JUST THINKING

Number 66

JT: They are all POLDS (Progressives, Obots, Liberals, Dumbed-downers, Socialists)!

<http://frontpagemag.com/2013/arnold-ahlert/a-scandal-bigger-than-benghazi/>

JT: Rumor has it that the White House says this is just another phony scandal and that Joe Biden is purely innocent.

JT: Some visitors to the Missouri State Fair think this is racism. I think it's the truth. Obama is a clown ... A DANGEROUS CLOWN! Notice how he is supported by Valerie Jarrett! Inside information has notified JT that she actually rides the broom, but that you can't see her in this image because she is so far into Obama where the sun doesn't shine that she is out of view.

JT: You can use it to lose weight. It glues the lips together so you can't eat! Michelle doesn't recommend it for either opening.

The Obama Timeline reports that the State Department offers “a \$10 million reward for information that helps authorities kill or capture Abu Bakr al-Baghdadi.” The reward is prompted by a terrorist attack in Baghdad, Iraq—not an attack on *Americans*, but an attack on *Muslim families* celebrating the end of Ramadan. State Department spokesperson Jan Psaki states, “The terrorists who committed these acts are enemies of Islam and a shared enemy of the United States, Iraq, and the international community.” (Remarkably, the Obama administration has done next to nothing to bring to justice the perpetrators of the Benghazi attack that killed four Americans, but is eager to spend taxpayer dollars to obtain justice for Iraqi Muslims. At AtlasShrugs.com Pamela Geller writes, “This is one step beyond The Twilight Zone... it's the O'Zone, just as poisonous and deadly.”)

JT: Elect him to Congress and then Speaker of the House!

At http://www.wnd.com/2013/08/turn-off-mainstream-media-for-good/?cat_orig=diversions, we read in full:

"This week's column takes us surfin' to some blogsites that over time, have become my favorites. I'll start by reminding you that these bloggers' bank accounts rarely see a steady paycheck for doing the unassailable journalistic work the corporate media abandoned long ago, although [a few do post at online media sites](#) that earn them pennies a click.

Their veracity is never in doubt because they double/triple check their sources, issue citation links to original documents and conduct their own interviews.

Example: From the day of the shooting and throughout the Trayvon Martin/George Zimmerman trial, [The Conservative Treehouse](#) team revealed the ugly underbelly of corruption and racially-motivated shenanigans associated with the media coverage and the trial. In no small measure, [their investigative journalism](#) led to a [grand jury indictment against Florida State Attorney Angela Corey](#) for "intentionally withholding photographic evidence of the injuries to George Zimmerman's head in the warrant she allegedly rushed to issue under oath, in an effort to boost her reelection prospects."

With [help from reader donations](#), Treehouse spent from their own pockets to travel to Sanford, Jacksonville and Miami to interview those involved, make long distance phone calls, and [file Freedom of Information requests for documents](#) that helped expose the game players in this racially-motivated courtroom drama.

As recently as this past Sunday, Treehouse published yet another [exclusive, this time exposing decision-makers at the Orlando Sentinel](#) newspaper who deliberately slanted or played the Trayvon/Zimmerman coverage. The expose' also showed that investigative journalism, [with rare exception](#), is no longer practiced in the media marketplace.

Gun bloggers

When it comes to gun control and related Second Amendment concerns, three bloggers get my attention for their dogged persistence in revealing the truth about what the federal

government and their local acolytes are doing to wrest away our right to bear arms: [Western Rifle Shooters Association](#) and [award-winning](#) bloggers [David Codrea](#) and Mike Vanderbeogh of [Sipsey Street Irregulars](#). The latter two broke the [Fast & Furious scandal](#), exposing the light of day on allegations by whistleblowing ATF insiders.

This trio of media bloggers also [link to other intrepid, unpaid reporters](#) who expose government gun grabbers' constant attempts to render us defenseless against criminals, both elected and otherwise.

Politics

For insightful political commentary, the ascendancy of [Bill Whittle](#) who hosts a weekly video commentary titled "Afterburner" for [PJTV.com](#), is remarkable to witness. He is among, if not *the* best.

Increasingly sought by [top conservative organizations to speak](#) at their events, Whittle, a pilot, author, screenwriter, editor and director, points out in logical, rapid-fire bursts, the absurdities and fallacies of our political system and social problems. His video commentary about the Trayvon/Zimmerman case titled ["The Lynching"](#) attracted close to two million views, and his "Virtual President" vids are among his most popular. Watch this soft-spoken pilot kick in the "afterburners" and punch through the firewall. He's going places.

Snarky fun

For sheer entertainment of a politically intellectual bent, here's a *partial* list of my favorites:

For sheer entertainment of a politically intellectual bent, here's a *partial* list of my favorites:

[I Own The World](#) – [Readers' comments are often funnier than the blog](#). [Visual puns](#), quizzes and cutting edge contests drummed up by blog host and graphic illustrator "Big Fur Hat" and his sidekicks "Mr. Pinko," "Irony Curtain" and "Cardigan" keep readers enthralled, engaged and entertained. Well, maybe *not* enthralled. ... Caution: Frequent (but hilarious) adult content.

[Michelle's Mirror](#) – For pure snark, this award-winning blog takes a clever look at the First Lady from the perspective of her mirror. Featuring "Bo the Dog," "Won the President and the Wee Wons," "Michelle's Organic Garden," "The Boob Belt" and so much more, this is a must-read for Flotus "fans."

[The People's Cube](#) – Satire of America as seen through the eyes of a former Soviet agitprop artist. Snark straight from the heart of Marx. Part-time workers, unite!

[The Powers That Be](#) – Master of one-liners and guest writer at [Michelle Malkin's popular blogsite](#) Doug Powers takes a comedy gold blowtorch to political newsmakers.

In his latest commentary headlined ["Obama Says Russia Better Get Some Gay Olympic Athletes if They Want a Good Team"](#), Powers writes, "Putin and Medvedev must spend *at least* a couple hours a day laughing at this guy. ... If reality avoidance were an Olympic sport, Obama would take home the gold."

Islamification

About the wonderful world of jihad and its termite-like infestation into our government, society, judicial system and culture, [Gates of Vienna](#), [Atlas Shrugs](#) and [JihadWatch](#) provide the most comprehensive view and reportage. These sites are consistently ahead of the curve, fumigating jihadist termite infestation by spreading truth about the “religion of peace” that has CAIR ululating and the mainstream media ignoring.

Sites worthy of a bookmark

[The Gateway Pundit](#) – Jim Hoft and his team typically have the news. First.

[Weasel Zippers](#) – Scouring the bowels of the Internet so you don’t have to.

[Director Blue](#) – Doug Ross, keeper of such things as [The Complete Benghazi Timeline](#); [The Complete IRS Scandal Timeline](#); [Obama’s Complete List of Historic Firsts](#); and [The Top 150 Conservative Websites](#).

[The Other McCain](#) – Fedora-wearing newsman R. Stacy McCain has his finger in every pot of ink.

[The Noisy Room](#) – Owner TMH assembles the best of the blogosphere every day, including her own original commentary. Aptly named, The Noisy Room is a cacophony of video news clips, alert bells and clicking keyboards tapping it out 24/7.

[Trevor Loudon](#) – The New Zealander with a heart full of concern for America [is crossing the ocean](#) and making waves about it. [Big ones](#).

[Twitchy](#) – Who said what on Twitter? Curating the [snark](#), [breaking news](#) and [trending topics](#) on the popular social medium. Pop culture watchman on the wall.

[Memeorandum/Memorandum River](#) – An excellent resource for current news headlines and blogs that comment about it. I use this as well as [Drudge](#) and [Twitter](#) to keep my finger on the up-to-the-minute pulse of current events.

That’s enough of that

Michael Daniel, special assistant to the president and the cybersecurity coordinator, tells us why it’s in our best interest to support the president’s plan for giving up our privacy. You can read it at [Whitehouse.gov](#).

But you might want to first watch [this video](#) by the folks at Funny or Die. It’ll, um ... put you in the right frame of mind!

JT: Rumor has it that Muslims differentiate this from "workplace violence". They call it *workplace fun in the name of Mohammed and Allah!* Allah hump! Mohammed hump! Allah hump! Camels and sheep and donkeys are becoming lonely!

Hilarious Clinton calls the new North Carolina law (that requires voters to show identification) one of the "greatest hits of voter suppression. ...Unless the hole opened up by the Supreme Court's ruling is fixed... citizens will be disenfranchised, victimized by the law instead of served by it, and that progress, that historical progress toward a more perfect union, will go backwards instead of forward." (<http://dailycaller.com/2013/08/12/nc-gov-signs-voter-id-law/>; and <http://politicalticker.blogs.cnn.com/2013/08/12/hillary-clinton-jumps-back-into-political-fray-with-speech-on-voting-rights/>)

JT: And this is from CNN! Wow, what a scoop!

The latest Obama twitter is: "Gravity exists. The Earth is round. Climate change is happening."

JT: I've got news for you BHOSO the Clown, gravity doesn't exist. Gravity is more than just existence. Gravity is a natural phenomenon governed by natural law that attracts physical bodies to each other. The earth isn't round. The earth is uneven because mass is distributed unevenly through the earth. The earth and climate change isn't happening. The earth changes every second and climate change has been happening since the big bang!

Obama's former White House "body man" Reggie love says Obama played cards during the Osama bin Laden raid. Love: "Most people were like [sic] down in the Situation Room and [Obama] was like [sic], 'I'm not going to be down there, I can't watch this entire thing,' We must have played 15 games of [the card game] spades." JT: My name is Hillarious Clown Clinton and I want to be your next clown to portray a president.

At http://www.israelhayom.com/site/newsletter_opinion.php?id=5365 we read that Major Nidal Malik Hasan who shot and killed 13 American soldiers and an unborn baby in the November 5, 2009 Fort Hood Massacre that was decided to be workplace violence and not a jihad terrorist attack wants to die as an Islamic martyr and go to Jannah, the Islamic paradise.

JT: I think that he should be sentenced to death and executed by a FIRING SQUAD OF FEMALE SOLDIERS. According to the teachings of Islam that would negate his martyrdom and would send him to hell.

Nicolai Sennels at <http://www.jewsnews.co.il/2013/08/15/danish-psychologist-serious-consequences-of-muslim-inbreeding/> writes that Muslim inbreeding results in lower intelligence and impaired health.

JT: In this case the more inbreeding the better! Then place all of the idiots and those impaired with health problems on the Saudi Arabian Whabbite welfare dole, not on any western government dole.

We read at <http://www.vice.com/read/drilling-a-hole-in-your-head-for-a-higher-state-of-consciousness> that one can reach a higher state of consciousness through trepanation, drilling a hole in your head.

JT: JT has a whole lot of inside information (pun intended) that Barack and Michelle did this also. The process didn't work with them, however. Barack has only golf course holes in his wooden head and Michelle struck an XXXLLL cheeseburger in her cerebral junk food pile.

JT has received an exclusive photo of Barack Hussein Obama's vacation spot. He's not at Martha's Vinyard. He's growing a Muslim Brotherhood beard and relaxing somewhere on the US-Mexican border.

Disarmament Commission – Civilian Weapons Confiscation Study Group New York, 29-31 July 2013

The issue of military grade weaponry in the hands of civilians looms ever larger in the face of the global implementation of 22/Agenda 21 by member nations. In particular, the United States of America has an estimated 500 million weapons in the hands of its civilian population. This is not just a static problem, it is a massive dynamic problem for the process of confiscation as there will be those who refuse to surrender their firearms.

The conclusion of discussions by the CWCSG led to the adoption of a proposed agenda to begin the process for introducing to member nations a framework by which they can begin codification of national laws to disarm civilians within their borders through a graduated process.

Within the discussion framework, we have identified several problem areas that must be addressed, they are:

1. Classification of military grade weapons to be made illegal for possession.
2. Creation of programs to provide reasonable compensation for voluntary surrender of said arms.
3. Codification of laws to begin the restricting and strict licensing of concealable firearms.
4. Codification of laws to begin the restricting and strict licensing of hunting grade firearms.
5. Codification of laws to restrict the sale of, and possession of ammunition and components to manufacture ammunition.
6. Finally, codification of laws to completely makes any and all firearms illegal to own, possess or use outside of military and law enforcement usage.
7. Creation of a United Nations Police Taskforce with the specific mission of assisting member nations with the collection of weaponry from civilian hands.

The CWCSG will submit its findings and final recommendations once we have created the codification framework for member nations for a full review by the Office of the Secretary General.

JT: The document could be true and it could be false. If it is true, it doesn't surprise me and it's a very good reason to stop US membership in the UN. If it is false, then the UN will probably do everything it can to make it become true.

We read at <http://therightscoop.com/nbc-news-businesses-unions-colleges-all-say-employee-hours-being-cut-over-obamacare-but-wh-says-no-evidence/> that "NBC News contacted around 20 small businesses and other entities for this report and found that employee hours are being cut to 29 hours because of Obamacare, despite the delay of the employer mandate. But the White House, NBC News reports, says that there is no systematic evidence that this is because of Obamacare and dismisses the report as anecdotal."

JT: What difference does it make?

We read at <http://news.yahoo.com/insight-afghanistan-endgame-looms-deadly-edge-india-pakistan-080401185.html> that "Pakistan-based [Islamist] militants are preparing to take on India across the subcontinent once Western troops leave Afghanistan next year, several sources say, raising the risk of a dramatic spike in tensions between nuclear-armed rivals India and Pakistan. ...Hafiz Sayeed, founder of the [militant group] LeT [Lashkar-e-Taiba], has left no doubt that India's side of Kashmir will become a target, telling an Indian weekly recently: 'Full-scale armed Jihad will begin soon in Kashmir after American forces withdraw from Afghanistan.'"

JT: This doesn't surprise me. They will surely have Obama's backing. It will be an attempt to make Hindukush become Hindu-Indiakush. It is interesting to note that one meaning of Kush with the spelling Kosh k^hoʃ persisch (کش) is an imperativ from *koshtan* [k^hoʃ t^hæən] (persisch کشتن), and means **kill** as well as **expel**, which is what Islam desires to do with non-believers, although killing them has priority. (<http://de.wikipedia.org/wiki/Hindukusch#Name>) Therefore, the Pakistani Islamist militants, let's call them terrorists because Obama doesn't like the appellation, will be out to kill Hindus. Now that is tolerance!

<http://www.thedailyrash.com/jesse-jackson-busted-looting-during-london-riots>.

JT: Read it and laugh at the hypocrite. They should have kept him in jail!

Don Fredrick of The Obama Timeline reports that "The Republican National Committee votes to prohibit NBC and CNN from sponsoring any 2016 Republican primary debates because of their plans to produce and air pro-Hillary Clinton movies. According to WashingtonTimes.com, 'NBC is scheduled to produce a fictionalized miniseries called 'Hillary.' Oscar-nominated actress Diane Lane is supposed to play Mrs. Clinton. The four-hour film is expected to cover the former first lady's public life since 1998, the year consumed by President Bill Clinton's affair with White House intern Monica Lewinsky and the resulting impeachment furor. CNN Films, meanwhile, plans to air a feature-length documentary on Mrs. Clinton.'" (<http://www.washingtontimes.com/news/2013/aug/16/gop-votes-bar-cnn-nbc-hosting-primary-debates/>)

JT: Methinks the results will be Clinton propoganda at its best, including the lies that suddenly become truths. It would be beneficial for the truth if the films include passages of Hillarious Clinton's swearing mouth. Here are some examples:

Hillary Clinton's Foul Mouth

On 21 October 2012, I sent RightTruth a summarized article via Don Fredrick of *The Obama Timeline* concerning tidbits from Ronald Kessler's IN THE PRESIDENT'S SECRET SERVICE, (2009) that I had read in 2011. The link is http://righttruth.typepad.com/right_truth/2012/10/secret-service-thoughts-about-past-presidents-and-first-ladies.html. There is a 2010 edition of the book and it appears that this edition has more information. [*In the President's Secret Service: Behind the Scenes with Agents in the Line of Fire and the Presidents They Protect.*](#)

Paladin, one of RightTruth's American patriotic readers, wrote the following comment to the posting:

"This was one good read" I know a retired U.S. Park Police officer who was a motorman (motorcycle cop) for many years in DC. He says when he used to go to the White House for a motorcade, the Clintons were always late and he said Hillary had a mouth on her like a drunken sailor. She was known for yelling and cursing at poor Bubba whenever she saw fit.

Didn't matter if there were people around or not. He said she was a prime example of white trash and didn't know how a woman of her background ever made it in life, let alone into the White house."

– Posted by: [PALADIN](#) | [October 21, 2012 at 08:53 PM](#)

Upon reading this comment – Thank You, Paladin – I thought that RightTruth readers would want to know more about Hillallahry (The spelling is intentional!) Clinton's foul-mouth verbiage. Therefore, I did some research and found the following Hillallahry Clinton o-so-sweet comments:

- "Come on Bill, put your dick up! You can't f**k her here!" From the book *Inside The White House* by Ronald Kessler, p. 243. – Hillary to Gov. Clinton when she spotted him talking with an attractive female at an Arkansas political rally.
- Where is the G-damn f**king flag? I want the G-damn f**king flag up every f**king morning at f**king sunrise." From the book *Inside The White House* by Ronald Kessler, p. 244. – Hillary to the staff at the Arkansas Governor's mansion on Labor Day, 1991.

- "You sold out, you mother f**ker! You sold out!" From the book *Inside* by Joseph Califano, p. 213. – Hillary yelling at Democrat lawyer.
- "F**k off! It's enough that I have to see you shit-kickers every day, I'm not going to talk to you too! Just do your G*damn job and keep your mouth shut." From the book *American Evita* by Christopher Anderson, p. 90. – Hillary to her State Trooper bodyguards after one of them greeted her with "Good morning."
- "Son of a bitch." From the book *American Evita* by Christopher Anderson, p. 259. – Hillary's opinion of President George W. Bush when she found out he secretly visited Iraq just days before her highly publicized trip to Iraq.
- "You f**king idiot." From the book *Crossfire*, p. 84. – Hillary to a State Trooper who was driving her to an event.
- "If you want to remain on this detail, get your f**king ass over here and grab those bags!" From the book *The First Partner*, p. 259. – Hillary to a Secret Service Agent who was reluctant to carry her luggage because he wanted to keep his hands free in case of an incident.
- "Get f**ked! Get the f**k out of my way!!! Get out of my face!!!" From the book *Hillary's Scheme*, p. 89. – Hillary's various comments to her Secret Service detail agents.
- "Stay the f**k back, stay the f**k away from me! Don't come within ten yards of me, or else! Just f**king do as I say, Okay!!!" From the book *Unlimited Access*, by Clinton FBI Agent in Charge, Gary Aldrige, p. 139. – Hillary screaming at her Secret Service detail.
- "Where's the miserable c*ck sucker?" From the book *The Truth About Hillary* by Edward Klein, p. 5. – Hillary shouting at a Secret Service officer.

Of course, the foulest words are what she said concerning the Benghazi killings of Ambassador J. Christopher Stevens, Information Officer Sean Smith, and two embassy security personnel, Glen Doherty and Tyrone Woods, both former Navy SEALs: "What difference does it make?"

I dreamt that Michelle was in New Orleans during Mardi Gras and she wanted to go to a costume ball. She went to a costume rental business and said that she wanted a costume that would make her look like a snowflake so that all America could see her pristine beauty. The proprietor of the costume rental service, a very intelligent man resembling Jay Leno, said to her, "That's no problem. But I have a better idea. I can alter a few of the costume's seams and you can go to the ball as an avalanche."
