your hands on while you have the chance? No??? Well, you just don't know how to live like the Obama's then!

<http://www.bizpacreview.com/2013/06/22/steep-price-tag-of-obamas-african-trip-blamed-on-secret-service-78462> "...The Washington Post reported the **Obama's trip** to Senegal, South Africa and Tanzania may cost the taxpayers as much as \$100 million..."

(singing)

"Wimoweh! Wimoweh!

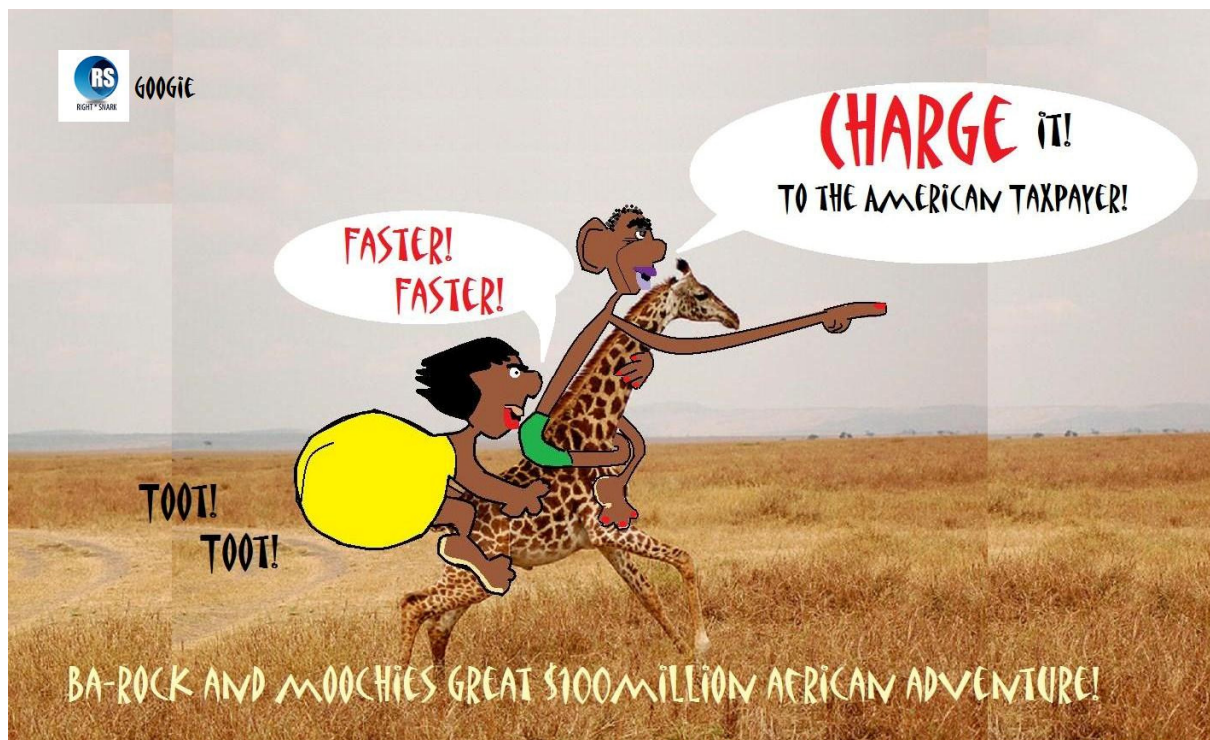

In the jungle, the mighty jungle

The lion sleeps tonight

In the jungle the quiet jungle  
The lion sleeps tonight.”

Too bad the American people can't sleep quietly at night; they have to work night and day to pay for these African Queens.

- See more at: <http://alltherightsnark.org/our-african-queens/#sthash.JyxUItPN.dpuf>.

JT: The American taxpayers have to support Obamas on their African holidays. Making them stay in Washington, D.C. would constitute *cruel and unusual punishment!*

\*\*\*

LATimes.com reports that “CIA operatives and U.S. special operations troops have been secretly training Syrian rebels with anti-tank and anti-aircraft weapons since late last year, months before ...Obama approved plans to begin directly arming them, according to U.S. officials and rebel commanders.” [46012]

JT: Satan is alive and well under the pseudonym Obama.

FrontPageMag.com reports, "Late last Sunday night, a 23-year-old woman in Oscarshamn [Sweden], a town of 17,000 people that's about halfway between Mecca and Medina—sorry, I mean Stockholm and Malmö—was on her way home when she was stopped by three young [Muslim] men of foreign origin. 'Are you Swedish?' they asked her. When she said yes, they hit her so hard that she fell to the ground. Then, looking down at her, lying there at their feet, they said: 'Welcome to Sweden. It's our country now, not yours.'" (<http://frontpagemag.com/2013/bruce-bawer/if-you-cant-beat-em-join-em/>)

JT: Well, what's wrong with that? Norway is Islamic and Judenfrei. Sweden is Islamic and almost Judenfrei. Finland is next, then Denmark, then Germany. Parts of Holland are Islamic and Judenfrei. Parts of the United States of America are

Islamic (Dearborn Michigan is an example), and Judenfrei. Why should anybody have anything against this peaceful, tolerant religion?

\*\*\*

From *Der Spiegel* (<http://www.spiegel.de/international/world/diplomats-defect-as-western-withdrawal-from-afghanistan-nears-a-907601.html>), “The situation in Afghanistan is becoming so precarious that Afghan diplomats no longer want to return to their homeland. Up to 100 foreign service employees set for rotation back to Kabul from assignments abroad have now defected. A total of 105 Afghan diplomats were meant to report for duty at the Foreign Ministry in Kabul on Saturday. They were being rotated out of their foreign postings as scheduled, and it was time to return to headquarters. Yet just five of them have resurfaced. The others have apparently remained in the countries where they had been posted, among them several employees of the Afghan Embassy in Berlin.”

JT: The diplomats not returning to Afghanistan are not as dumb as Obama thinks they are! Within a few weeks after Obama makes so-called peace in Afghanistan, in reality surrender, the country will fall like a house of cards and Afghanistan will be renamed Aftalibanistan.

By a vote of 97–1 the Senate confirms Penny Pritzker as Obama’s new Secretary of Commerce. JT: Well, during the last five years commerce in the United States wasn't worth much. Now it's not worth a penny.

\*\*\*

Jeb Bush, former governor of Florida says, “...Obama has many gifts, but one thing he doesn’t seem to understand is basic economics. He has this almost naive view that America’s economy is so strong he can do anything to it and nothing bad will happen. You can nationalize healthcare... raise taxes and fees, regulate with abandon... \$1 trillion deficits annually, demonize small-business owners and successful investors—and in Barack Obama’s world, it doesn’t even leave a mark. ...More than four years after the end of the 2008 recession we’re still several million jobs short of where we were. We are more than \$6 trillion further in debt. We have 8 million Americans who have given up looking for work. We’ve had more than four years to see what Barack Obama knows about economics, and the truth is, with all due respect, he is an utter and complete failure. ...Will America continue to be the best hope for freedom and opportunity on the face of the earth? Or will it go down the path of diminished expectations? Let’s be really blunt. ...Obama isn’t making good choices. On energy, he waffles. On immigration, he hasn’t led. On foreign policy, he doesn’t lead, even from behind. On the [issues of] family, he is captive to the special interests of the left.”

([http://www.newsmax.com/Newsfront/jeb-bush-obama-conservative/2013/06/25/id/511909?s=al&promo\\_code=13F76-1](http://www.newsmax.com/Newsfront/jeb-bush-obama-conservative/2013/06/25/id/511909?s=al&promo_code=13F76-1))

JT: The passages that I have underlined are examples of political correctness. It would have been better and the truth to say *Obama has many evil gifts and with no due respect*. More often than not "with all due respect" is a positive statement. Now for Jeb Bush! Get the political correctness crap out of your head and away from your tongue. Being politically correct is a method of surrendering to your adversaries.

We read at <http://www.westernjournalism.com/obama-administration-facing-massive-federal-lawsuit/>, "A lawsuit seeking the return of \$43 trillion (with a 't') and an audit of all the TARP programs by an independent receiver has been filed against senior members of the Obama Administration and the New York group known as the 'Banksters.' The Wall Street Journal's MarketWatch is reporting that the Spire Law Group, LLP has moved its mass tort action into the federal court in Brooklyn, New York. In this District Court lawsuit (Case No. 12-cv-04269-JBW-RML), the Spire Law Group, LLP is acting on the behalf of homeowners across the country seeking to halt all foreclosures nationwide until the return of the \$43 trillion. The independent audit the lawsuit is seeking of the TARP Program stems from a report by the former Inspector General of the bailout program, Neil Barofsky, who is countering the claims made by ...Obama both publicly and privately to Congress that the money has been paid back. Mr. Barofsky asserts that none of the money advanced by the Treasury has ever been paid back by the recipients of the program. The Plaintiffs have established the location of the \$43 trillion of laundered money in a criminal racketeering enterprise participated in by the following individuals: Eric Holder, Tony West, Kamala Harris, Jon Corzine, Robert Rubin, Timothy Geitner [sic; Geithner], Vikram Pandit, Valerie Jarrett, Anita Dunn, Robert Baueras [sic; probably Robert Bauer]."

Did anyone notice that the Gang of 8 Immigration Amnesty Bill decriminalizes:

1. 'Falsely representing or knowingly using a Social Security Number obtained with false information'
2. 'Falsely claiming citizenship on Form I-9'
3. 'Knowingly altering a Social Security Card'
4. 'Document fraud to prove eligibility for employment'

If you believe the allegations of Social Security, foreign student and birth certificate fraud by Obama, don't you find it incredibly convenient that the list above just happens to be exactly what Obama is guilty of?

Ramming the amnesty bill through is not only essential to preventing Americans from reading the actual bill, much like Obamacare, but it also seems to have the goal of heading off any legal challenge to Obama's identity theft, fraud, etc.

JT: Hey! This would mean that Obama is an undocumented, illegal, immigrant charlatan, usurper, and traitor. Arrest him! Try him! Convict him! Of course the next step would be execution. However, some idiot President, Democrat or Republican, would pardon him!
