### 17 Questions About the Benghazi Terror Attack That Have Not Been Answered - And Everybody Knows It

14,228 Shares By Kyle Becker 1 week ago

Why didn't Hillary Clinton [convene](#) the State Dept. security task force to dispatch the [in extremis force](#) (rescue team) in Libya?

Why didn't Obama go to the situation room, like the "dude" formerly at the [NSC said](#) he didn't?

[Where was Obama](#) the whole night while our Ambassador was missing?

Why was [no rescue operation even sent](#) to aid people in an attack that lasted 8 hours and came in three waves in a former warzone? If it's [S.O.P.](#) to aid diplomats, what prevented a rescue operation from being launched?

Who issued the "[stand down](#)" orders to [prevent](#) the standard protocol of [attempting to aid](#) diplomats in harm's way?

Why did the Libyan government say [no flyover authority](#) was even requested? Because there was no intention to rescue the people at Benghazi?

If the White House knew from the first day that it was a terrorist attack (and [State Dept. emails](#) show that is the case), then why did they push the [lie about the video](#)... for days?

As Hicks said, there was [no spontaneous protest](#) at Benghazi, and NO ONE said there was one, then [how did a video](#) cause a non-existent protest?

Why did [Hillary Clinton lie](#) to a parent of the bereaved to his face at the state funeral about '[We are going to have the filmmaker arrested](#)'? The filmmaker was not involved in the terrorist attack.

The video had nothing to do with it, and they knew it for certain that it didn't, so why did they keep repeating the talking point in reference to the Benghazi terror attack after they knew it was false? (This proves it was a [talking point](#) from the get-go.)

Why was Susan Rice selected and [sent out to conflate](#) the Benghazi terrorist attack with Muslim protests (she was told to make sure no one thought it was a "[broader failure](#)" of policy)?

Why did Hillary put security in charge of the mission that had [ties to al Qaeda](#) – the [Feb. 17th Martyr's Brigade](#)?

When the SHTF, they [didn't even fight](#) the terrorists, the Feb. 17ers stood down and wanted to "negotiate" with them. Were they acting as liaisons in a [weapons-trafficking deal](#)? Where did the terrorists who attacked the diplomatic compound [get their weapons](#)?

Why haven't any of the terrorists complicit in carrying out the attacks been [brought to justice](#)?

Why were witnesses on the ground [hidden by the administration](#), and why are there claims these survivors' [names have been changed](#)?

What was a Turkish consul doing there, and were there [arms shipments to Turkey](#) from Libya [being routed](#) to the [al-Qaeda connected Free Syrian Army](#)?

Why did Ben Rhodes, the [brother](#) of CBS News' President David Rhodes, mimic the exact same Benghazi disinformation in his "smoking gun" email that Hillary Clinton sent in an email [36 hours earlier](#)?

**[Judge Jeanine's Smoking Hot Proof Democrats are Scared to Death of Gowdy & the Benghazi Hearings](#)** is here:

JT: If I were Barack Hussein Oblahblah and Killary Klinton, I'd wet and chocolate my pants. However, I'm not Oblahblah or Killary Klinton because I have a patriotic spinal cord in a patriotic backbone in a patriotic body with a patriotic heart and a patriotic brain, which they don't have.

\*\*\*

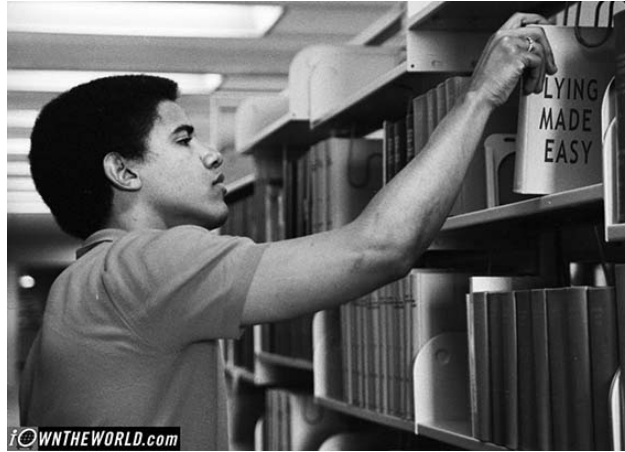

JT: Spontaneous thought! I don't think the special investigative committee on Benghazi will have any serious consequences, regardless of whether or not Obama and Clinton are guilty of murder. The enemedia wants to have a female next president and they will spin the facts until they have no meaning and it will turn out that George W. Bush is a fault. The important outcome is that Hillary will be the next president, which proves that things will get worse.

Don Fredrick of *The Obama Timeline* reports that according to NationalJournal.com "The VA scandal is that long delays are covered up and veterans are dying while awaiting care. It's a policy travesty magnified by an insulting public relations strategy."

JT: Remember the command of the Koran and Muhammad: *Kill the non-believer wherever they are*. Obama is just being a perfect Muslim!

JT: I think that Elizabeth Wahoo and Killary Klinton would make a very good team for the next non-leadership of the UISA. That would mean that since January 20, 2009, the USA would be without leadership. No other country in the world would beat this record.

At <http://yourdailymuslim.com/2012/11/25/your-daily-muslim-hojatoleslam-kazem-sedighi/> we read that disobedient women cause earthquakes.

JT: It is evident that Kazem Sedighi got his information directly from Muhammad. Because they cause earthquakes when they are disobedient, women must be disciplined, even killed. Of Course, this greatly reduces reduce the number of earthquakes.

**Muslim of the Year**

[Amira Abu Hanhan Qaoud](#)

Two of Palestinian Muslim Amira Abu Hanhan Qaoud's sons raped and impregnated her teenage daughter, who carried the child to term. Instead of punishing her rapist sons, Qaoud gave her daughter razors with which to kill herself for having allegedly violated the family's honor by being raped. When her daughter refused, Qaoud suffocated her and slit her wrists, killing her.

JT: Such a loving mother! It's Islam! Obama says respect it!

Go to <http://gopthedailydose.com/2014/04/28/hs-students-say-pledge-in-arabic-one-nation-under-allah/>

\*\*\*

"Ordinary men and women are too small minded to govern their own affairs. Order and progress can come only when individuals surrender their rights to an all powerful sovereign." <http://www.youtube.com/watch?v=0K1lrDS4wdo>

JT: Obama is right on this! The proof is that the small minded elected him twice!

\*\*\*

We read in the May 2014 issue of The Obama Timeline: "On May 25 Obama makes a surprise visit to U.S. troops in Afghanistan and pledges they will all leave by the end of 2014. Obama says, 'We're going to stay strong by taking care of your families. We're going to stay strong by taking care of our wounded warriors and our veterans. Because helping our wounded warriors and veterans heal isn't just a promise, it's a sacred obligation... I'm here to say that I'm proud of you. ...Tomorrow is Memorial Day. At bases here in Afghanistan and towns across America, we will pause and we'll pay tribute to all those who've laid down their lives for our freedom.'" Don Fredrick notes: "Obama returns to the United States without even visiting wounded veterans at Ramstein Air Base in Germany; he remains on Air Force One during the fuel stop."

JT: Yup, Obama is a hypocrite!

\*\*\*

JT: Spontaneous thought: Obama's leading from behind approach to politics is really Obama's leading from his behind approach to politics.

\*\*\*

At the Washington Post we read, "The CIA's top officer in Kabul was exposed Saturday by the White House when his name was inadvertently included on a list provided to news organizations of senior U.S. officials participating in ...Obama's surprise visit with U.S. troops. The White House recognized the mistake and quickly issued a revised list that did not include the individual, who had been identified on the initial release as the 'Chief of Station' in Kabul, a designation used by the CIA for its highest-ranking spy in a country. ([http://www.washingtonpost.com/world/national-security/white-house-mistakenly-identifies-cia-chief-in-afghanistan/2014/05/25/ac8e80cc-e444-11e3-8f90-73e071f3d637\\_story.html](http://www.washingtonpost.com/world/national-security/white-house-mistakenly-identifies-cia-chief-in-afghanistan/2014/05/25/ac8e80cc-e444-11e3-8f90-73e071f3d637_story.html))

JT: Methinks this is an Obama first: Transparency and ineptness in one blow! Well, let's be honest. This would have taken up some of his possible future golf course time on Memorial Day! American crap voters! I don't feel sorry for you. You idiots voted this crap into office and you are too chicken to revolt and get the crap out of office.

Just Thinking to Obama: "Although it may be a little too much for you to comprehend, I'd like you to comment on these aspects:

- Meriam Ibrahim , 27, sentenced to death last week for refusing to renounce her Christian faith in front of Sudanese court which considers her a Muslim
- A doctor and owner of shopping mall, she was also charged with adultery for marrying Christian Daniel Wani and sentenced to 100 lashes
- Meriam - who is eight months pregnant - is being held with her 20-month-old son, Martin, in a women's jail in Khartoum
- Family concerned over lack of medical care. Her feet are swollen from being shackled to the floor and she has been left bleeding
- Daniel flew to Sudan and this week saw her and Martin first time since she was thrown in jail in September
- Daniel, a biochemist, was born in war-torn Sudan but fled to the U.S. in 1998. He settled in Manchester, New Hampshire with his brother Gabriel
- Daniel says Martin is a U.S. citizen, but State Department would not confirm the boy's legal status
- Daniel, who has muscular dystrophy, is not allowed to take custody of Martin because he is Christian and the boy is considered by law to be a Muslim
- The husband was allegedly asked to send a DNA sample to U.S. Embassy in Khartoum to prove Martin is his son.

Obama to Just Thinking: Well, er, uh urm, ah ugh. Well, let me be clear, er uhm. I think the best erm, uh, ugh, ah, way to answer er, these uh, urm, ah, ugh aspects is er, uhm, uh, urm, ah, ugh for me to play a, er, uh, urm, ah, round of golf to get my head er, uh, urm, ah clear. If I hit a hole in one, I'll take some action. (Obama making an aside comment to one of his aides: Who is this uh, urm, a, er, ah Just Thinking Person? Is he and BFH in a, a, a, er, conspiracy er, uh, urm, ah against me?)

At <http://pjmedia.com/victordavishanson/lord-obama/?singlepage=true> we learn that some enemedia nuts think "Obama has 'cool.' Or what his wife calls 'swag.'" <http://freebeacon.com/culture/michelle-obama-my-husband-has-got-swag/>

JT: The Urban Dictionary (We have to use it because the Obamas are so down-to-earth!) has this to say about *swag*.

There are 475 definitions of *swag*, including quasi-repetitions. The first definition says everything about the Obamas.

"SWAG: The most used word in the whole f-----g universe. Douche bags (Michelle!) use it, your kids use it, your mail man uses it, and your f-----g dog uses it. If you got swag, you generally wear those shitty hats side way, and your ass hanging out like a f-----g goof cause your pants are half way down your ... ass' legs. To break down the word, it means (Secretly We Are Gay). It is also a word that means to represent yourself / the way you represent yourself, baggy clothes, shitty hats, small penis, and basically a way to say you're afraid to come out of the closet.

How appropriate!

\*\*\*

In the May issue of *The Obama Timeline* Don Fredrick writes that "Sergeant Andrew Tahmooressi is in a Mexican prison after making a wrong turn and inadvertently entering Mexico—with several legally registered weapons in his vehicle. ... Mexico is reportedly demanding cash for the Marines' release." ... Don Fredrick comments: "It should not be difficult for Obama to telephone the Mexican president and demand the release of Tahmooressi. Why he has not done so is not known.

JT: I don't know why the Obama regime is doing nothing to get Sergeant Andrew Tahmooressi released. My educated guess is that Obama hates the American military and every patriot in it. Furthermore, Obama's not doing anything is another way of satisfying his allegiance to Islam and "killing" all of the unbelievers that he can! Allah hop! Allah hop!! Allah hop!!!

JT: Here is Just Thinking's selection of quips from <http://www.imao.us/index.php/2014/05/random-thoughts-chicago-politicians-obama-and-va-and-feminism/> with some editing by JT.

- We're really talking about reparations? Well, we're just taking leaps and bounds into the future, aren't we.
- The left seems much more stuck in the past than the right, these days.
- So how many people are in prison for the IRS, Fast & Furious, and VA government abuse scandals?
- Back in my day, people would say how back in their day things were really tough. You kids have it easy; you don't hear how tough things were.
- Remember when we elected a Chicago politician president and then were surprised he was corrupt as a Chicago politician? That was fun.
- I'm sure this politician is going to be a caring, transcendent figure. And I'm sure this drug dealer is going to have a heart of gold.
- There are still enthusiastic supporters of President Obama? I can see partisans with grudging support, but enthusiastic is a bit baffling.
- Well, Nickelback sells concert tickets and t-shirts. I guess there can still be fervent Obama fans.
- Who am I to judge what makes Obama happy? I just wish he had an obsession that didn't make me lose my favorite health insurance plan.
- "I keep seeing all these horrible things on the news. Someone should do something about them." - President Obama

- President Obama will get things done about the VA as soon as he figures out who his Congressman is so he can write a letter to him.
- I don't get the Piketty controversy; I thought the left had long ago divorced economics from math.
- I remember the olden days when we couldn't make hashtags to solve our problems and actually had to do something about them.
- How do you teach a man not to sexualize a woman in skimpy clothing? Sounds like the heterosexual equivalent of the Obamas' conversion therapy.
- A realistic feminism needs to recognize that the main culprit of sexism is evolution.
- I'm all for fighting our worse nature to better ourselves, but recognize that's never a simple thing.
- I know it's a little late, but my FOIA request on FDR's birth certificate came back and he was born in Kenya.
- If you want to honor the sacrifice, do something grand with all the opportunities and advantages you've been given.
- A good name for a rock band catering to young activists would be "Rage Against Obama Reality."

In his graduation commencement speech to West Point Cadets, Obama says, a “spirit of cooperation needs to energize the global effort to combat climate change—a creeping national security crisis that will help shape your time in uniform, as we are called on to respond to refugee flows and natural disasters and conflicts over water and food, which is why next year I intend to make sure America is out front in putting together a global framework to preserve our planet. You see, American influence is always stronger when we lead by example. We can’t exempt ourselves from the rules that apply to everybody else. We can’t call on others to make commitments to combat climate change if a whole lot of our political leaders deny that it’s taking place.” [http://www.washingtonpost.com/politics/full-text-of-president-obamas-commencement-address-at-west-point/2014/05/28/cfbcdcaa-e670-11e3-afc6-a1dd9407abc\\_story.html](http://www.washingtonpost.com/politics/full-text-of-president-obamas-commencement-address-at-west-point/2014/05/28/cfbcdcaa-e670-11e3-afc6-a1dd9407abc_story.html)

JT: This sounds like American exceptionalism to me, something that Obama has always denied as being positive.

JT: Doesn't Obama know that climate changes all of the time?

JT: This is the rationale of a ninety-year old Christian man. The man had just turned 90 years old. Let's call him Mr. Smith to protect his family from repercussions. Mr. Smith was about to die and told his family that he had changed religions and had converted to Islam. Immediately the Catholic priest who had serviced the family their whole life, the Protestant minister who lived next door, and the Jewish the rabbi who lived across the street from Mr. Smith, and the complete Smith family with relatives convened at the Smith home to discuss the matter. They all asked Mr. Smith: Why did you convert to Islam?

Mr. Smith's answer: "Well, I thought if anyone has to bite the dust it is better that it is one of them than one of us!"
