## JUST THINKING

Number 62

At <http://alltherightsnark.org/dianny-rants-finally-scotus-gives-the-left-a-group-they-can-h8/> we read the following concerning the Supreme Court's decision to allow gay and lesbian marriages: "As Ben Shapiro wrote today at [Breitbart](#), this ruling by the Supreme Court has opened the door to the IRS revoking tax-exempt status to any church that would refuse to permit two homosexuals to hold their "wedding" within its walls.

Don't think that will happen?

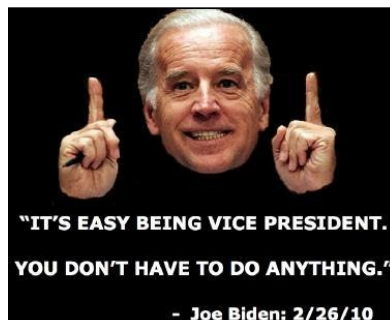

Think again.

As it is, homosexual couples are suing bakeries, florists and other businesses for refusing to provide them with the trappings of their upcoming nuptials.

You don't think homosexual couples won't pursue lawsuits against churches for refusing to "marry" them?

JT: This is my logic. The two haters of the *Constitution for the United States of America* who are Supreme Court judges are Elena Kagan and Sonia Sotomayor. They were appointed by Barack Hussein Obama. Barack Hussein Obama is an illegally elected president usurper. Every decision he makes in his usurped office is null and void because he is illegal. Even if his appointees have been confirmed by the Senate, this means that they have confirmed illegal nominees, in this case Kagan and Sotomayor. Therefore the Supreme Court's decision is not legal and binding. As a matter of fact, all of the Supreme Court's decisions under the putative puke of a president Barack Hussein Obama are null and void. Everything that Barack Hussein Obama has done is null and void. However, Americans have been so dumbed down by Liberals and the Democratic Party that they cannot comprehend this simple logic. There should be a nation-wide non-violent non-acceptance of Barack Hussein Obama's decision. Just don't obey laws that are illegal because the perpetrators are illegal.

<http://pittsburgh.cbslocal.com/2013/06/26/2-men-rob-erie-man-of-condom-at-knifepoint/> "ERIE, Pa. (AP) – Emergency dispatchers say a northwestern Pennsylvania man reported being robbed at knifepoint by two men who took only a condom from the victim.

Erie police tell The Associated Press they have no new information to release about the incident.

The Erie Times-News reports the incident happened about 10:30 p.m. on the city's East Side.

Erie County emergency dispatchers confirmed the report, but offered no additional details.

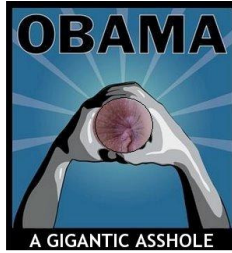

JT: Rumor has it that the two men are Islamists with little knowledge of English. They thought they were robbing him of his condominium home.

"During his stop in **Senegal**, **President Obama** was photographed in the "**Door of No Return**" on the island of Goree, said to be an entrance to a slave house through which many passed to be shipped off to other lands. However, historians have cast doubt on the role of the island in the slave trade and say the site may have been used as a garbage dump. As odd as it may sound from me," Putin told a news conference in Moscow, reported RT television network. Putin insisted Russia is not going to extradite Snowden, however, refusing a demand from President Obama that Snowden be returned to the USA to face charges of espionage. 'Russia has never extradited anyone and is not going to do so,' Putin said."
