JT: Barack Hussein Obama became the illegal president in January of 2009. The figures prove that the Rules of Engagement in Afghanistan are responsible for more deaths of American soldiers and coalition soldiers than the accumulated deaths under the leadership of the legal President George W. Bush! Barack Hussein Obama is the chief executioner!!!

<http://conservativehideout.com/2014/11/06/holder-dumps-64000-fast-furious-documents-night-before-election/> reports The Justice Department has handed over to House investigators 64,280 pages of documents related to the notoriously botched Operation Fast and Furious — data President Barack Obama had claimed was exempt from congressional review.

JT: Nope!!! It's not a fairy tale

[Robert Spencer](#) Nov 5, 2014 at 5:11pm [Islamic State of Iraq and Syria](#), [slavery](#) [41 Comments](#)

“One should remember that enslaving the families of the *kuffar* — the infidels — and taking their women as concubines is a firmly established aspect of the Shariah, or Islamic law.”

Indeed so: “When a child or a woman is taken captive, they become slaves by the fact of capture, and the woman’s previous marriage is immediately annulled.” (*Umdat al-Salik* O9.13)

“Shocking: ISIS Official ‘Slave’ Price List Shows Yazidi, Christian Girls Aged ‘1 to 9’ Being Sold for \$172,” by Johnlee Varghese, [International Business Times](#), November 5, 2014 (thanks to [The Religion of Peace](#)):

In a rather shocking revelation, it has been found that Islamic State militants have been selling Yazidi and Christian girls as young as one to nine years of age for a price of \$172 in Iraq.

Activists working ‘secretly’ out of Iraq have leaked a ‘price list’ of the ISIS slave markets, from where men can buy Yazidi and Christian women as ‘sex slaves.’

According to a report published by [Iraqi News](#), ISIS has imposed these ‘price controls’ over the sale of women and spoils of war, including cattle as the market lately has experienced a down-turn.

It also stated that those disobeying the diktat ‘would be executed.’

On the price list, the youngest is a mere one-year-old girl, while the oldest is 50.

The price for the girls between one- and nine-years is the highest, followed by Yazidi or Christian girls between the ages of 10 and 20, priced at \$130.

Women between the ages of 20 and 30 were being sold for \$86; a 30 to 40 year was being sold for \$75 and 40 to 50 year old women were listed for sale at a price of \$43.

The barbaric group that has full-fledged slave markets both in Mosul, Iraq and Raqqa, Syria; has even gone to the extent of justifying its kidnapping of women as sex slaves citing Islamic theology.

“One should remember that enslaving the families of the *kuffar* — the infidels — and taking their women as concubines is a firmly established aspect of the Shariah, or Islamic law,” the group had said in an online magazine report, reported [CNN](#).

In the price list translated from Arabic, the ISIS says: “In the name of Allah, most gracious and merciful. We have received news that the demand in women and cattle markets has sharply decreased and that will affected Islamic State revenues as well as the funding of the Mujaheddin in the battlefield. We have made some changes. Below are the prices of Yazidi and Christian women.” After listing out the prices on the women, the ISIS notes that “consumers are allowed to purchase only three slaves at a time, except those from Turkey, Syria and Gulf.”

The price list reportedly is dated 16 October, 2014. The authenticity of the list that has widely been shared on social media could not be verified independently....

JT: The content of the above-quoted report by Jihad Watch "could not be verified independently" it does present a tolerant and peaceful Islam that has never been tolerant and peaceful!

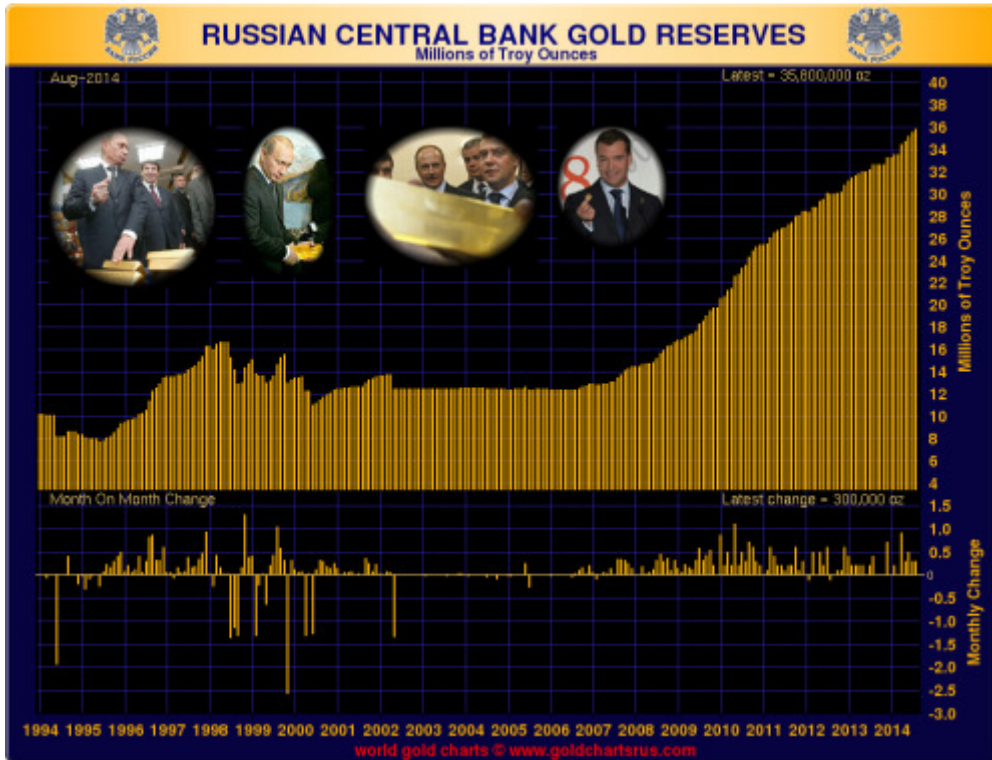

JT: Here's the headline of the year: At CNN a bottom of the screen banner (chyron) headline reads “SEAL WHO CLAIMS HE KILLED OBAMA UNDER ATTACK.” Yup! OBAMA, not OSAMA (<http://www.bizpacreview.com/2014/11/08/cnn-banner-reports-on-seal-who-claims-he-killed-obama-hilarity-follows-157547>) The German news magazine *FOCUS Online* calls the chyron a "peinliche TV-panne." (an embarrassing TV-glitch.)

I don't know what's embarrassing about the chyron!!! ... Perhaps the fact that Obama is still alive?

JT: The scientists are planning to name the virus the *Obama dopes in chains virus*.

At <http://www.washingtontimes.com/news/2014/nov/11/montgomery-county-school-board-strips-calendar-chr/#ixzz3lpzQaCKo> we learn that **"To appease Muslim concerns, school district drops religious holidays from calendar"**

"Montgomery County, Maryland parents, CAIR sought days off for Eid al-Fitr, Eid al-Adha"

JT: It's only a matter of time before Maryland changes its name to Muhammadland and teach Muslim school children how to behead infidel school children!

“Punish and expel those who threaten us, no matter the cost to them. They must pay the price for their terror. That is the only way the terrorism will end.”- Dalia Lemkos. Read the complete story at this source:

JT: Well stated, but it should be the first step only. The second step is not to allow Muslims into the USA because the fact that they are Muslim means that they owe allegiance to Allah and Muhammad and to no infidel country!

"It is the soldier, not the reporter, who has given us freedom of the press.

It is the soldier, not the poet, who has given us freedom of speech.

It is the soldier, not the organizer, who gave us the freedom to demonstrate.

It is the soldier who salutes the flag, who serves beneath the flag and whose coffin is draped by the flag, who allows the protester to burn the flag."

– Father Dennis Edward O'Brien, USMC

JT: Yesterday November 11 was Veterans' Day. Although this issue of *Just Thinking* is dated later than 11 November, I didn't forget it and neither should you! Never forget it!!!

According to Wikipedia: "This poem is often attributed to [Fr. Dennis Edward O'Brien](#). Father O'Brien apparently sent the poem to Dear Abbey, who incorrectly attributed it to him. Before his death, he was always quick to say that he had not written the verse." Many sources list Charles Michael Province as the poet.

<http://www.activistpost.com/2014/10/ebola-hoax-hidden-purpose-of-operation.html> has a very disturbing article concerning Ebola. Here it is in its entirety:

Behind every phony pandemic, there are a number of agendas in play.

In this case, the Globalist heavy hitters, who are dedicated to managing the planet, view things this way:

Use a crisis to build a larger structure than previously existed.

As in: one global healthcare system. All-encompassing.

The propaganda? "We can't defeat Ebola unless all nations form one system that allows prevention and quarantine and immediate treatment anywhere on Earth."

In that sense, Ebola is the occasion for adding wings to the system.

Ditto for every so-called epidemic.

“Well, we faced down and ultimately defeated virus X. But at great cost of life. Now we have to build better bridges between the healthcare systems of nations—and finally, we need one great Dispensary that adjudicates where drugs and vaccines go, who is quarantined, which borders are sealed off, at any point on the globe.”

We’re talking about a very high-level op here.

The Globalist dream? A single cradle-to-grave maze every person on earth follows, as a docile patient taking orders, submitting to diagnoses, taking vaccines and drugs, allowing their bodies and minds and energies and strength and independence to be drained away.

A single global medical system is the ideal structure of control.

Crisis A? Build a bigger system. Crisis B? Add to that system. Crisis C? Add more to the system.

And of course—invent each crisis.

The “medical crisis” is ideal, because it seems to involve no political agenda, no partisan position, no motive other than “helping those in need.”

You’ll be hearing phrases like “the pitfalls of privatized medicine,” and “uncaring corporations,” and “the UN has to step in to solve the Ebola crisis,” and “international cooperation.”

Realize that behind these phrases, there is another op in progress. It has nothing to do with predatory corporations or greedy doctors. It has everything to do with building Medical Central for planet Earth.

Under that system, up the line, a patient would have no choice about whether to accept a diagnosis or take a drug or vaccine.

The watchword will be: compliance.

For “the greater good.”

JT: Methinks ObamaCare is only a small part of globalized medicine! It's time to defeat Obama (impeach, find guilty, and serve sentence) and get rid of his globalized-oriented ObamaCare.

Cicero (106 BC - 43 BC)

The Jews have already gotten me into a fine mess, as they have many other gentlemen. I have no desire to furnish further grist for their mills.

- Oration in Defense of Flaccus

Cornelius Tacitus
(56 AD - 117AD)

The other practices of the Jews are sinister and revolting, and have entrenched themselves by their very wickedness. Wretches of the most abandoned kind who had no use for the religion of their fathers took to contributing dues and free-will offerings to swell the Jewish exchequer; and other reasons for their increasing wealth may be found in their stubborn loyalty and ready benevolence towards brother Jews. But the rest of the world they confront with the hatred for enemies.
- The Histories, Book Five

Thomas Aquinas
(1225 - 1274)

The Jews should not be allowed to keep what they have obtained from others by usury; it were best that they were compelled to work so that they could earn their living instead of doing nothing but becoming avaricious.
- On the Governance of the Jews

Martin Luther
(1483 - 1546)

But the Jews are so hardened that they listen to nothing; though overcome by testimonies they yield not an inch. It is a pernicious race, oppressing all men by their usury and rapine. We must ever keep on guard against them.
- Table Talk

Pope Clement VIII
(1536 - 1605)

All the world suffers from the usury of the Jews, their monopolies and deceit. They have brought many unfortunate people into a state of poverty, especially the farmers, working class people and the very poor.
- Caeca et Obdurata

Christopher Marlowe
(1564 - 1593)

To undo a Jew is charity, and not sin.
- The Jew of Malta (Act Four)

Voltaire
(1694 - 1778)

All of the other people have committed crimes, the Jews are the only ones who have boasted about committing them. They are, all of them, born with raging fanaticism in their hearts, just as the Bretons and the Germans are born with blond hair. I would not be in the least bit surprised if these people would not some day become deadly to the human race.
- Lettres de Memmius a Cicéron

 <p>Richard Wagner (1813 - 1883)</p>	<p>It is necessary for us to explain the involuntary repugnance we possess for the nature and personality of the Jews ... The Jews have never produced a true poet. Heinrich Heine reached the point where he duped himself into a poet, and was rewarded by his versified lies being set to music by our own composers. He was the conscience of Judaism, just as Judaism is the evil conscience of our modern civilization. - Judaism in Music</p>
 <p>Kaiser Wilhelm II. (1859 - 1941)</p>	<p>A Jew cannot be a true patriot. He is something different, like a bad insect. - Chicago Tribune</p>
 <p>Henry Ford (1863 - 1947)</p>	<p>The only statement I care to make about the Protocols [of the Elders of Zion], is that they fit in with what is going on. - The American Axis, St. Martin's Press</p>
 <p>H. L. Mencken (1880 - 1956)</p>	<p>The Jews could be put down very plausibly as the most unpleasant race ever heard of. As commonly encountered, they lack many of the qualities that mark the civilized man: courage, dignity, incorruptibility, ease, confidence. They have vanity without pride, voluptuousness without taste, and learning without wisdom. - Treatise on the Gods</p>
 <p>Richard Nixon (1913 - 1994)</p>	<p>The government is full of Jews. Second, most Jews are disloyal. You know what I mean? You have a Garment and a Kissinger - and, by God, they're exceptions. But Bob, generally speaking, you can't trust the bastards. They turn on you. - 1973 Tape recording between Nixon and Bob Haldeman</p>

JT: Unfortunately, no, ... much more than that, anti-Semitism (Curse it!!!) is not new. If there is anything such as hate speech, it is anti-Semitism, particularly the anti-Semitism and Jew hatred that comes from Islam and Muslims!!!

"People think I'm a crazy old hag and I've never been on the cover of TIME magazine!", says Nanci Pelosi(<http://iotwreport.com/#DQjzp0PGDujVrqIm.99>)

JT: Thank goodness the reply is not politically correct!!!

JT: Here's another JT scoop! JT has a picture of Obama as a train engineer driving the locomotive of his government regime in a progressive direction that can never be re-directed except by impeachment, conviction, sentencing and a law stating that everything Obama signed as putative president is null and void. Harry Reid and Nanci Pelosi are giving their appreciation for Obama's abilities. The dog is a progressive hound!

Allah Praised on House Floor

<http://bit.ly/1tSIY2Z>

JT: I think this is appropriate when you understand the fact that Allah is a moon deity. The moon is *luna* and those in the House of Representatives who are responsible and who didn't protest are lunatics.

The National Cathedral in Washington, D.C. (an Episcopal church technically called the Cathedral Church of Saint Peter and Saint Paul in the City and Diocese of Washington) hosts a prayer service for Muslims. Before the prayers begin, a Christian woman named Christine Weick is removed from the church for declaring, "Jesus Christ died on that cross. He is the reason we are to worship only Him. Jesus Christ is our Lord and Savior. We have built enough of your mosques in this country. Why don't you worship in your mosques and leave our churches alone?"

(The event was organized by South African Ambassador Ebrahim Rasool, the All Dulles Area Muslim Society, Council on American-Islamic Relations, Islamic Society of North America, Muslim Public Affairs Council, and The Nation's Mosque.)

At JihadWatch.org, Robert Spencer notes "the Hamas and Muslim Brotherhood links of the sponsoring groups." (<http://www.jihadwatch.org/2014/11/national-cathedral-to-host-muslim-prayer-co-sponsored-by-hamas-linked-cair-and-isna>)

JT: This is how far the dumbing down of America has come under progressive education.

JT: We know that POS Obama and his thugs deny that Jonathan Gruber, who called Americans too dumb to understand ObamaCare and who has received over 6 million dollars for his part in writing the Affordable Care Act (ObamaCare) from the federal government and some states, is now being thrown under the bus by the Obama regime. Methinks that his family name indicates what his actions were and what is not happening to him!

Gruber is a German family name common in Austria and in Bavaria, where it originated. A Gruber referred/refers to a person from a pit, mine, or depression. In other words, Mr Gruber originated in the pit of Obama politics, mined the most illogical approach to health care, and is now being sent into a depression, albeit accompanied by over 6 million dollars.

JT: Think about these prophecies coming true! They will not come true!! They already have!!! Intelligence runs the system, but under the progressives the intelligence has been dumbing down the American citizen so that intelligence doesn't just run the system, it controls the system and itself.
