JUST THINKING

JT: Methinks that this is what the most patriotic occupier of the Oval Office would really like to do! BigFurHat has hit a nerve, a political nerve with truth behind it that could and should damage Barack Hussein Obama.

At <http://www.timesofisrael.com/obama-to-talk-up-peace-process-in-rosh-hashana-call-to-us-rabbis/> the TimesofIsrael.com reports that Obama "is set to make a pre-Rosh Hashana conference call to some 1,000 US rabbis in which he will discuss key issues of the peace talks between Israel and the Palestinian Authority in the hopes that the spiritual leaders will raise enthusiasm for those talks among their congregants in their High Holiday speeches. Policy experts close to the administration told The Times of Israel that support for the negotiations would be a major part of what has become the traditional presidential Jewish New Year conference call to rabbis. They said [Obama] would also touch upon domestic issues, including immigration and economic recovery. Rosh Hashana starts this year on the eve of September 4."

JT: I suggest that the US Rabbis shut off their (cell) phone connections for 24 or more hours on the eve of September 4!

At <http://www.breitbart.com/Big-Government/2013/08/26/Mainstream-Media-Ignore-Americans-Killed-By-Illegal-Alien-DREAMers> we read that "An illegal alien brutally murdered Laura Wilkerson's 18-year-old son in Texas, tied his body up, and then doused him with gasoline before burning him."

JT: JT has inside information that the illegal alien is another of Obama's bored sons who looks just like him!

JT: Listen to me Barack Hussein Obama! I wear cowboy boots. They are mead not only for walking but also for stomping and getting cucarachas in the corners. I've also kicked some people in their backside to wake them up to logic! Well, I hope I live long enough to not only walk all over you after you leave the oval office, but also after you depart this life. You were made for being walked and stomped over by historians and philosophers. I will assist them and support them in whatever way I can! The truth about you will eventually come out in the open. It will be an *Opus Dei*, the only way to combat evil.

JT: Question: Which one is a member of the Muslim Brotherhood?

Answer: Both of them! One of them has been deposed as president. The other brother (Was that racist?) should be deposed immediately.

At http://atlasshrugs2000.typepad.com/atlas_shrugs/2013/08/savage-boko-haram-devout-muslim-group-turns-cannibal.html we read that "Dozens of suspected Boko Haram militants, short of food and water, are resorting to cannibalism"

JT: Well, anything is allowed as long as it advances Islam. At the same time I point out these truths. Read them while they are still on the Internet.

Obama says: "I have not made a decision" on a military strike against Syria. "I think it's important that if, in fact, we make a choice to have repercussions for the use of chemical weapons, then the Assad regime ...will have received a pretty strong signal that, in fact, it [had] better not do it again. ...We have concluded that the Syrian government in fact carried these out, and if that's so, then there need to be international consequences. I have no interest in any kind of open-ended conflict in Syria." (<http://www.politico.com/politico44/2013/08/obama-on-syria-i-have-not-made-a-decision-171383.html>)

JT: Take some time to examine this statement with me.

1. "I think it's important that if, in fact, we make a choice to have repercussions for the use of chemical weapons, then the Assad regime ...will have received a pretty strong signal that, in fact, it [had] better not do it again."

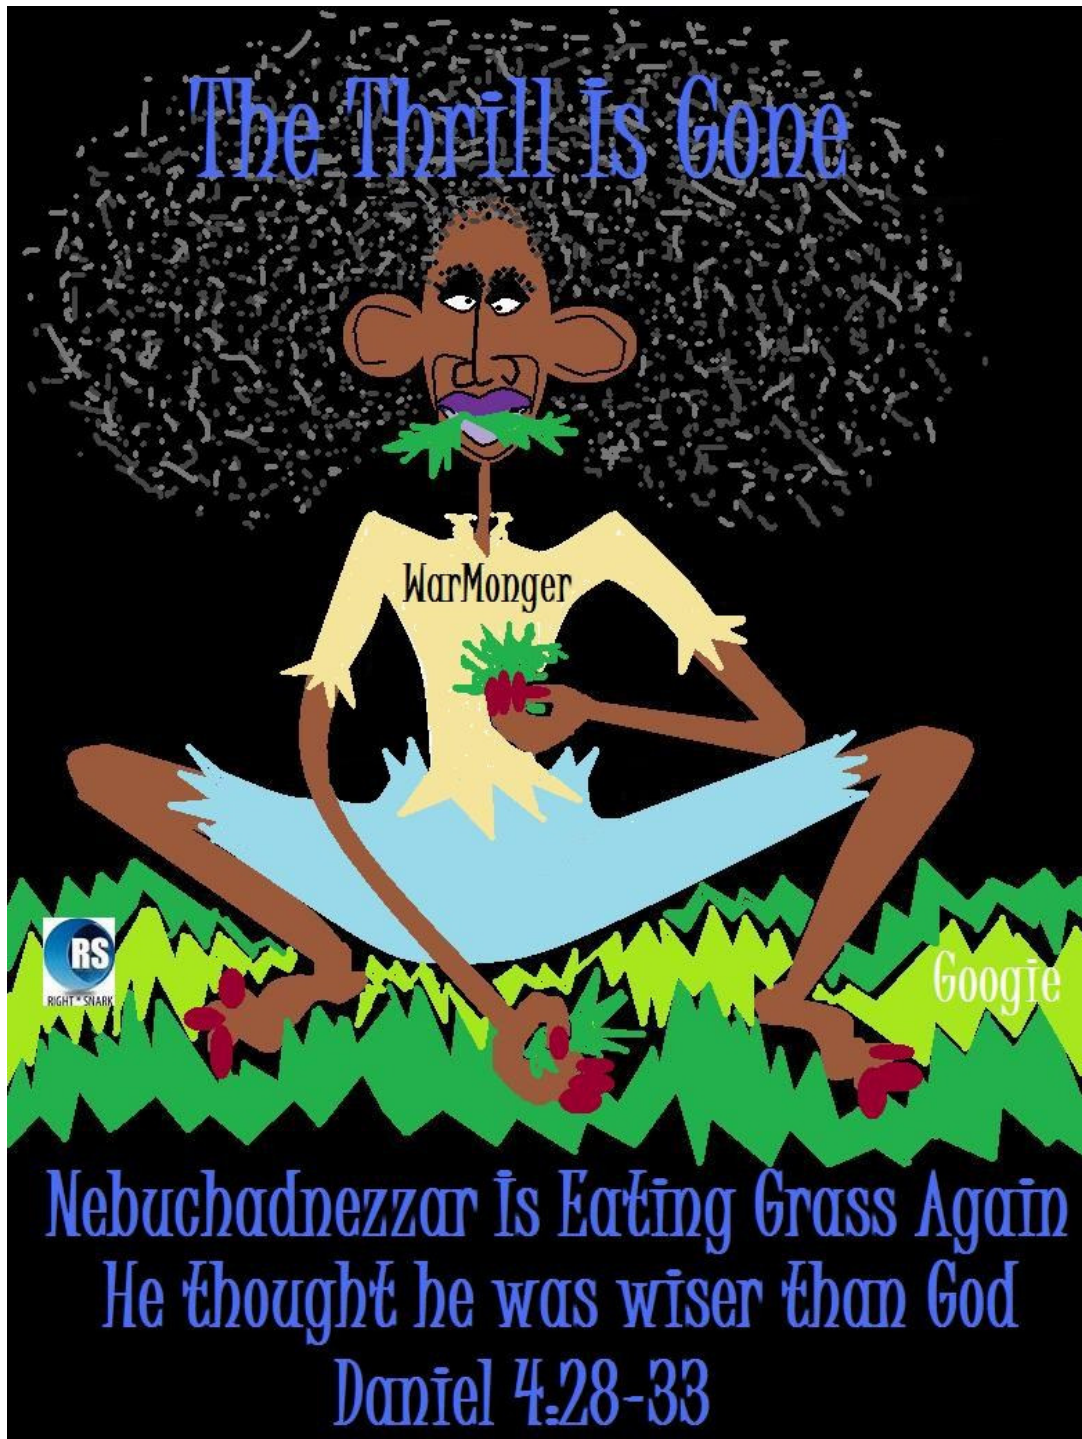

COMMENT: Barry has no evidence that the Assad regime conducted gift gas attacks against Syrian civilians.

2. "We have concluded that the Syrian government in fact carried these out, and if that's so, then there need to be international consequences."

COMENT: Obama and his regime have concluded that Assad and his regime are behind the Syrian gift gas attacks. Because this is the conclusion, there is no logic in saying *if that's so*, in the next clause. The situation is either such or it isn't. There is no if about it because the Obama regime has made the conclusion that Assad is guilty. Saying Assad is guilty eliminates the use of any *if* statement afterwards. It makes no difference top Obama. He was and is pro rebels in Syria regardless! Methinks Obama is a very evil and dangerous fool!

At <http://directorblue.blogspot.de/2013/08/thunder-missouri-set-to-nullify-all.html> we are informed that "Missouri Set to Nullify all Federal Gun Laws.

JT: Methinks the process is simpler than described in the article. All that has to be done is to contend that the laws are illegal because Obama is an illegal president and cannot prove that he is a natural born citizen. Do the same with ObamaCare!

JT: Spontaneous thought: The New Testament is proof that when Jesus Christ spoke he was direct in what he said. The reason is that he was telling the truth. When evil people speak they use political correctness. The reason: They are telling lies!

JT: Remember when Barack Hussein Obama referred to Sarah Palin in the 2008 presidential primary saying "You can put lipstick on a pig. It's still a pig." (Barack Hussein Obama, September 9, 2008.) I think the statement, somewhat altered, still holds. "You can put caramel highlights on a pig. It's still a pig." Touché Barry boy!!!

“Father Rafic Greiche, the chief spokesman for the Catholic Church in Egypt, criticized ...Obama for not speaking out against the worst violence against Egyptian Christians in nearly 700 years. “...Obama when he made a speech he just touched on the burning churches instead of telling the Muslim Brotherhood that they are terrorists and they are making terror on Egypt,’ Greiche said. ‘He did not speak loud for this and shame on him if he is a Christian that he does not speak out loud. The spokesman of the White House who... was asked, ‘What is the red line for the Christians in Egypt?’ he mocked and said, ‘I didn’t bring my red pen,’ he noted. So I think it was a mockery and not at its place and really shame on him also,’ he said.”)
