JT: JT now *pays homage* to Nelson Mandela by quoting the truth from an entry in *The Obama Timeline* by Don Fredrick.

"Nelson Mandela, the communist and author of the book *How to be a Good Communist*, anti-apartheid former president of South Africa who served 27 years in prison after being convicted of 23 acts of sabotage, conspiracy, and leading a terrorist bombing campaign against government facilities, movie theaters, and shopping centers, dies at age 95 (on December 5, 2013). Mandela, a fan of Yasser Arafat, Moammar Gaddafi, Chairman Mao, Che Guevara, and Fidel Castro, refused several offers to be released from prison because they required that he denounce violence. He and his first wife Winnie were involved in the African National Congress (ANC), which was closely aligned with the Soviet Union and the Palestine Liberation Organization and which engaged in the practice of 'necklacing'—which involved placing a gasoline-filled tire around a victim and setting it on fire. Mandela, in fact, founded the militant wing of the ANC—the 'Unkhtonto we Sizwe' ('Spear of the Nation'). As president of South Africa, Mandela appointed Yossel Mashel Slovo his secretary of housing. Slovo was also an ANC leader and, according to AmericanFreePress.net, 'had been the planner of many of the ANC terrorist attacks, including the January 8, 1982 attack on the Koeberg nuclear power plant near Cape Town, the Church Street bombing on May 20, 1983, which killed 19 people, and the June 14, 1986 car bombing of Magoo's Bar in Durban, in which three people were killed and 73 injured.'" (If you want to read Mandela's crappy book, it can be downloaded for free at <http://www.barnesandnoble.com/w/how-to-be-a-good-communist-nelson-mandela/1026101351>)

JT: United Nations General Secretary Ban Ki-moon hailed Mandela as a "giant of righteousness". I know of only one Giant of Righteousness in human history and that person is Jesus Christ. May Mandela's soul rest in peace, if that's possible. Barack Hussein Obama, the Muslim terrorist in chief, is going to move the US Embassy in the Vatican to a side office in the US Italian Embassy in Rome. (<http://www.lifenews.com/2013/11/26/obama-administration-snubs-catholic-church-with-vatican-embassy-downgrade/>?)

JT: Methinks that Obama considers the US Embassy in the Vatican is a high security risk because of the excessively large crowds of Muslims that are always occupying St. Peter's Square and circling St. Peter's Cathedral and shouting Allah hop! Allah hop! Allah hop!

JT: If you believe it, you're a DOPE!

<http://imgur.com/IGCyvEy>

JT: This is Obama at his best and at his worst at the same time!

Barack Hussein Obama quote of the day: "Kindness covers all of my political beliefs. When I think about what I'm fighting for, what gets me up every single day, [kindness] captures it just about as much as anything."

(<http://www.dailykos.com/story/2013/11/26/1258588/--Kindness-covers-all-of-my-political-beliefs>)

JT: The real statement was edited. Here is the real statement: "Kindness *to me and my body servants* covers all of my political beliefs. When I think about what I'm fighting for, what gets me up every single day, [kindness *to me and my body servants*] captures it just about as much as anything. *I love myself and my body servants.*"

NOTE: I don't pay attention to what the Daily Kos (or is it Daily Chaos?) writes, except when they make quotations of Obama crap!

In Nigeria, Muslims attack and slaughter 71 Christians in Nigeria ("37 Christians in coordinated attacks on four Plateau state villages early this morning after Boko Haram terrorists killed at least 34 Christians in Borno state earlier this month.")

(http://atlasshrugs2000.typepad.com/atlas_shrugs/2013/11/muslims-slaughter-at-least-at-least-71-christians-in-nigeria.html)

JT: Kind Obama has no comment. Why should he comment? Being a Muslim he knows that slaughtering any non-Muslim is being kind to them!

In his annual Thanksgiving message, Obama states, "Thanksgiving offers each of us the chance to count our many blessings—the freedoms we enjoy, the time we spend with loved ones, the brave men and women who defend our Nation at home and abroad. ...This tradition reminds us that no matter what our background or beliefs, no matter who we are or who we love, at our core we are first and foremost Americans."

(<http://cnsnews.com/news/article/penny-starr/obama-includes-message-gays-thanksgiving-proclamation>)

JT: no matter who we are or who we love is my emphasis. It was puking time! Now what did he mean with the word *core*?

Definition 1: "The hard of fibrous central part of certain fruits, such as an apple or pear, containing seeds."

Definition 2: "The innermost or most important part of anything: heart, center, essence."

If he means definition 2 and is alluding to persons, then according to this Muslim, a kafir is just an anything!

Perhaps he meant any one of the following definitions, which I quote as they appear in the *Urban Dictionary*, which is appropriate because Obama comes from Urban Chicago:

core = short form of hardcore

core = short form of queercore

core = Organization of like minded individuals who abide by principles which are based around the devotion to the brother hood, and who live by the motto "Bitches Ain't Shit" (B.A.S.)

core = In Dante's "The Divine Comedy," an intermediate place of unspeakable torture between the Sixth and Seventh Circles of Hell, reserved for those with sadistic and masochistic tendencies

core = informal term for jail

core = Someone who possesses qualities of both a cunt and a whore, (c plus ore)

core = The lesser form of hardcore, someone who neither has a lot of courage/balls or no courage at all

core = To fuck a chick to the point of annihilation!

core shit

core = The middle of a pimple, the hard part that is surrounded by pus or other liquid material.

core = To be considered an extreme, in-your-face type of presence.

core = what gets dumped when things go wrong

core = 1. A crack whore 2. A person that smokes weed all the time and is pretty lazy. 3. A bum

core = A person who listens to deathcore, hardcore, metalcore etc. and dresses in a range of clothing. Has fat stretched ears, scene hair. Also has a strong liking to smoke weed and drink; and most likely owns a New Era cap

core= someone who is stupid, dumb, or plain.

Knowing Obama and the fact that he can't make logical decisions, he probably means all of them!

"At first blush, the simple answer [why Obama lies] would be that he is the worst kind of human being—the kind who is willing to lie and betray without remorse as long as his lies and betrayal get him what he wants. He is a shell of a human being, consumed by the hauntings of his socio-inadequate childhood and the most dysfunctional, hate-filled, delusional, ersatz couple for parents a child could have short of being an offspring of a parentage between Idi Amin [a former brutal president of Uganda] and Emma Goldman [an anarchist who delivered a speech that inspired Leon Czolgosz to assassinate President William McKinley]. ...Obama lies, because he is a liar. He doesn't only lie to cover his misdeeds—he lies to get his way. His lying is congenital and compounded by social-psychological factors in his life. ...Obama suffers from emotional instability that makes him a threat to our national security and that drives him to attempt elevating his self-esteem. He knows that he is the equivalent of an empty suit who found he could prostitute his skin color for free

rides. But like most of his kind, when they find themselves in positions of prominence—they realize they are frauds and the secret haunts them. Add the dysfunctional parentage and family setting he grew up within and we understand that he lies as a means to make a damaged person puff himself up to be what he isn't. Lying has become his first language because his true opinion of himself is one he cannot stomach. His grandparents forced him into a mentorship with Frank Marshall Davis who was a rabid communist and pedophile, and although it hasn't been proven, if as I and others suspect, that led to young Obama being sexually molested—the feelings of worthlessness that would understandably bring about combined with a sense of betrayal by his grandparents (who brought Davis into his life) and feelings of abandonment by his biological parents, which allowed for the betrayal by his grandparents, which led to more feelings of abandonment, anger, and worthlessness. Resulting in an unstable and volatile person unfit for office. ...[H]e is a hardcore neo-Leninist, a hybrid communist—what else could we have expected?". — Mychal Massie in the *Daily Rant*. According to WhiteHouseDossier.com, the Obamas enjoy(?) Thanksgiving dinner with: turkey, honey-baked ham, cornbread stuffing, oyster stuffing, greens, macaroni and cheese, sweet potatoes, mashed potatoes, green bean casserole, dinner rolls, huckleberry pie, pecan pie, chocolate cream pie, sweet potato pie, peach pie, apple pie, pumpkin pie, banana cream pie, and coconut cream pie.

JT: Spontaneous quote: *'Heck is where people go who don't believe in gosh.'* (<http://gollygeez.blogspot.de/search/label/need%20a%20good%20laugh>)

JT: Another spontaneous thought: The chances of a person receiving expert healthcare from the United States government under The Affordable Care Act, known as Obamacare is practically zero. You have a better chance of seeing God. That is probably what will happen to you under Obamacare.

Source: Sorry, I can't locate the source. The image was sent to me. They are letter tiles spelling out a patriotic message.

JT: Even illiterates, oops, I mean progressives, understand this command!

As of this writing (December 1, 2013) the Barack Hussein Obama HealthCare.gov website has been fixed. Obama fixed it all by himself without help from Valerie –I'm-the-real-president-Jarrett or Kathleen-no-fetus-left-alive-Sibelius. There are no more glitches. Here's visual proof.

Source: Edited and brought up to date from <http://theobamacrat.files.wordpress.com/2013/10/healthcare-page.jpg?w=468&h=263>

JT: Spontaneous thought: The dignity of a person is the ability to walk upright and keep an upright, moral stature in order that the person can raise one's self from the sludge and grime of inhumanity. Apparently Barack Hussein Obama has no dignity because he is always concerned with political policies and connections that thrive on sludge and grime. His politics are the politics of slop. His character is permeated with it from the inside to the outside from the top to the bottom.

JT: They have exploded into becoming Conservatives. That's good news!!!

Don Fredrick of *The Obama Timeline* reports the following: "ObamaConspiracy.org, an Obama-supporting website that ridicules opponents of the socialist thug-in-chief—especially those who doubt Obama's birth story—posts an enemies list. (For reasons unknown, as of this date (December 4, 2013) *The Obama Timeline* is not on the list.)"

JT: Neither is *Just Thinking* on the Obama enemies list. Methinks these are two proofs that the Obama regime knows no reality. There is one important fact about ObamaConspiracy.org: It documents practically all of the cases challenging Barack Hussein Obama's legitimacy. Thus it is a source of documents. Furthermore, it lists very prominent people who are birthers, more prominent than I am. Nevertheless, I am honored to be amongst the birthers. Will this get me on the list?

Another report by Don Fredrick in *The Obama Timeline is*: "Politico reports that Obama "will launch a coordinated campaign Tuesday by the White House, congressional Democrats and their outside allies to return attention to why the Affordable Care Act passed in first place. After two months of intense coverage of the botched HealthCare.gov rollout, [Obama] will host a White House event kicking off a three-week drive to refocus the public on the law's benefits... The White House will take the lead in emphasizing a different benefit each day until the Dec. 23 enrollment deadline for Jan. 1 coverage. The daily message will be amplified through press events and social media by Democratic members of Congress, the Democratic National Committee, congressional campaign committees and advocacy organizations, officials said." (In other words, the Obama propaganda machine will be ramped up to its maximum level, in an effort to counter all the bad news about Americans who are losing their insurance coverage or will have to pay substantially more for replacement plans.) (<http://www.politico.com/story/2013/12/white-house-barack-obama-obamacare-affordable-care-act-100563.html>.)

JT: I was brought up to know that a person should not lie, particularly during the Holy Season of Advent and Christmas. However, being an adherent of Islam Obama knows no ethics. More lies are coming!!! Allah hop!!! Allah hop!!! Allah hop!!!

To, I survived another Thanksgiving in this creepy old place.
The chef did a great job, though - I downed so many candied yams I looked like John Boehner the next morning :(
The turkeys were absolutely awesome! This year I tried to eat a little slower, and as a result only got bones stuck in my throat a few times (thank goodness I've got long fingers!).
It's too bad an otherwise pleasant day was screwed up by Barack's hurtful comments about the way I eat. Who knows what a "starving musk ox" would even look like eating a turkey? How dumb! And who says you can't drink gravy? It's a liquid, right? Screw him.
Maybe if he didn't eat like such a little pussy, he'd look more like a man and less like an anorexic 12-year-old girl.
Gotta go, they just made more pies! :)

Here's a joke you might have heard, reworked by Pogosticks.

A Progressive Politician was up on a stage, at a podium, giving a speech about the benefits of Obamacare & why everyone should be signing up.

A lady in the audience stood up & asked the Progressive Politician how Obamacare would benefit her at her job.

The Progressive Politician, with that classic patronizing smirk we all know and love, asked, "What do you do?"

"I'm a rectum stretcher", the lady responded.

The Progressive Politician stammered, "A what? A rectum stretcher? And just what does a rectum stretcher do?"

"Well," she said, "I start by inserting one finger, then work my way up to two fingers, then three, then four, then with my whole hand in. I work from side to side until I can get both hands in, and then I slowly but surely stretch it, until it's about 6 feet wide." Then the Progressive Politician asked, "And just what the heck do you do with a 6 foot rectum?"

The lady responded, "You place him on a stage, behind a podium, to give a speech about how good Obamacare is."

WASHINGTON (WNB) - First Lady Michelle Obama and new dog Sunny were the life of the party Wednesday at a White House event for children of military families.

The fun started when Mrs. Obama rushed to help up 2-year-old Ashtyn Gardner after the little girl was accidentally knocked down by excited First Dog Sunny. As she stooped to hug the girl, Mrs. Obama ripped a baritone fart that sent Sunny, the kids, and White House staff scrambling for good air.

An embarrassed First Lady blamed the outburst on the multiple servings of Brussel Sprouts and goat cheese she had enjoyed for breakfast.

The party resumed in a different room after the children and Sunny were examined by the White House nurse.

“The U.S. Department of State will spend \$2.5 million next year on art to decorate its embassies, it was revealed Tuesday. The agency’s 2013 spending included \$1 million for a single granite sculpture set to adorn the new American Embassy in London. It’s part of the State Department’s ‘Art In Embassies’ program, which has 16 government employees curating [sic] art exhibits at diplomatic stations all over the world. The State Department writes that the program ‘provides exhibitions to represent American art abroad.’ The \$1 million art award will go to Sean Scully, an Irish-born artist who emigrated to the U.S. at age 30, and whose work resembles stacked piles of paving stones.” (<http://www.dailymail.co.uk/news/article-2517666/US-State-Department-spends-1-MILLION-single-granite-sculpture-decorate-new-embassy-London.html>)

JT: There are indications that these federal appointments are career jobs, which means that these persons will be at their posts until they retire, regardless of who the president is and what a future government stance is on illegal immigration.
