In a most recent weekly message ...Obama recognized veterans, saying, "...I will make it my mission to make sure that America has your back."

(<http://www.defense.gov/news/newsarticle.aspx?id=121091>)

JT: Really Barack? You fooled the American public into believing that you are a male? And you did it by forging your Birth Certificate? And your Social Security Account Number? And your Selective Service Registration Form? And your false penis, too? Not even Reggie Love realized it was false? You were more successful than I was. I tried to fool them into believing I have brains!

Think about this: A skeleton walks into a doctor's office and says to the doctor: "I don't feel well."

The doctor responds: "I think you should have come to me before ObamaCare became law!"

JT: Concerning: <http://ca.shalomlife.com/news/21018/scholastic-inc-removes-israel-from-map/>: As of the date below Scholastic Inc. has removed the book and therefore the map from the market. This means nothing more than that if there had been no outcries, Scholastic Inc. would have kept it on the market.
