Just Thinking

Number 119

On January 9 Obama said, "America's [economic] resurgence is real."
(<http://www.rediff.com/business/report/pix-americas-economic-resurgence-is-real-says-obama/20150108.htm>)

JT: Here is proof that Barack Hussein Obama, America's economic genius, never lies. The proof is from WND at <http://www.wnd.com/2015/01/retail-earthquake-all-these-big-name-stores-closing/>.

- "Macy's is closing 14 of its 790 stores across the country.
- JC Penney is closing 39 of its stores and laying off 2,250 workers.
- Sears has been around for 122 years, but it, too, is closing 235 under-performing stores. Sears and Kmart lost \$296 million in 2014. ...During 2014, Sears Holdings closed about 200 of the Sears and Kmart stores. ...
- C. Wonder, the preppy retailer, is going out of business, closing all 11 of its U.S. stores in the next few weeks.
- Wet Seal is closing 338 retail stores while dealing with bankruptcy proceedings. Nearly 3,700 full and part-time workers will be unemployed. ...
- Aeropostale, suffering from declining sales, closed 75 stores during the holiday season, which runs from November through January.
- And in 2015, they expect to close an additional 50 to 75 stores.
- RadioShack, which is negotiating with lenders to gain approval to shutter 1,100 stores, said last month that it closed 175 locations in 2014."

That's surely an economic upsurge at its Obama best! America should be very thankful to Obama for this economic upsurge!!! I have a suggestion: Nominate Obama for and give him the next Nobel Prize for Economics.

JT: Spontaneous thought: I always learned that is I cause damage I must pay for that damage and repair the situation. This does not happen with Islamic states. Who has caused the damage to Syria and the international refugee catastrophe coming from that country? It was not President Assad, regardless of his dictatorial stance on human rights. At least Christian communities were not beheaded under President Assad. The cause of the catastrophic refugee situation and the destruction in Syria is the policy France, Great Britain, the United States, Qatar, the Arab League, Libya, Turkey, Saudi Arabian, and Saudi Prince Bandar bin Sultan, as well as the

international Mujahedeen. Therefore, send them the bill for providing for Syrian refugees and the rebuilding of Syria.

JT: See the video here: Rumor has it that Obama was seen running after them and trying to get them back into the RINO fold.

From <http://www.muslimsandtheworld.com/do-muslims-watch-pornography/>:

"Pornography is an issue that the Islamic states need to deal with immediately, as figures show that consumption may already be spiraling out of control. Google recently released data detailing where the most sex related term searches were originating from, and muslim nation Pakistan came in at first place. For those who think that Pakistan may just be a blip on the radar, think again. Muslim states actually held 6 of the top 8 positions for searchers intending to seek access to sex related sites. The complete top 10 were:

1. Pakistan
2. Egypt
3. Vietnam
4. Iran

- 5. Morocco
- 6. India
- 7. Saudi Arabia
- 8. Turkey
- 9. Phillipines
- 10. Poland

Even more disgusting were the statistics for various animal sex terms, where Pakistan once again led the field across most areas. A suggestion for them to rename their nation as Pornistan would not be out of the question, as they were the country that produced the most searches for sexual terms for the animals pigs, donkeys, dogs, cats, horses, cows, goats, snakes, monkeys, bears, elephants, and the generic term animal.

Saudi Arabia was the only country to generate more searches than Pornistan for an animal, coming in at position 1 for 'fox sex'. They also finished second or third for a good number of the abovementioned animal terms. Other muslim countries to register top 5 positions for those terms were, in order of prominence, Iran, Egypt, Malaysia, Indonesia, Turkey, Morocco and the UAE.

Other interesting statistics were Turkey ranking number 2 for 'child porn', and arabic being the language used 2nd most for searches for 'gay man', 'gay sex', and 'gay girl'. Egypt led the pack when it came to 'fat sex' and 'bird sex', Indonesia was first for 'homo sex', and Saudi Arabia up front, or should I say back, for 'ass sex'. Pornistan also led the searches for the terms 'children sex', 'sexy child', 'sexy children', and 'rape'.

The fact that muslim countries dominate the list for pornography searches is alarming in itself, but when you add in the data for the child, animal and homosexual sex searches, it paints quite a disgusting picture of the state of the islamic world. Statistically a large number of pornography seekers confess to having an addiction problem, which means that pornography addiction is currently a massive problem within our muslim ummah."

From [http://wikiislam.net/wiki/Muslim_Statistics - Pornography](http://wikiislam.net/wiki/Muslim_Statistics_-_Pornography) we find a listing of the Muslim countries and how they placed in the top five world ranking of various bestiality-related internet search terms:

Pig Sex: Pakistan (No. 1) Egypt (No. 2) Saudi Arabia (No. 3)

Donkey Sex: Pakistan (No. 1) Iran (No. 3) Saudi Arabia (No. 4)

Dog Sex: Pakistan (No. 1) Saudi Arabia (No. 3)

Cat Sex: Pakistan (No. 1) Iran (No. 2) Egypt (No. 3) Saudi Arabia (No. 4)

Horse Sex: Pakistan (No. 1) Turkey (No. 3)

Cow Sex: Pakistan (No. 1) Iran (No. 2) Saudi Arabia (No. 4)

Goat Sex: Pakistan (No. 1)

Animal Sex: Pakistan (No. 1) Morocco (No. 2) Iran (No. 4) Egypt (No. 5)

Snake Sex: Pakistan (No. 1) Malaysia (No. 3) Indonesia (No. 4) Egypt (No. 5)

Bear Sex: Pakistan (No. 1) Saudi Arabia (No. 2)

Elephant Sex: Pakistan (No. 1) Egypt (No. 3) United Arab Emirates (No. 4) Malaysia (No. 5)

Fox Sex: Saudi Arabia (No. 1) Turkey (No. 4)

Furthermore, from <http://www.thereligionofpeace.com/quran/025-muhammads-sex-life.htm> we read (Click the links also!)

"Thanks to Muhammad's extremely poor judgment (at best) and explicit approval of pedophilia, sex with children became [deeply ingrained](#) in the Islamic tradition. For many centuries, Muslim armies would purge Christian and Hindu peasant villages of their men folk and send the women and children to harems and the thriving child sex slave markets deep in the Islamic world.

When it comes to child marriage, contemporary clerics [warn](#) fellow Muslims against succumbing to the disapproval of the Christian West: *"It behooves those who call for setting a minimum age for marriage to fear Allah and not contradict his Sharia, or try to legislate things Allah did not permit. For laws are Allah's province; and legislation is his exclusive right, to be shared by none other. And among these are the rules governing marriage."*

The Ayatollah Khomeini, who married a 12-year-old girl, even gave his consent to using [infants](#) for sexual pleasure (although warning against full penetration until the baby is a few years older). In April, 2010, a 13-year-old Yemeni girl [died](#) from injuries suffered to her womb during "intercourse".

Some clerics show relative mercy on underage girls by advocating a process known as "thighing" (also known as child molestation in the West). According to a recent fatwa (number 23672), an imam answers this question: *"My parents married me to a young girl who hasn't yet reached puberty. How can I enjoy her sexually?"* by telling the 'man' that he may *"hug her, kiss her, and ejaculate between her legs."*

A prominent member of Saudi Arabia's highest religious council [said](#) in 2012 that girls can be married *"even if they are in the cradle,"* then went on to explain that intercourse may occur whenever *"they are capable of being placed beneath and bearing the weight of the man."*

Muhammad's penchant for girls so much younger than him was such that at least two of his father-in-laws (Abu Bakr and Omar, the first two Caliphs) were actually younger than him as well. This disappointing pattern is very much at odds with the sort of sexual discipline that one might expect of a true "prophet of God."

JT: Methinks that for a Muslim everything goes when sexual and deviant behavior is the goal. Don't forget, Allah says whatever you want to do sexually is okay. Emulate Muhammad.
