In the September issue of The Obama Timeline, Don Fredrick reports that "A mere 40 percent of Americans trust the mass media to report the news 'fully, accurately, and fairly.'

JT: That 40 percent are so enthralled with their dumbness that they would believe that cats are really dogs and dogs are really cats if the mass media reported it.

\*\*\*

Also from the September issue of The Obama Timeline: "At a 'Congressional Picnic at the White House,' Obama says, 'You know it is, uh, Michelle was traveling to St. Jude's today to be with the amazing kids there, and the doctors and staff, who help families going through really tough diseases [sic]. But she would be the first one to testify that being married to a politician is not easy. And being the partner of a politician, being the child of a politician, it's hard. Sometimes you see your loved one attacked, sometimes you see them not appreciated, and they're away too much, and

you're having to shoulder some of the burdens of family. And so, to all the spouses, to all the children, everybody who helps support our public servants and our members of Congress, I just want to say thank you to you as well. For the great job that you do. We really, really appreciate it."

JT: Methinks that Mr. intellectual, military genius Redlines should send those present at the Congressional Picnic at the White House to Africa to fight the Ebola illness because of "the great job that you do". He said the same about the American military concerning their fighting capacity in Afghanistan that he hamstrung with his Rules of Engagement; and now he is sending to Africa to fight Ebola; perhaps to catch the virus and bring it back to the US to infect Americans. That is misuse of the American military. The left loves it! Jane Fonda would get up from her grave if she were dead. However, traitors like Fonda and Obama are never prosecuted and hung!

JT: And ... THERE ARE TRAITORS IN THE WHITE HOUSE! We've seen that before, too. What were Franklin Delano Roosevelt and Harry Hopkins, if not traitors? For more information read Diana West's book *American Betrayal The Secret Assault on Our Nation's Character*

At <http://www.firstthings.com/blogs/firstthoughts/2014/09/colleges-say-were-doing-great-employers-no-youre-not> we read: "only 33 percent of business leaders agreed that colleges are producing graduates with the skills their organizations need."

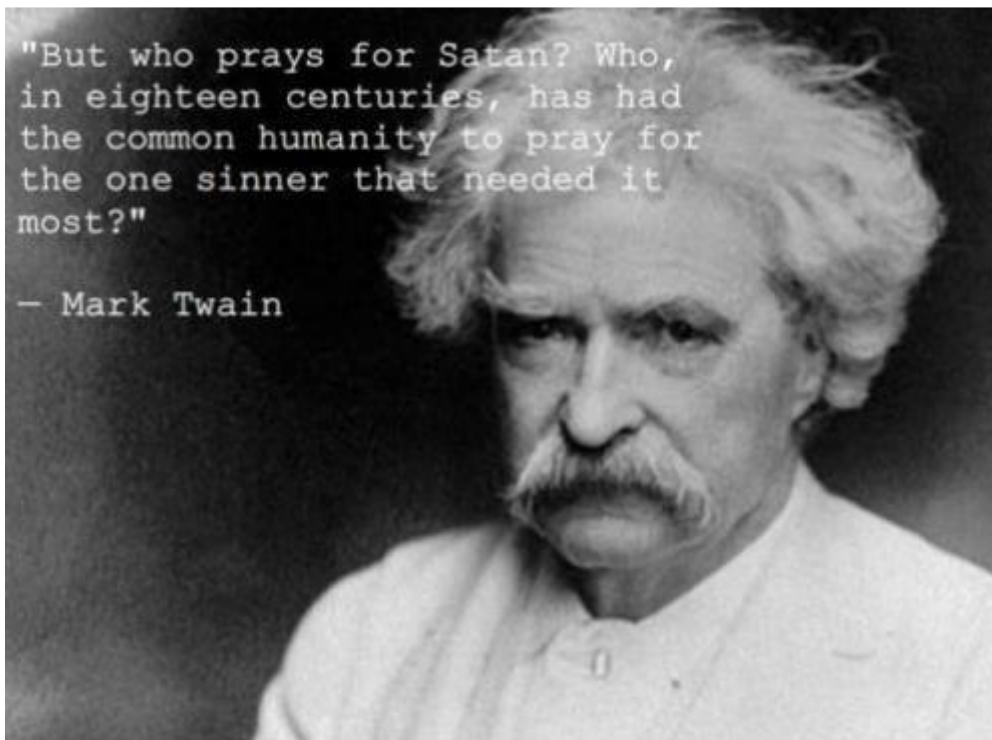

JT: The DemocrATS have done a complete job of dumbing down Americans!

\*\*\*

In the September issue of *The Obama Timeline* Don Fredrik writes: "Training 5,000 Syrians to fight ISIS, at a cost of \$500 million, comes out to \$100,000 per fighter. Little of that money will go to the fighters themselves, and there is no guarantee that they will be successful in degrading ISIS, let alone defeating it. For only \$300 million Obama could offer a \$10,000 bounty for every dead ISIS terrorist. The war would be over in two weeks.

JT: Perhaps a severed head could provide proof of the dead ISIS terrorist. Now that would get every POLD and the prostitute media to promote demonstrations and the matter would not be forgotten after a few hours.

## **POLITICAL SCIENCE-101**

### **A CURE FOR AMERICA'S CONGRESSIONAL PROBLEMS**

(SOURCE: [HTTP://WWW.REDDIT.COM/R/ATHEISM/COMMENTS/1RBX1S/START\\_WITH\\_A\\_CAGE\\_CONTAINING\\_FIVE\\_MONKEYS/](HTTP://WWW.REDDIT.COM/R/ATHEISM/COMMENTS/1RBX1S/START_WITH_A_CAGE_CONTAINING_FIVE_MONKEYS/))

If you start with a cage containing five monkeys, and inside the cage hang a banana on a string from the top, and then you place a set of stairs under the banana, before long a monkey will go to the stairs and climb toward the banana.

As soon as he touches the stairs, you spray ALL the monkeys with cold water. After a while another monkey makes an attempt with same result -- ALL the monkeys are sprayed with cold water. Pretty soon when another monkey tries to climb the stairs, the other monkeys will try to prevent it.

Now, put the cold water away.

Remove one monkey from the cage and replace it with a new monkey. The new monkey sees the banana and attempts to climb the stairs. To his shock, ALL of the other monkeys beat the Monkey Crap out of him.

After another attempt and attack, he knows that if he tries to climb the stairs he will be assaulted.

Next, remove another of the original five monkeys, replacing it with a new monkey. The newcomer goes to the stairs and is attacked. The previous newcomer takes part in the punishment -- with enthusiasm -- because he is now part of the "team." Then, replace a third original monkey with a new monkey, followed by the fourth, then the fifth. Every time the newest monkey takes to the stairs, he is attacked.

Now, the monkeys that are beating him up have no idea why they were not permitted to climb the stairs. Neither do they know why they are participating in the beating of the newest monkey.

Finally, having replaced all of the original monkeys, none of the remaining monkeys will have ever been sprayed with cold water. Nevertheless, not one of the monkeys will try to climb the stairway for the banana.

Why, you ask? Because in their minds, that is the way it has always been! This, my friends, is how today's House and Senate operates; and this is why, from time to time:

ALL of the monkeys need to be  
REPLACED AT THE SAME TIME!

(Note: The last sentence was adapted by Don Fredrik of *The Obama Timeline*.)

BigFurHat of iOwnTheWorld has done realistic portraits of the Obamas. Michelle's portrait:

**MICHELLE OBAMA**

Source: <http://iowntheworld.com/blog/wp-content/uploads/2014/09/moose.jpg>

Now here' s Barry's portrait:

Source: <http://iowntheworld.com/blog/wp-content/uploads/2014/09/Unknown-14.jpeg>

JT: My opinion is that Michelle's portrait is bacon sweet in showing her real being and Barry's portrait is a hole-in-one!

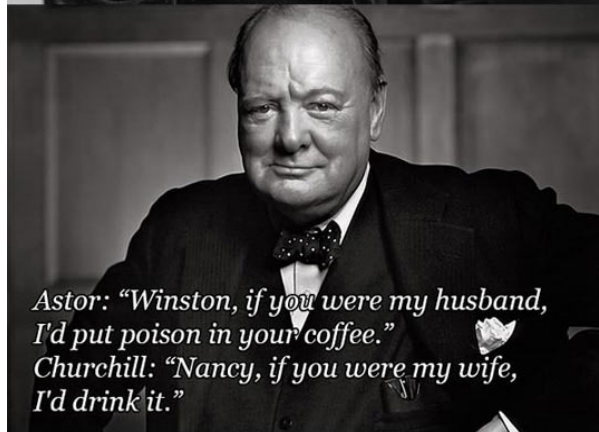

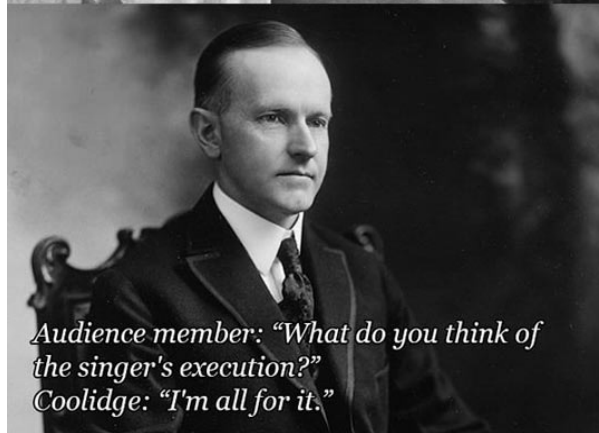

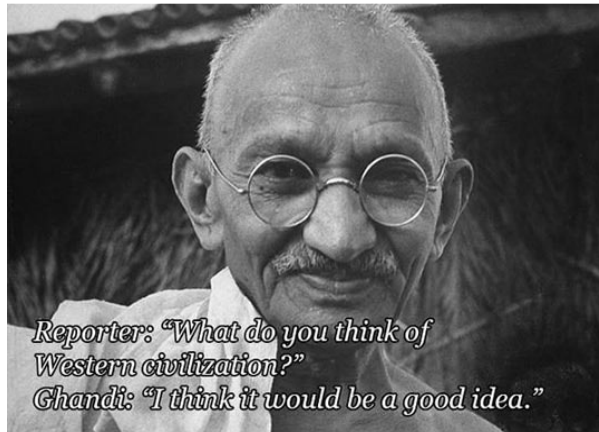

\*\*\*

JT: Most people fear Islam because they forget everything and run. My reaction to Islam is to face everything and rise up against it!

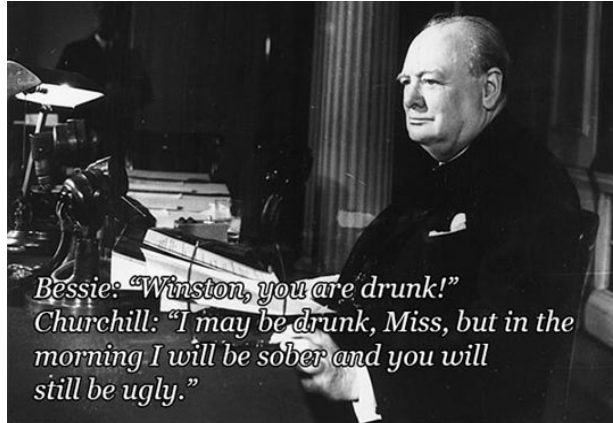

\*\*\*

JT: Think about this concerning progressives, obots, liberals, dumb-downers, socialists-communists. Never underestimate the power of stupid people in political parties.

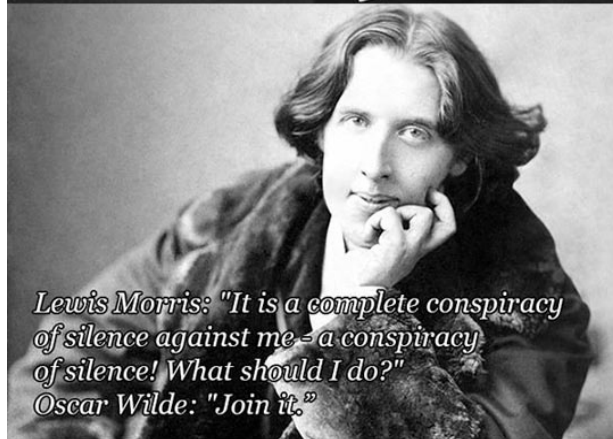

\*\*\*

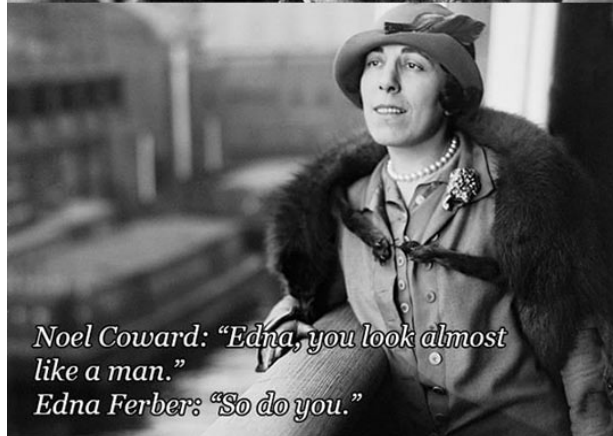

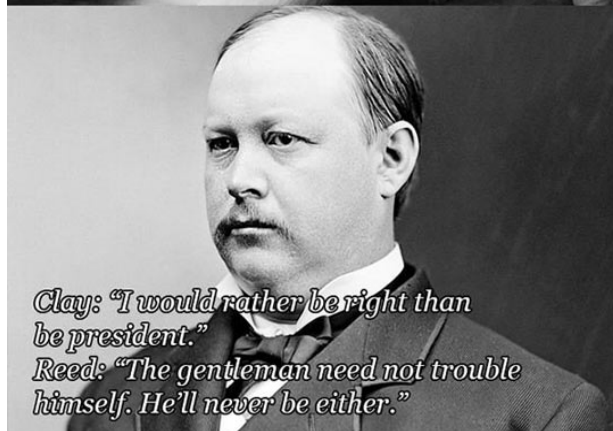

*Bessie: "Winston, you are drunk!"  
Churchill: "I may be drunk, Miss, but in the morning I will be sober and you will still be ugly."*

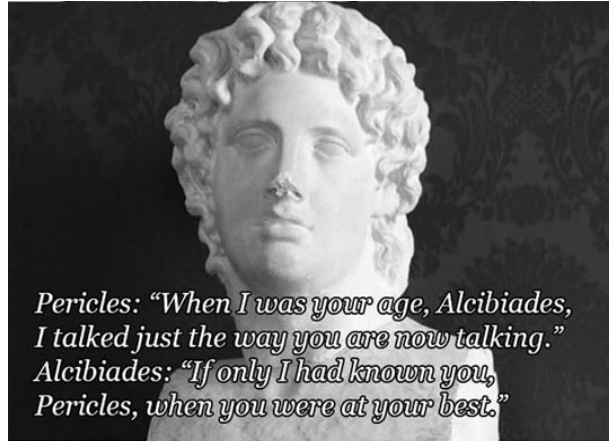

*Lewis Morris: "It is a complete conspiracy of silence against me - a conspiracy of silence! What should I do?"  
Oscar Wilde: "Join it."*

*Noel Coward: "Edna, you look almost like a man."  
Edna Ferber: "So do you."*

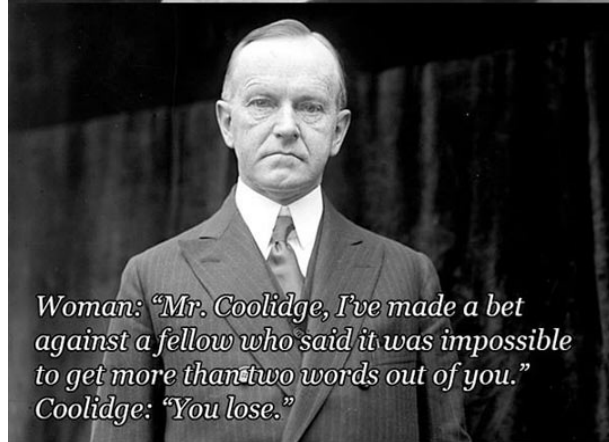

*Clay: "I would rather be right than be president."  
Reed: "The gentleman need not trouble himself. He'll never be either."*

*Pericles: "When I was your age, Alcibiades, I talked just the way you are now talking."  
Alcibiades: "If only I had known you, Pericles, when you were at your best."*

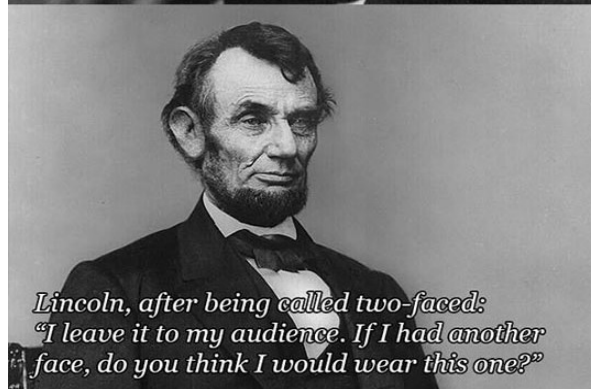

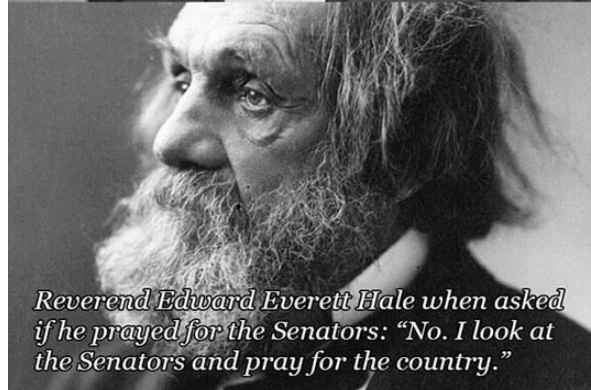

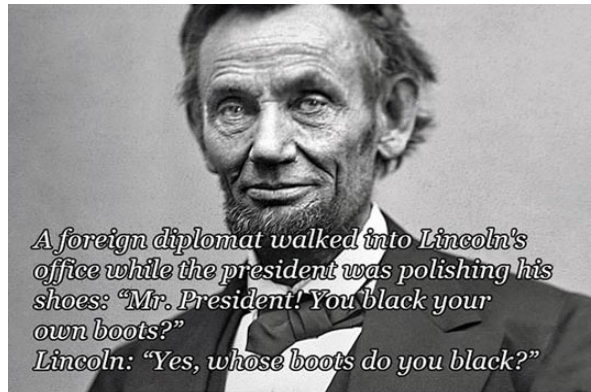

*Drunk man: "I can't bear fools."  
Parker: "Apparently your mother could."*

*Woman: "Mr. Coolidge, I've made a bet against a fellow who said it was impossible to get more than two words out of you."  
Coolidge: "You lose."*

*Actress: "I enjoyed reading your book. Who wrote it for you?"  
Chase: "Darling, I'm so glad that you liked it. Who read it to you?"*

JT: Excellent retorts they are. Here are some quips by William Shakespeare that apply to the Obamas:

"Away, you scullion! you rampallion! you fustilarian! I'll tickle your catastrophe."

King Henry IV, Part 2, Act II, Scene i.

I'll paraphrase it: Obama's politics' are like "when the bag-pipe sings i' the nose, (he) cannot contain (his) urine."

Merchant of Venice, Act IV, Scene i

"Wilt thou show the whole wealth of thy wit in an instant?"

Merchant of Venice, Act III, Scene v

"You speak an infinite deal of nothing."

Henry IV, Part 1, Act II, Scene ii

As they stride they sweat and lard the lean earth as they walk along!

JT: Question: Who is this?

Answer: According to BigFurHat, "the most elegant, most beautiful, most magnificent first lady in the history of first ladies."

At <http://www.worldnewsbureau.com/2014/09/tough-obama-rains-destruction-upon-isis.html> we read of the destruction of Obama's bombing of the town of Raqqa, the so-called capital of ISIS in Syria. Here is the damage result:

"Tuesday morning revealed the following enemy assets destroyed:

- 7 buildings - apparently unoccupied at the time
- 13 suspected ISIS soldiers (or citizens wearing black tee shirts)
- 22 small, dilapidated pickup trucks - some with mounted guns
- 4 stolen Humvees
- 8 mopeds
- 12 donkeys
- 7 camels
- 124 goats
- Inflatable swimming pool
- Wheelbarrow

"At a press conference Tuesday President Obama defended his decision to notify 'moderate' rebel groups in the area well in advance of the attack, insisting it played no part in the fact the thousands of ISIS troops living in Raqqa were apparently having a backyard barbecue in a neighboring town during the assault."

JT: Obama is a military genius!
