JUST THINKING

Don Fredrick in the January 2014 The Obama Timeline reports "Republican National Committee Chairman Reince Priebus tells Wolf Blitzer, 'I think there's going to be an avalanche of information on Hillary Clinton and the things that she's done over the years dating back to [Bill Clinton's] governorship in Arkansas and her role in many of the things that happened back then.' Priebus notes the Benghazi attack that resulted in the deaths of four Americans, and adds, 'This is a very political person who makes decisions based on how the wind blows. With all of the scandal around her, I'm not so sure it'd be that bad for the Republican Party' if she is the Democrat presidential nominee in 2016. 'She wanders, and scandal surrounds her.'" (CNN's The Situation Room, <http://www.newsmax.com/NewsmaxTv/priebus-gates-clintoniceberg/2014/01/07/id/54579>)

JT: Methinks the reaction will be: What difference does it make and Reince Priebus and the Republican RINOS will be so damn politically correct. They should verbally tar-and-feather Hillary Clinton and any lamestream media person who supports her also. Hang her high oratorically! Or even otherwise! They should go into the presidential campaign with the attitude Attack! Attack! Attack! We have nothing to lose. Should Obama try to interfere he should be told to shut up and that he is nothing but an Islamic pos. (proponent of socialism. Ha! Gotcha!)

JT: Barack Hussein Obama, Mr. Zero in the Dark House, has identified zones in America that are a danger to freedom. Here is the proof that he calls Broken Promise because he says the United States Constitution has never kept its promise of freedom and the other liberties guaranteed by the Bill of Rights. That's why we need his new constitution.

Source: <http://www.newser.com/story/180262/heres-the-statue-satanists-want-at-the-okla-capitol.html> and the following report <http://www.westernjournalism.com/ny-group-wants-statue-of-satan-next-to-ten-commandments/>.

"A Ten Commandments monument has stood outside Oklahoma's Capitol building since 2012, and a New York-based group would like to see it joined by another statue, so that "people of all ages may sit on the lap of Satan." That's right: The Satanic Temple has formally submitted its application to the panel that oversees the Capitol grounds, and that application includes an artist's rendering, reports the [AP](#). The group is proposing a 7-foot statue of Baphomet, a horned goat-headed figure sitting on a pentagram-adorned throne with two smiling children next to him, which it believes will "serve as a beacon calling for compassion and empathy among all living creatures," [Raw Story](#) reports.

"By accepting our offer, the good people of Oklahoma City will have the opportunity to show that they espouse the basic freedoms spelled out in the Constitution," the crowdfunding campaign reads. So could the statue—which doubles as a chair—really happen? Oklahoma

late last month enacted a temporary ban on new monuments outside the Capitol building, but a rep for the group maintains it entered its submission before the ban was filed, so it should still count, reports the [Verge](#). As for funding, more than \$25,000 has been raised for the [project on Indiegogo](#), exceeding the \$20,000 goal with seven days still left. Oklahoma's is not the first [Ten Commandments monument to inspire protest](#)."

JT: My inside sources at the Washington, D.C. Black House, the House of Bleakness say that it is rumored that Barry wants his face to appear on the Satan statue because he is of the opinion that is exactly where he belongs. After all, they say, Barry is convinced that the Ten Commandments and Israel, and Western Civilization have to go and be gone forever! I've-never-been-proud-of-America-until-became-its queen Michelle, supports Barry's desire! Supposedly there will be a statue of her as Satan's queen as well. Satanists like evil unity! See this:

JT: Evidently the Kremlin has a nickname for Hillary Clinton. It is *Bolshoiaya Suka – the Big Bitch*. (<http://www.tothepointnews.com/>)

JT: Newsweek Magazine is suffering from being dumbed down. Here's the proof: The French don't have a French word for entrepreneur. (<http://www.newsweek.com/fall-france-225368>)

For dumbed downers, *entrepreneur* is French in origin! Okay, there are surely some dumbed-downers who read Just Thinking (They should always read **Just Thinking** because **Just Thinking** will open their minds to the truth!) so I'm going to explain it. *Entrepreneur* means to seize something in the form of a business undertaking before someone else does. Originally, when the word came into the English language in approximately 1828, an *entrepreneur* was a *manager of a theater*. In Old French *entendre* (undertake) plus *eur* (or). The modern sense of business manager appeared in 1852. The word had already been anglicized to *entreprennoure* in the

year 1475. And *entrepreneur* in 1485. After that it disappeared from written and spoken English for approximately 350 years.

JT: Daniel Greenberg has unraveled the method used by Obama to appoint people to federal positions. "Obama's nominee process involves finding the worst person on earth for that job or any job. It's a process that never fails." (<http://www.frontpagemag.com/2013/dgreenfield/obama-nominates-racist-supporter-of-cop-killer-to-head-doj-civil-rights/>)

JT: Did he learn from Obama or did Obama learn from him? Well, I'll answer this question with: Neither one has learned anything!

‘Octomom’ Charged With Welfare Fraud

LOS ANGELES (CBSLA.com) — Nadya Suleman, the woman famously known as “Octomom,” was charged Monday with welfare fraud after failing to report nearly \$30,000 in earnings, the Los Angeles County District Attorney’s Office said.

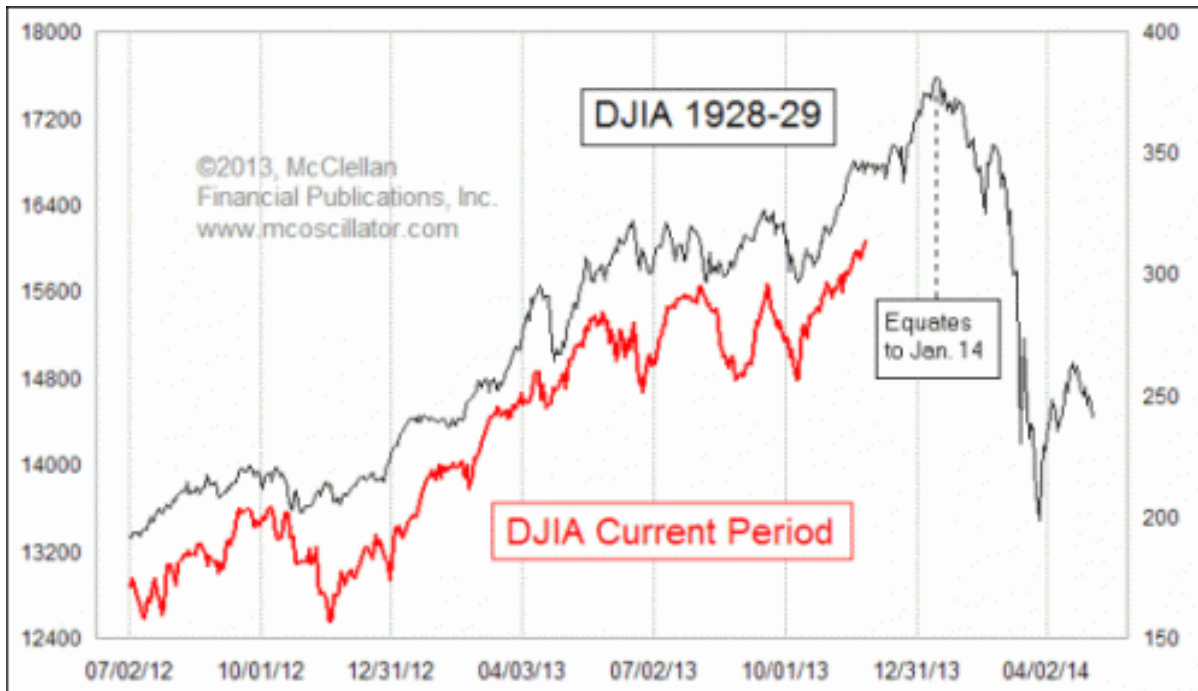

Suleman, whose real name is Natalie Denise Suleman, was formally charged on Jan. 6 with one count of aid by misrepresentation and two counts of perjury by false application for aid.

JT: Poor kids! Their mother is a criminal. I don't know if this is racist, but with a name like hers, the heritage is not anywhere being American. I'm shocked! I thought all Arabs and Turks, or whatever heritage she is, were all honest upright people. Oh! I get it. She's not at fault. The American system is wrong!!! There are enough indigenous Americans taking illegal advantage of the system. We don't need more!

JT: Scary indications that history might repeat itself?

Michelle Obama stayed in Hawaii to celebrate her 50th birthday there. She sent invitations to people with the request that they eat before they come to the party. (http://articles.chicagotribune.com/2013-12-26/news/ct-michelle-obama-turns-50-met-20131226_1_michelle-obama-janelle-monae-jason-wu)

JT: Methinks she wants all of the XXXLLL burgers for herself.

JT: *Hi! My name is Hillary Clinton. I want to be your next president. I will do everything I can to continue our liberal, progressive politics. I assure you that Bill, he's still my husband even though I have a lesbian lover, and I will keep America on its path as a vanguard of a continuing world movement aimed at making all countries equal. We will thankfully concur with all of the resolutions passed by the United Nations to achieve world peace and a world religion under the perfect sharia law. You know, in his absence from Washington, Bill has kept a close relationship with willfully paying Arab countries who really do want to show the United States of America all of the beauties of Islam and the sayings of Mo ... ha ... m ... m ... ad. (I never could pronounce that name in English. That's why I and Bill are learning Arabic.) By the way, I will be a candidate for the presidency under an new Islamic-oriented name. So here is who you can vote for in 2016:*

JT: This is an interesting video that American idiots (Those who support Obama) like. Methinks that Obama and his thugs meet the conditions to be arrested and detained indefinitely without a warrant. These are better:

JT: Spontaneous thought: Grammar says that LAZY is an active word! Methinks that when it comes to non-political action against Barack Hussein Obama and his thugs, this rule of grammar is no longer true.
