"Many Americans would be surprised to learn that their tax dollars may be subsidizing health coverage for foreign diplomats. The Committees on Foreign Affairs and Ways and Means are investigating the extent to which these diplomats receive taxpayer-subsidized premium tax credits and cost-sharing subsidies under the Affordable Care Act. We are seeking to determine how many such individuals participate in these programs and the total cost of such benefits. ... We fully support the ability of foreign diplomats to purchase health care coverage in the United States. We do not, however, believe that American taxpayers should subsidize these services." Respective Republican Congressmen have already registered a complaint with IRS Commissioner John Koskinen. "The Republicans' official letter asks the IRS chief to provide information on just how many foreign nationals have enrolled in ACA and the total cost of all subsidies given to foreign diplomats." ([http://www.examiner.com/article/outrageous-irs-gives-foreign-diplomats-taxpayer-funded-obamacare?CID=examiner\\_alerts\\_article](http://www.examiner.com/article/outrageous-irs-gives-foreign-diplomats-taxpayer-funded-obamacare?CID=examiner_alerts_article))

JT: One would think that government subsidized health care in America is for Americans only!

Spontaneous Answer: They all yelp at the moon.

"The challenge of our generation is going to be to deal with religious radical extremism, which exploits a legitimate and beautiful religion [Islam] that is being totally distorted, has nothing to do with what they purport to be pursuing, and nevertheless captures the minds of some of our young people... ." John Kerry,

Secretary of State in Ottawa, Canada. (<http://pjmedia.com/tatler/2014/10/29/kerry-in-ottawa-legitimate-and-beautiful-religion-totally-distorted-by-attackers/>)

JT: Cranial-anal contortionist John Kerry believes in the following legitimacy and beauty of Islam:

AMERICAN LAW NOT SUPREME – advocating for foreign laws and traditions to be superior to U.S. laws;

INEQUALITY – teaching chauvinism, that men are more equal than women before the law;

KIDNAPPING OF CHILDREN – facilitating a father taking a woman's children to another country which has laws denying her rights to her own children;

MUTILATION - practicing female genital mutilation;

NAME-CALLING – calling women who are not covered "whores," or any race of people "apes or pigs";

NO AGE OF CONSENT – allowing a man to marry a girl who is under the age of consent;

POLYGAMY – allowing a man to have multiple wives;

PUNISHMENT OF RAPE VICTIMS – whipping, stoning or inflicting of corporal punishment on a woman who has been the victim of a rape;

JT: Spontaneous thought: Why is Obama against travel restriction of people coming from Ebola-infested West African countries into the United States?

On mid-term election night Mitch McConnell, possible the future Senate Majority Leader said " ... I don't expect [Obama] to wake up tomorrow and view the world any differently than he did when he woke up this morning. He knows I won't either. But look, we do have an obligation to work together on issues where we can agree. I think we have a duty to do that. Just because we have a two party system doesn't mean we have to be in perpetual conflict. I think I've shown that to be true at critical times in the past. I hope [Obama] gives me the chance to show it again." (<http://www.dailymail.co.uk/wires/reuters/article-2820613/Republicans-expect-gains-races-close-Election-Day.html>)

JT: This deserves comment. Here it is:

I don't expect [Obama] to wake up tomorrow and view the world any differently than he did when he woke up this morning. He knows I won't either.

**Mr. McConnell: Your view of the world the past six years as a soft-cake view of the world. The German language has a good word for your political stances when it comes to loggerheads: *Waschlappen* (wet cloth without stature.) Your stances during the past six years have not been controversial. They are too politically correct and you let Obama get away with everything!**

But look, we do have an obligation to work together on issues where we can agree. I think we have a duty to do that.

You don't have an obligation to work together with the DemocRATS on issues at all. You have an obligation to obey the rule of the Constitution for the United States of America. Nowhere in that document does it say that America must be made of BIG Government handouts. Your obligation is to represent the people of the state of Kentucky 100 percent. Your obligation is not to compromise with the DemocRATS. You were elected to forcibly stop Hope and Change. You were elected to forcibly stop Obama and his regime of DemocRATS!!! You are not of the DemocRAT Party, or are you? You often appear as a Republican in Name only (RINO). For example, you have said that you want to work with Obama on immigration reform. Immigration reform is not necessary. What is necessary is to implement the immigration laws that are already in force but are not executed. Obama's claim that immigration reform is necessary is another example of his creating a problem that doesn't really exist.

Just because we have a two party system doesn't mean we have to be in perpetual conflict.

**The reality is that it means just that! One party is the government and the other party is in the opposition.**

I think I've shown that to be true at critical times in the past. I hope [Obama] gives me the chance to show it again.

**You haven't shown that in the past. You have shown nothing but a weak spine camouflaged in political correctness. You want Obama to give you a chance again? Obama will throw you under the bus and execute you and all republicans politically. You must go after the DemocRATS' political necks! And expose their socialist-communist lies.**

If you become Senate Majority Leader you will present your position with the most politically correct picture of yourself. You will become the Senate Republican Obama. It will be all about you, not about the United States of America. It will be a miracle if you don't asphyxiate yourself with your self-love and how you have become Senate Majority Leader. You will drown in your own self-blabbering political correctness without a bit of American steadfastness in you. I will go so far as to say that in your working with Obama and the DemocRATS you will cave in to their demands and present it as a victory! Wishy-washy!!! The complete Congress should question every Obama signature on a legislative bill or an executive order as to its validity! But that would be a patriotic thing to do, wouldn't it Mr. McConnell and Mr. Boehner? The true leader as the next Senate Majority Speaker should be somebody with bite, like Ted Cruz! The same argument can be made for the wishy-washy Speaker of the House of Representatives John Boehner. Republicans in Congress need a speaker with the patriotism, steadfastness and truth of Trey Gowdy!

**BREAKING: Shariah Law Gets BANNED by Alabama... Muslims Are Going Crazy**  
(<http://conservativetribune.com/shariah-law-banned-alabama/>)

JT: Finally good development for America. Muslims are going crazy? Muslims are crazy! They are lunatics! First of all, they believe in a moon god named Allah. Secondly, they do not have independent opinions; they repeat what their imams say. Thirdly, their lunacy is meteoritic!

JT: I sometimes quote complete articles because they are important in their entirety. Here is one:

**NOW'S THE TIME.... LET'S ROLL!**

ALL MEMBERS, DONORS AND TRUE PATRIOTS...

Last night is nothing shy of a nationwide rebuke of leftist control of our great nation. It marks what "can be" an historic turning point for America and it is UP TO

US to make the most of this opportunity!

As we celebrate yesterdays Republican victories in congress and governorships across the country, we must remember two very important things...

- Not every Republican is a conservative
- Republicans will try to "reach out" to the left instead of running over the treasonous left with their new found power

As a result, **WE THE PEOPLE** must up the ante by holding all Republicans immediately accountable for doing the right things for America with their new found power. Exit polls from yesterday confirmed that 70% of Americans believe the country is headed in the **WRONG DIRECTION** and the GOP has an opportunity to turn this country around.

**IF THE GOP FAILS TO LEAD THIS COUNTRY IN AN ABOUT-FACE, THE GOP WILL HAVE REACHED THE END OF THE ROAD AS A VIABLE POLITICAL PARTY IN AMERICA!**

Our organizations have set a strict priority list for beginning the process of turning America around in an honest effort to [Restore the Constitutional Republic](#).

WE THE PEOPLE have placed Republicans in a position to SAVE AMERICA! Now, WE THE PEOPLE must set the agenda for those Republicans, so that they do not squander this opportunity, relegating the GOP to the ash heap of history.

### **OUR TOP PRIORITIES**

1. **STOP any form of amnesty for illegals**, begin the immediate arrest and deportation of those who have broken and entered our country seeking to alter American society and destroy our Republic.
2. Force Congress to pass the first Federal Budget since 2008 **defunding ALL "unconstitutional" Obama policies**, including but not limited to ObamaCare.
3. Finish all congressional investigations on Benghazi, Fast and Furious, Middle East gunrunning, Extortion 17, the IRS and DOJ scandals, and more, by bringing **criminal charges against ALL who are responsible**. (Changing Military ROE as well).
4. Continue to erect [Balance of Powers Committees](#) in each state legislature, so that no matter who holds power in DC looking forward, states are able to enforce States Rights at the state line.

Last but certainly not least is the dirty word that many want to avoid, but cannot be avoided if we want to secure the future of our Constitutional Republic....

### **IMPEACHMENT!**

Republicans said they didn't want to talk impeachment until "after the election..." Well, it's now "after the election!" - Unless Republicans use their new congressional majority to right the fraud and treason that is the entire Obama administration, nothing else they do will matter.

When we face a treasonous and fraudulent administration the magnitude of the Obama administration, our nation cannot survive long term without righting this wrong.

**The FIRST DUTY of EVERY member of congress is to PROTECT, ENFORCE AND PRESERVE the US Constitution and Bill of Rights. Any congress that fails in the greatest duty of congress is a failure!**

[OBAMA AND COMPANY MUST BE IMPEACHED](#) and Republicans no longer have any excuses for not doing their most fundamental duty! Come January, Republicans can and MUST move to remove the most impeachable administration in US history and they can eliminate Hillary Clinton for 2016 in that process.

It is NOT a matter of "if" we should impeach, but rather [HOW](#)...

Republicans will resist.... TV and Radio talking heads will try to shift focus to legislative agendas and away from righting this ship! WE MUST PREVAIL in holding people accountable!

[HERE'S THE TRUTH ON IMPEACHMENT!](#)

If you agree with this organizational priority list, then SUPPORT IT!

If you want to see these things happen, then get involved in MAKING THEM HAPPEN!

[RENEW YOUR COMMITMENT AND MEMBERSHIP HERE!](#)

[JOIN PATRIOTS UNION HERE!](#)

[JOIN VETERAN DEFENDERS HERE!](#)

[DONATE TO North American Law Center and all of our organizational efforts HERE!](#)

**NOW IS THE TIME..... LET'S ROLL!**

Yesterday's election proved a few very important things....

1. There are MORE of US than of them!
2. ACTIONS speak louder than words!
3. UNITED ACTION speaks the loudest!
4. WE CAN DO ANYTHING - WHEN WE DO IT TOGETHER!

STAND WITH US as we begin to set the agenda for the new congress and state governments across the country! If it is to be a government of, by and for the people, WE THE PEOPLE will have to MAKE IT SO!

God Bless America and all who worked to give all Americans a critical opportunity to turn this country around!

ATTORNEY: Did you check for breathing?

ATTORNEY: So, then it is possible that the patient was alive when you began the

WITNESS: No.  
ATTORNEY: How can you be so sure, Doctor?  
WITNESS: Because his brain was sitting on my desk in a jar.

**RED SEA: ARCHAEOLOGISTS DISCOVER REMAINS OF EGYPTIAN ARMY  
FROM THE BIBLICAL EXODUS**

[http://www.israpundit.org/archives/63602157?utm\\_source=emailcampaign2048&utm\\_medium=phpList&utm\\_content=HTMLemail&utm\\_campaign=ISRAPUNDIT+DAILY+DIGEST+NOV+3%2F14](http://www.israpundit.org/archives/63602157?utm_source=emailcampaign2048&utm_medium=phpList&utm_content=HTMLemail&utm_campaign=ISRAPUNDIT+DAILY+DIGEST+NOV+3%2F14)

[World Net Daily](#)

24 October, 2014

Suez| Egypt's Antiquities Ministry announced this morning that a team of underwater archaeologists had discovered that remains of a large Egyptian army from the 14th century BC, at the bottom of the Gulf of Suez, 1.5 kilometers offshore from the modern city of Ras Gharib.

For centuries, the famous biblical account of the "Red Sea Crossing" was dismissed by most scholars and historians as more symbolic than historical.

The team was searching for the remains of ancient ships and artefacts related to Stone Age and Bronze Age trade in the Red Sea area, when they stumbled upon a gigantic mass of human bones darkened by age.

The scientists lead by Professor Abdel Muhammad Gader and associated with Cairo University's Faculty of Archaeology, have already recovered a total of more than 400 different skeletons, as well as hundreds of weapons and pieces of armor, also the remains of two war chariots, scattered over an area of approximately 200 square

meters. They estimate that more than 5000 other bodies could be dispersed over a wider area, suggesting that an army of large size who have perished on the site.

Many clues on the site have brought Professor Gader and his team to conclude that the bodies could be linked to the famous episode of the Exodus. First of all, the ancient soldiers seem to have died on dry ground, since no traces of boats or ships have been found in the area. The positions of the bodies and the fact that they were stuck in a vast quantity of clay and rock, implies that they could have died in a mudslide or a tidal wave.

The sheer number of bodies suggests that a large ancient army perished on the site and the dramatic way by which they were killed, both seem to corroborate the biblical version of the Red Sea Crossing, when the army of the Egyptian Pharaoh was destroyed by the returning waters that Moses had parted. This new find certainly proves that there was indeed an Egyptian army of large size that was destroyed by the waters of the Red Sea during the reign of King Akhenaten.

This astounding discovery brings undeniable scientific proof that one the most famous episodes of the Old Testament was indeed, based on an historical event. It brings a brand new perspective on a story that many historians have been considering for years as a work of fiction, and suggesting that other themes like the “Plagues of Egypt” could indeed have an historical base.

A lot more research and many more recovery operations are to be expected on the site over the next few years, as Professor Gader and his team have already announced their desire to retrieve the rest of the bodies and artifacts from was has turned out to be one of the richest archaeological underwater sites ever discovered.

JT: Ye shall know the truth and the truth shall set you free. (John 8:32)
