JUST THINKING

Number 91

Source: <http://iowntheworld.com/blog/wp-content/uploads/2014/01/OiUH2iN.jpg>

JT: Yup! That's exactly what a dictator does.

<http://www.orangetreescreening.com/Portals/0/docs/White Paper Ban the Box Initiatives 09 20 2013.pdf>.

JT: In these states and the District of Communism, the future employers can no longer ask a future employee about their possible criminal record. I think it's a great idea. If we have state governments and the national government that is made up of criminals in the offices, why can't private business have criminals in their firms?

<http://pislamonauseacentral.blogspot.ca/2014/01/restaurant-prepares-shawarma-meat-in.html>

JT: No wonder Muslims have s~+t for brains. I guess it depends on the cook!

<http://nypost.com/2014/01/27/opera-singer-cant-work-over-uncontrollable-flatulence/>

An opera diva claims her career might be over — because she can't belt out big notes without passing gas.

JT: She should stop taking lessons from Barry and Michelle. They pass gas every day!

Source: <http://iowntheworld.com/blog/wp-content/uploads/2014/01/douchecycle.jpg>

JT: My caption: *Michelle is bringing Barry's new body servant to their next rendezvous.*

“A man took the bus home from the graveyard shift, bone tired...”
(<http://www.whitehouse.gov/the-press-office/2014/01/28/president-barack-obamas-state-union-address>)

JT: What brilliance! What feeling! What genius!

Spontaneous thought: Bob Dylan once texted that "Patriotism is the last refuge to which a scoundrel clings."

JT: Methinks it's time to place the statement in its proper, logical place. Mr. Bob Dylan! Patriotism is the reason you have the freedom to text such crap!!!

Congresswoman Cathy McMorris Rodgers (R-WA) delivered a response to Obama's State of the Union address. Leftist, feminist comedian(!?!) Laura Levites tweeted, "I want to rip out the uterus of that pro-life Cunt Cathy McMorris Rodgers and eat it, so I can see the surprised look on her frigid face." (<http://freedomoutpost.com/2014/01/feminist-laura-levites-message-to-cathy-mcmorris-rodgers-i-want-to-rip-out-your-uterus-and-eat-it/>)

JT: Laura Levites! Heed my words! You are spitting with vile into the wind and it is blowing in your direction!

Attorney General Eric Holder once again expresses his disdain for photo ID requirements. (<http://www.msnbc.com/the-cycle/wide-ranging-talk-eric-holder>)

JT: Everywhere he goes and in everything he does he should be required to show a photo ID, or be refused service.

In January issue of *The Obama Timeline*, Don Frederick reports that in 2010, Jeh Johnson, Obama's new Secretary of the Department of Homeland Security, authored a 2010 executive summary of a Defense Department survey on gays in the military – three days before the survey was even conducted.

JT: How did that happen? The question is easy to answer. The Obama regime told him what to write, Jeh Johnson wrote it. The survey was conducted. The survey was made to fit the already written results! The method is called the *Obama sourcing of truths!*

his weekly Saturday Internet/radio address, Obama says in his weekly Saturday internet/radio blah, blah, blah broadcast that his job is to "keep working to stop sexual assaults wherever they occur... Some of this is a job for government, but really, it's up to all of us. We've got to teach young people—men and women—to be brave enough to stand up and help put an end to these crimes. We've especially got to teach young men to show women the respect they deserve. I want every young man in America to know that real men don't hurt women. And those of us who are fathers have a special obligation to make sure every young man out there understands that being a man means recognizing sexual violence and being outraged by it, and doing their part to stop it. ...Perhaps most important[ly], we need to keep saying to anyone out there who has ever been assaulted: you are not alone. We have your back. I've

got your back.” (<http://www.whitehouse.gov/the-press-office/2014/01/24/weekly-address-taking-action-end-sexual-assault>)

JT: Methinks a good group to start with are Muslims! That would be difficult because sexual assault is allowed by Mohammed and the Koran! Allah hop her! Allah hop her! Allah hop her! Allah hop him! Allah hop him! Allah hop him!

Source: Doug Giles.Cashdaily.com via <http://itmakessenseblog.com/files/2014/01/dreameme-630x345-550x301.jpg>

JT: You can't get more explicit than that!

In the January 2014 Issue of The Obama Timeline, Don Fredrick reports that the Daily Mail has gained "access to 1991 court documents related to the 1986 murder of Raymond 'Gay Ray' Boyer, Obama's high school 'Choom Gang' pot dealer. Boyer's lover, male prostitute Andrew Devere, 'killed Boyer on New Year's Day 1986 because: Boyer was killing a friend of his by supplying that friend with drugs; Boyer embarrassed Devere and put him down in front of other people; Boyer had developed a habit of farting in Devere's face; Boyer once attacked Devere with a knife, slicing Devere's finger; Boyer made Devere beg for drugs.'" Don Fredrick adds: "Whether Boyer also farted in Obama's face is not revealed. Devere, despite being sentenced to life in prison, "is now free and living on the mainland.")

JT: Free and living on the mainland! I know of a better place for the old fart! But speaking of farting and to comment on Don Fredrick's statement, I have this to say. I'm convinced that Gay Ray also farted in Obama's face during their loving

association. From these sittings Obama learned to flatulate on America. The higher he has risen in politics the more dangerous his flatulations have become.

According to <http://www.conservativeinfidel.com/uncategorized/obama-regime-orders-u-s-troops-afghanistan-carry-weapons-bullets/> Obama Regime orders U.S. troops in Afghanistan to carry WEAPONS with NO BULLETS!

JT: The next development will be that US troops in Afghanistan will have to ask a Taliban operative personally if he can shoot him. Of course the question will have to be placed 24 hours in advance of the encounter.

Politico reports, "Several individuals close to ...Obama on Friday launched the Barack H. Obama Foundation, which will oversee the planning process for his presidential library. The leaders of the effort are Obama friend Marty Nesbitt, former Obama fundraiser Julianna Smoot and J. Kevin Poorman. The group will handle the selection process that aims to select a site for the future library by early 2015. (<http://www.politico.com/story/2014/01/obama-presidential-library-plans-102952.html?hp=l5>)

JT: It seems to me that the Chicago Sewer system is an appropriate place for the Obama Library of Lies.

<http://www.breitbart.com/Breitbart-TV/2014/02/02/Ann-Coulter-My-Friend-Sister-Died-Because-of-Obamacare>

JT: So ... Obamacare kills!!! I'm not surprised. I think Obamacare is Islamic in its core because it kills non-believers!!!

<http://www.thegatewaypundit.com/2014/02/bloody-sunday-black-teens-arrested-in-horrific-attacks-in-alabama-maryland-video/>

JT: They learned it from the Obama regime's anti-golden rule.

JT: If the Girl Scouts keep this up, there won't be any girls to be Girl Scouts.

JT: Spontaneous thought: Just because a person possesses nothing doesn't mean the person needs to do nothing.

<http://freebeacon.com/the-belarusian-connection/>

JT: Yup!!! Communism knows that the first step to communism and totalitarianism is democracy, Obama's kind of democracy.

[Elizabeth Warren Has Plan To Save Post Office](#)

BOSTON (WNB) -Sen. Elizabeth Warren (RTRD-MA) has come forward with a bold plan to turn around the failing US Post Office.

"The wisdom of my forefathers spoke to me through the spirit of the wind - It told me the way to save the Post Office is to have it offer banking services to the public," Warren told reporters.

When asked how an organization that can't figure out how to deliver a small box across town without losing or destroying it could perform complicated financial transactions, Warren replied, "Well, of course we would have to replace the present employees with people who can count. The rest would be easy."

Senate Minority Speaker Mitch McConnell said of Warren's plan, "This foul wind obviously emanated from the Senator herself."

Sen. Elizabeth "Little Tick Talker" Warren (RTRD-Mass)

JT: Methinks RTRD means RETARDED.

JT: JT has finally uncovered documented reasons why Michelle is constantly asking for donations of three to ten dollars. Here's the visual proof:

Answer: Barack Hussein Obama!

JT: What difference does it make at this point?

The following is a call to march against racist voter registration IDs.

Important Do's and Don'ts for Marchers!!!

This march and rally will be conducted in a peaceful and non-violent manner in accordance with the historic custom of the Civil Rights Movement. As invitees, participants agree to conduct themselves accordingly and to promptly obey instructions of the marshals at all times.

- **DO** know your bus number, Marshals and Bus Captains.
- **DO** look out for the elderly and the young.
- **DO** ignore any taunts and/or jeers from the public! Do not react to such in any manner by staring or using verbal/facial expressions.
- **DO** observe proper decorum at all times, demonstrating respect for and following instructions from marshals and law enforcement.
- **DO** direct media inquiries to spokespersons. Remember, nothing is ever "off the record."
- **DO** watch for people who join the march from the public and notify a Marshal.
- **DO** immediately report any altercation, unruly behavior, or persons deviating from the rules, to a Marshal.
- **DO remain calm if any altercation or other disruption occurs.**
- **DO bring photo identification (driver's license, passport or other valid photo id) with you and keep it on your person at all times.**
- **DO** keep all medications in prescription containers only. If you become ill or are injured, do report to a Marshal immediately for direction to an EMS station.
- **DO** eat a balanced meal before the march and drink plenty of water; avoid sodas.
- **DO** wear a hat and *very* comfortable shoes.
- **DO** exit the demonstration area promptly at the end of the rally.

- **DO NOT** take any valuables with you.
- **DO NOT** engage in any arguing or be seen as threatening against commuters.
- **DO NOT** intimidate, threaten, ostracize or degrade anyone.
- **DO NOT** carry a pocket knife, nail file or any object which may be misconstrued as a weapon.
- **DO NOT** litter on the grounds of the stadium / location or along the march route.

Remember the ABC's: Always Be Cool!!!!
