JUST THINKING

Number 64

We read at <http://www.breitbart.com/Breitbart-TV/2013/07/27/Obama-Uses-Weekly-Address-to-Promote-His-Phony-Scandal-Narrative> that Barack Hussein Obama calls, the Benghazi murder, Operation Fast and Furious, the IRS screening of conservative organizations, favored treatments of Islam and Muslims, ousting of President Hosni Mubarak of Egypt, the elimination of Muammar Muhammad Abdassalam Abu Minyar al-Gaddafi, the NSA spying, etc, phony scandals.

JT: What else do you expect from a phony? It is interesting that Obama calls something phony, what he actually he!

<http://news.investors.com/ibd-editorials/072413-664992-obama-demands-vets-pay-more-for-tricare.htm#ixzz2a0z2p488>

JT: I demand they pay the price for treason!

We read at <http://worldduh.com/2013/07/28/zambian-teachers-say-they-live-in-fear-of-invisible-sex-with-witches-the-witches-have-yet-to-comment/> that "Zambian teachers say they live in fear of 'invisible sex' with witches. The witches have yet to comment."

JT: Rumor has it that the *invisible sex with witches disease* started in Chicago with BHO and MRO. BHO is still addicted. When MRO is on her *invisible sex with witches disease* cold turkey, MRO is filled with joy every time she bites into a bloody ketchup XXXLLL burger!

We read at http://www.weeklystandard.com/blogs/obama-i-ve-got-little-over-1200-days-left-office_740820.html that Obama says, "I always remind people, I've run my last campaign. ... I've got a little over 1,200 days left in office.

JT: Methinks Obama is telling the truth this time. After the 1,200 days in office there will be no United States of America left in which presidential campaigns can take place. There will be nothing but a banana republic where the power is passed on from one Democratic Party dictatorship to another with the Republican Party all the while approving of the dictatorial measures because they will have been guaranteed a few seats as onlookers in the dictatorship.

JT: Another proof of the peacefulness and toleration of Muslims and Islam. However, the *Daily Mail* didn't even mention the M word and I word. Evidently the *Daily Mail* has sold out to Islam!

<http://clashdaily.com/2013/07/american-muslim-discovered-to-be-wanted-war-criminal/>

JT: How can that be? He is so peaceful and tolerant and was supported by the government.

We read at <http://edition.cnn.com/2013/07/31/politics/benghazi-investigation-suspect/index.html>; <http://hotair.com/archives/2013/07/31/lawmakers-why-hasnt-fbi-talked-to-benghazi-player-cnn-found-carney-um/>; and <http://hotair.com/archives/2013/07/31/cnn-we-interviewed-a-lead-benghazi-suspect-whom-the-feds-apparently-cant-find-for-two-hours/> that Congressman Jason Chaffetz (R-UT) tells reporters, "One of the pertinent questions today is why we have not captured or killed the terrorist who committed these attacks [in Benghazi]? [There is] News out today that CNN was able to go in and talk to one of the suspected terrorists [Ahmed Abu Khattala, leader of Ansar al-Sharia], how come the military hasn't been

able to get after them and capture or kill the people? How come the FBI isn't doing this and yet CNN is?"

At <http://pjmedia.com/tatler/2013/07/31/graham-special-ops-intel-personnel-telling-him-they-have-benghazi-leads-but-not-allowed-to-chase-them/> we read of possible reasons why those terrorists behind Benghazi killings have not been found and executed. Senator Lindsey Graham (R-SC): "CNN found [Ahmed Abu Khattala] within two hours. Apparently we [the government] can't find him. Maybe we need to contract out to the media to go get these suspects. But this is a pathetic effort to bring people to justice. ...[I have had] special forces operatives and intelligence community personnel come up to me over the last two months and say they've got great leads, know where other members who planned the attacks are located in Libya and can't get approval to go after them. This is not a phony scandal. This is a pathetic effort to bring people to justice. I think if you've got these folks, you would find out how terrorist-centered this attack was. It was not based on a video. Maybe they're still looking for the guy from the video and that's why they can't find these folks. I don't know. But my belief is the people who killed our folks are wandering around Libya in the wide open and we aren't doing a damn thing about it. ...At the end of the day, we're almost a year out from Benghazi, not one person has been put in jail, but CNN was able to find the leader of the organization responsible for the attack after a two-hour effort in Benghazi, no one has been brought to jail. We still don't know if Hillary Clinton approved the consulate to be opened after it failed the security inspection. We still have no idea who changed the talking points to start this lie that it was a video—riot caused by a video. The basics of what happened in Benghazi are unknown and the Congress has never been able to interview one survivor. They're writing books, they're appearing on TV. This has to stop. This is not a scandal. This is a national security failure where four brave Americans died and we're doing nothing to bring the people to justice, to understand how it failed."

JT: I have my own theory. Obama doesn't want them found and executed!

At <http://www.worldtribune.com/2013/08/01/diplomat-obama-approved-intelligence-leaks-on-israeli-air-strikes-in-syria/> we are informed that "The U.S. intelligence community leaked information on Israeli air strikes on Syria, sources said. Diplomats said the [Obama] administration... has enabled the intelligence community to disclose Israeli military operations against the regime of Syrian President Bashar Assad. ... The leaks included unreported Israeli air and naval strikes on advanced Iranian and Russian weapons that arrived in 2013. 'This is a decision that could come only from Obama,' a diplomat said. '[T]his reflects his dismay over the Israeli operations, which [Obama] believes could result in a regional war.' ...The diplomats said Israel has protested the U.S. leaks, which increased tension with Damascus. They said the purported CIA leaks have strained relations with Israel's intelligence community, particularly the Mossad. The CIA director is John Brennan, regarded as a confidant of Obama. 'The Israelis have also been going to their friends in Congress to stop the leaks,' the diplomat said."

JT: Methinks Obama should seek asylum in some fourth world country for leaking such information.

IOwnThe World "longs for the day when we can use the words 'the last progressive has been eradicated'" (<http://iowntheworld.com/blog/?p=196693>) because "Seattle officials call for ban on 'potentially offensive' language" (<http://www.foxnews.com/politics/2013/08/02/seattle-officials-call-for-ban-on-potentially-offensive-language/#ixzz2aornul4A>)

JT: Methinks that *being eradicated* is the ultimate form of censorship, a very good condition for progressives.

JT: Someone must tell the Obama regime that the truth cannot be hidden forever and that the truth does not go by any other name!

JT: Don Fredrick at *The Obama Timeline* (<http://www.theobamatimeline.com/>) posted the image below and asked the question *Why does Obama appoint men who have female hairdos and women who have male hairdos?*

Left is Ernest Moniz, new Secretary of the Department of Energy. In the middle is Gina McCarthy the new chief of the Environmental Protection Agency. On the right is the usurper of the Oval Office, real name unknown.

Because he despises everything about America's culture and values, and nearly all of his actions are based on sticking his thumb in the eye of all of those he hates. He is, "the revenge of the freaks". Thus the fundamental transformation of everything good about America.

I was raised to not hate anybody, but this is one man that I gladly make an exception to that belief. I despise him.

It signals the reversion of all values :

- feminine men, virile women
- socialist enterprises, capitalist governments
- militarized neighborhood, policed foreign lands
- banks robbing customers, thieves managing banks
- media misinforming the people
- lost of privacy, whilst the government is turning private and secretive
- etc

American women—in general—are no more feminine — no more wearing high heels, no skirt, no long hair. Etc. They speak loudly.

And American men are turning metrosexual: perfume, shaved legs, manicure, etc.

He's a homo and a communist to boot and it just happens that the flavors he prefers happen to be homos too (see Kagan and Sotomayer)

To most of us, it's meter pegging embarrassing, so imagine how far removed Obama is to continue making these appointments.

He's got a small army, heavily armed, that is sworn to protect him whereas on the field behind my high school, he would have got his ass waxed on a continual basis. In fact, I contend that the very lack of ass kicking he missed has allowed him to believe he can get away with anything....oh wait, HE IS!

@Chalupa – I think you've got it with O's narcissism. He is so deeply and completely narcissistic, so totally focused on himself to the exclusion of all else, he probably simply doesn't notice most of the people around him, much less care what they look like. After doing the absolute minimum about externalities, he goes back to his mirror.

Because in his world and that of his party; darkness is light, truth is lie, honesty is deception, his friends are our enemies, patriots are terrorists, fair is unfair and justice is injustice. So it follows that men are women and women are men.

To understand a progressive's thinking simply take common sense and invert it.

Finally here's JT's suggestion for the hairdo for the person calling himself Barack Hussein Obama. The hairdo is called the *evil dunce cap*.
