JT: She looks part American Indian to me. She also looks part African American! She also looks part male! Elizabeth Warren for President! She would be the perfect idiot to follow the idiot we already have. Both believe that Americans didn't build America! Interestingly enough the DemocRAT Party is full of idiots and they are supported by American morons! Satanists to stage 'black Mass' at Harvard. Read about it at <http://www.religionnews.com/2014/05/09/satanists-stage-black-mass-harvard/>

JT: Well, the Satanists have support with the fact that a Brotherhood/Sisterhood organization called Islam does the same thing!

At <http://pamelageller.com/2014/04/colorado-high-school-students-say-pledge-arabic-one-nation-allah.html/> we read: "Parents should demand that principal Tom Lopez of Rocky Mountain High school invite a speaker to inform the children just what the implications are of "nation under Allah". If they had any clue they would never utter those words again."

JT: Methinks the principal Tom Lopez of Rocky Mountain High School should be vetted for intelligence. He seems to be a brain deader who is leading the brain dead high schoolers to recite this crap. They are high schoolers, not students, although there are many students, progressive ones, who would also conduct themselves this way:

Here they are America! America's brain-dead future!

Not even the adults (teachers, not educators?) are thinking straight! Evidently there are progressives present!

<http://www.breitbart.com/Big-Peace/2014/05/10/Over-100-000-Donetsk-Referendum-Ballots-Marked-YES-Found-in-East-Ukraine>

JT: Methinks they learned from Obama how to conduct an illegal election!

We read at <http://finance.yahoo.com/news/mark-zuckerberg-gave-jersey-100-130400933.html> that "Mark Zuckerberg gave New Jersey \$100 million to fix Newark's schools, and it looks like it was a waste"

JT: I'm not surprised. Corey Booker was the mayor of Newark at the time, Christie the governor of New Jersey and Mike Zuckerberg a democrat! In this case all bad things came in threes!

In the May Issue of *The Obama Timeline* we read that "At FoxNews.com Dan Gainor reports that Obama's billionaire supporter Warren Buffet—who made a fortune from the TARP bailouts in late 2008 and early 2009—has donated more than \$1.2 billion to abortion organizations from 2001 to 2012. That's equal to the cost of roughly 2.7 million first-trimester abortions—more than twice the number of abortions that occur in an entire year in the United States. If you give 66 \$1,000 to a ballot initiative to defend traditional marriage, that's controversial. If you give \$1.25 billion to promote abortion, journalists, who are wildly pro-abortion, don't dare see any controversy."

Don Frederick comments: "On April 3 Brendan Eich, the inventor of JavaScript and CEO and co-founder of Mozilla, was forced to resign after pressure from leftists over his \$1,000 donation to support California's Proposition 8—a 2008 statewide referendum that called for limiting marriage to a man and a woman. The referendum passed but was struck down by the courts. Eich's donation was public knowledge only because the IRS illegally leaked a copy of the National Organization for Marriage's 2008 tax return to a gay-advocacy group—which then used it for retaliation against donors.)

JT: This is the real image of Obama's supporters, Mr. Abortion Warren Buffett and transparency in the Internal Revenue Service.

Michael J. Totten author of article *The Last Communist City* writes about a visit to the dystopian Havana that tourists never see at http://www.city-journal.org/2014/24_2_havana.html.

JT: The article is long. Read it completely and you will have an idea of what Barack Hussein Obama's socialism-communism will do to America!

Pregnant Christian Woman Faces Death in Sudan for Apostasy - See more at: <http://pamelageller.com/2014/05/pregnant-christian-woman-faces-death-sudan-apostasy.html/#sthash.CiOOK4Vy.dpuf>.

Apostasy carries the death penalty in Islam. But the mainstream media does its best to obscure that. This Telegraph story never says that the death penalty for apostasy is mandated by Muhammad and Islamic law — but it is. Until the West has the courage to confront the root

causes of things like this, they will keep happening.
<http://pamelageller.com/2014/05/pregnant-christian-woman-faces-death-sudan-apostasy.html/#sthash.CiOOK4Vy.dpuf>

A Christian doctor has been sentenced to hang for apostasy, or the abandonment of religion, by a court in Khartoum, the Sudanese capital.

Meriam Yehya Ibrahim, 27, who was born to a Muslim father but brought up a Christian by her mother, was convicted on Sunday and given three days to recant her faith or face a possible death sentence.

“We gave you three days to recant but you insist on not returning to Islam. I sentence you to be hanged,” Judge Abbas Mohammed Al-Khalifa told Mrs Ibrahim, addressing her by her father’s name, Adraf Al-Hadi Mohammed Abdullah.

Mrs Ibrahim also faces a sentence of flogging for adultery on the grounds that her marriage to a Christian man from South Sudan is considered void under Islamic law. She will be given 100 lashes. Because her father was Muslim, she was considered by the court to be the same.

Mrs Ibrahim told the judge: “I am a Christian and I never committed apostasy.”

Her lawyer said that she intended to appeal against the decision.

Amnesty International said Mrs Ibrahim was eight months pregnant and in detention with her 20-month-old son. A spokesman said: “The fact that a woman could be sentenced to death for her religious choice and to flogging for being married to a man of an allegedly different religion is abhorrent and should never be even considered.”

The sentence has been condemned by the international community. In a joint statement, the embassies of Britain, the United States, Canada and the Netherlands expressed “deep concern” over her case.

“We call upon the government of Sudan to respect the right to freedom of religion, including one’s right to change one’s faith or beliefs,” they said.

JT: Methinks Obama has a pre-prepared answer to this Islamic criminality: Obama's answer: *What difference does it make now?*

At <http://www.trevorloudon.com/2014/05/are-they-planning-to-shoot-farmers-next/> we read that "The U.S. Department of Agriculture has just submitted an [acquisition request](#) for .40 caliber submachine guns. Who will be using them? The Animal and Plant Health Inspection Service? The Federal Crop Insurance Agency? The Food Safety and Inspection Service? Will they use them to shoot rats in food warehouses and grain elevators?"

JT: Read this carefully! Methinks they are going to kill those **in sects!**

JT: Spontaneous thought: "People don't want to know the truth because they don't want to have their illusions destroyed." – Friedrich Nietzsche. How appropriate this is regarding Obama and his regime.

The preezy makes 400k. I didn't grow up under common core, so I know that 5% of 400k is 20k without first having to discuss how many crack vials Juanita would have if she gave 5 to each of her friends.

His tax return doesn't say 380K, it says 394.7k.

Did Geithner do his taxes?

JT: What we have here, American Patriots, is an example of Obama's transparency and his not lying. Free Beacon reports: "Obama promised last April to take a 5 percent pay cut in 'solidarity' with federal employees who were furloughed as a result of the automatic budget cuts, known as the sequester. The cut was meant to equate to the level of spending cuts imposed on nondefense federal agencies." <http://freebeacon.com/politics/did-the-president-take-a-pay-cut-like-he-promised-white-house-wont-say/>

According to the tax return, Mr. A-H Obama didn't keep his promise. Are you surprised? I'm not! On second thought, perhaps Oblahblah will keep his promise because he didn't say when!
