JT: The awkward, clumsy, clunky, gawky, graceless, labored, strained, ungainly, ungraceful, unwieldy, walk of turkey drumsticks.

“‘To misname things is to add to the world’s unhappiness.’ Whether or not Albert Camus really did utter these words, they are an astonishingly apt description of the situation in which the French government now finds itself. Indeed, the French Foreign Minister Laurent Fabius no longer even dares pronounce the real name of things.

...Let us call things by their rightful names, since the French government seems reluctant to do so. France, land of human rights and freedoms, was attacked on its own soil by a totalitarian ideology: Islamic fundamentalism. It is only by refusing to be in denial, by looking the enemy in the eye, that one can avoid conflating issues. Muslims themselves need to hear this message. They need the distinction between Islamist terrorism and their faith to be made clearly.

Yet this distinction can only be made if one is willing to identify the threat. It does our Muslim compatriots no favors to fuel suspicions and leave things unspoken. Islamist terrorism is a cancer on Islam, and Muslims themselves must fight it at our side.

...These mistakes must also be called by their names. I will mention only three, but they are of crucial importance.

First, the dogma of the free movement of peoples and goods is so firmly entrenched among the leaders of the European Union that the very idea of border checks is deemed to be heretical. And yet, every year tons of weapons from the Balkans enter French territory unhindered and hundreds of jihadists move freely around Europe. ...

Second, the massive waves of immigration, both legal and clandestine, our country has experienced for decades have prevented the implementation of a proper assimilation policy. ...

Without a policy restricting immigration, it becomes difficult, if not impossible, to fight against communalism and the rise of ways of life at odds with laïcité [separation of church and state], France's distinctive form of secularism, and other laws and values of the French Republic. An additional burden is mass unemployment, which is itself exacerbated by immigration.

Third, French foreign policy has wandered between Scylla and Charybdis [to be caught between two unpleasant alternatives] in the last few years. Former President Nicolas Sarkozy's intervention in Libya, President François Hollande's support for some Syrian fundamentalists, alliances formed with rentier states that finance jihadist fighters, like Qatar and Saudi Arabia—all are mistakes that have plunged France into serious geopolitical incoherence from which it is struggling to extricate itself.

These mistakes are not inevitable. But to rectify them, we must act quickly. The Union Pour Un Mouvement Populaire and the Parti Socialiste have called for a committee to investigate the recent terrorist attacks. That will hardly solve matters. 'If you want to bury a problem, set up a committee,' the French statesman Georges Clémenceau once said."

For now, one emergency measure can readily be put into action: Stripping jihadists of their French citizenship is an absolute necessity. In the longer run, most important, national border checks must be reinstated, and there should be zero tolerance for any behavior that undermines laïcité and French law. Without such measures, no serious policy for combating fundamentalism is possible. France has just gone through 12 days it will never forget. After pausing to grieve its dead, it then rose up to defend its rights. Now the French people, as if a single person, must put pressure on their leaders so that these days in January will not have been in vain. From France's tragedy must spring hope for real change. The petty logic of political parties cannot be allowed to stifle the French people's legitimate aspirations to safety and liberty.

We, the French, are viscerally attached to our laïcité, our sovereignty, our independence, our values. The world knows that when France is attacked it is liberty

that is dealt a blow. I began by saying that we must call things by their names. I will end by saying that some names speak for themselves. The name of our country, France, still rings out like a call to freedom." (Marie Le Pen, leader of the Front National, France in her op-editorial printed in *The New York Times* at http://www.nytimes.com/2015/01/19/opinion/marine-le-pen-france-was-attacked-by-islamic-fundamentalism.html?_r=0)

JT: I'm surprised that the *New York Times*, prog newspaper that it is, printed the truthful op-ed. The same can be said of the situation in the United States of America. Swallow it progards!!!

From terrorist Hafiz Saeed, former head of the Jamaat-ud-Dawa organization that masterminded a 2008 terrorist attack in Mumbai, we read "All the Muslims of the world should get united in the face of blasphemous cartoons published in a French magazine and start boycotting the French products. In Pakistan traders should stop buying the stock of French products. ...The Muslim countries should press the United Nations to declare blasphemy an act of terrorism. If it does not do so the Muslim countries should quit this body and form their own... 'United Muslim Nations.'" (http://zeenews.india.com/news/south-asia/anti-charlie-hebdo-protests-continue-in-pakistan_1532558.html)

JT: Hafiz Saeed is an idiot! Every logically thinking person knows that the largest Islamic body in the world is the Organization of Islamic Cooperation. It is the largest voting bloc in the United Nations.

JT: Spontaneous thought: Did you listen to or watch Barack Hussein Obama's State of the Union Message to Congress on 20 January 2015? It is better known as Barack's Bullshit! I did and I wanted to vomit. There were 6,482 words comprising 337 sentences comprising 103 paragraphs. In other words, there were 6,482 poops and small droppings comprising 337 feculent stools, comprising 103 piles of manure. And he spread it all over the USA!!! You've got to recognize that Barack Hussein Obama is the best steer stooler the United States, and possibly the world, has ever experienced.

<https://www.youtube.com/watch?v=S-znXUMp0qk&x-yt-cl=84359240&x-yts=1421782837>

JT: This supports Obama's call for free community college. Why don't we make all colleges and universities free. The education one gets there is not worth anything anyway!

JT: The above statistics are the truths behind Barack Hussein Obama's lies to Congress and the American people in Barack's Bullshitting Address on 20 January 2015.

A LOOK BACK IN TIME TO THE PRESENT!

Re-election day is November 4, 2016. We can easily rid ourselves of all the corruptocrats and zerocrats (all parties) currently in office.

In 1865 a Democrat shot and killed Abraham Lincoln, President of the United States .

In 1881 a left wing radical Democrat shot James Garfield, President of the United States who later died from the wound.

In 1963 a radical left wing socialist shot and killed John F. Kennedy, President of the United States .

In 1975 a left wing radical Democrat fired shots at Gerald Ford, President of the United States.

In 1983 a registered Democrat shot and wounded Ronald Reagan, President of the United States .

In 1984 James Hubert, a disgruntled Democrat, shot and killed 22 people in a McDonalds restaurant.

In 1986 Patrick Sherrill, a disgruntled Democrat, shot and killed 15 people in an Oklahoma post office.

In 1990 James Pough, a disgruntled Democrat, shot and killed 10 people at a GMAC office.

In 1991 George Hennard, a disgruntled Democrat, shot and killed 23 people in a Luby's cafeteria.

In 1995 James Daniel Simpson, a disgruntled Democrat, shot and killed 5 coworkers in a Texas laboratory.

In 1999 Larry Asbrook, a disgruntled Democrat, shot and killed 8 people at a church service.

In 2001 a left wing radical Democrat fired shots at the White House in a failed attempt to kill George W. Bush, President of the US .

In 2003 Douglas Williams, a disgruntled Democrat, shot and killed 7 people at a Lockheed Martin plant.

In 2007 a registered Democrat named Seung – Hui Cho, shot and killed 32 people in Virginia Tech.

In 2010 a mentally ill registered Democrat named Jared Lee Loughner, shot Rep. Gabrielle Giffords and killed 6 others.

In 2011 a registered Democrat named James Holmes, went into a movie theater and shot and killed 12 people.

In 2012 Andrew Engeldinger, a disgruntled Democrat, shot and killed 7 people in Minneapolis .

In 2013 a registered Democrat named Adam Lanza, shot and killed 26 people in a school.

As recently as Sept 2013, an angry Democrat shot 12 at a Navy ship yard.

Clearly, there is a problem with Democrats and guns. **Not one NRA member, Tea Party member, or Republican conservatives was involved in these shootings and murders.** For all you liberals out there I would like to remind you that it was Democrats that wrote and supported ALL segregation in this country and established/supported the KKK. Further, it was democrats that stood in the doors of schools and universities to try and prevent integration.

One could go on, but you get the point, even if the media does not.

Joint Chiefs of Staff Chairman Gen. Martin Dempsey has established an essay competition to honor the late Saudi King Abdullah bin Abdulaziz, the Pentagon announced Monday.

The competition, to be hosted at the National Defense University over the next academic year, will focus on issues related to the Arab and Muslim worlds, [according to the official DOD News](#).

"This is an important opportunity to honor the memory of the king, while also fostering scholarly research on the Arab-Muslim world, and I can think of no better home for such an initiative than NDU," Dempsey said in a statement.

"There's blood on Barack Obama's hands, say many in Arizona tonight, as it was revealed that an illegal alien felon who was released due to the president gutting immigration enforcement, murdered a young convenience store clerk in Mesa.

QuickTrip (QT) employee Grant Ronnebeck, only age 21, was working the graveyard shift when illegal alien Apolinar Altamirano demanded cigarettes after dumping some change on the checkout counter.

According to Mesa Police spokesman Detective Steve Berry, Ronnebeck told the 29-year old suspect, Apolinar Altamirano, "I can't give you the cigarettes until I count the money." Berry said that although Ronnebeck did give the cigarettes to Altamirano, it wasn't enough to save his life. The suspect then proceeded to shoot Ronnebeck anyway."

In the January 2015 issue of *The Complete Obama Timeline*, Don Fredrick reports that "At Brooklyn's Oulel-Albab Mosque, Imam Tareq Yousef Al-Masri says, 'Let us admit, without lying to ourselves, that we, the Muslims, are time bombs. When I say 'we, the Muslims,' I do not mean every single Muslim, but Muslims of the religious sector are time bombs. When a sinner repents, the first thing he does is make a bomb. He blows it up and kills people. We must admit this. We cannot become

immune if we do not admit this. If you have cancer, it won't help you if I tell you that you have the flu. I must tell you that you clearly have cancer. When someone has cancer, they run a series of tests, in order to identify the cause of this cancer. They don't just say that this cancer is an act of God. Everything comes from Allah, but this should not prevent us from studying the underlying reasons for this cancer. Let us admit something else. The majority of us Muslims hate the Christians—true or false? Yes, that is the truth. ...Who instilled so much hatred in these generations? It is the ideology present in the books—the ideology of Ibn Taymiyyah, of Ibn Al-Qayyam, of Al-Nawawi. These are the pillars of this ideology. In modern times, we have Ibn Baz, Ibn Al-Uthaymeen, Al-Huweini, Muhammad Hassan... These people are responsible for instilling hatred in human beings. ...They have made the Muslims hate everyone—the Christians, the Jews, the atheists, and all human beings. ...I am ashamed of the rotten and despicable conduct of the Muslims." (Don Fredrick's comment: Jihad Watch's Robert Spencer asks if Al-Masri will "now be denounced as an 'Islamophobe' and a tool of the Zionists?")

This statement from Imam Tareq Yousef Al-Masri of Brooklyn's Oulel-Albab Mosque sounds very assuring and fits in with the mantra that Islam is really peaceful and tolerant. But ...

Imam Tareq Yousef Al-Masri is wrong. "(T)he ideology present in the books—the ideology of Ibn Taymiyyah, of Ibn Al-Qayyam, of Al-Nawawi. These are the pillars of this ideology. In modern times, we have Ibn Baz, Ibn Al-Uthaymeen, Al-Huweini, Muhammad Hassan... These people are responsible for instilling hatred in human beings. ...They have made the Muslims hate everyone—the Christians, the Jews, the atheists, and all human beings is not the source of hatred of Jews, Christians, atheists and no-believers in Islam. The original source of this hatred is the psychopath Muhammad. It is Muhammad who says in his Allah voice in the Koran: At we read the following there are at least 109 Suras that tell Muslims they should conduct war and killings of nonbelievers, by all means possible, including slicing off heads. Indeed, if a Muslim does not take part in this genocides they are called hypocrites and Allah personally will send them to Hell for refusing to follow his (Allah's/Muhammad's) commands. Read the following Suras from the Koran. Digest them intellectually. Now tell me Islam is a religion of peace and tolerance. I tell you Islam is an evil cult. An evil cult of the personality that is Muhammad.

The Quran:

[Quran \(2:191-193\)](#) - "*And kill them wherever you find them, and turn them out from where they have turned you out. And Al-Fitnah [disbelief or unrest] is worse than killing...*

but if they desist, then lo! Allah is forgiving and merciful. And fight them until there is no more Fitnah [disbelief and worshipping of others along with Allah] and worship is for Allah alone. But if they cease, let there be no transgression except against Az-Zalimun (the polytheists, and wrong-doers, etc.)" (Translation is from the [Noble Quran](#)) The [historical context](#) of this passage is **not** defensive warfare, since Muhammad and his Muslims had just relocated to Medina and were

not under attack by their Meccan adversaries. In fact, the verses urge *offensive* warfare, in that Muslims are to drive Meccans out of their own city (which they [later did](#)). The use of the word "persecution" by some Muslim translators is thus disingenuous (the actual Muslim words for persecution - "idtiḥād" - and oppression - a variation of "z-l-m" - do not appear in the verse). The actual Arabic comes from "fitna" which can mean disbelief, or the disorder that results from unbelief or temptation. Taken as a whole, the context makes clear that violence is being authorized until "*religion is for Allah*" - ie. unbelievers desist in their unbelief.

[Quran \(2:244\)](#) - "*Then fight in the cause of Allah, and know that Allah Heareth and knoweth all things.*"

[Quran \(2:216\)](#) - "**Fighting is prescribed for you, and ye dislike it. But it is possible that ye dislike a thing which is good for you, and that ye love a thing which is bad for you. But Allah knoweth, and ye know not.**" Not only does this verse establish that violence can be virtuous, but it also contradicts the myth that fighting is intended only in self-defense, since the audience was obviously not under attack at the time. From the Hadith, we know that this verse was narrated at a time that Muhammad was actually trying to motivate his people into [raiding merchant caravans](#) for loot.

[Quran \(3:56\)](#) - "*As to those who reject faith, I will punish them with terrible agony in this world and in the Hereafter, nor will they have anyone to help.*"

[Quran \(3:151\)](#) - "*Soon shall We cast terror into the hearts of the Unbelievers, for that they joined companions with Allah, for which He had sent no authority*". This speaks directly of polytheists, yet it also includes Christians, since they believe in the Trinity (ie. what Muhammad incorrectly believed to be 'joining companions to Allah').

[Quran \(4:74\)](#) - "*Let those fight in the way of Allah who sell the life of this world for the other. Whoso fighteth in the way of Allah, be he slain or be he victorious, on him We shall bestow a vast reward.*" The martyrs of Islam are unlike the early Christians, who were led meekly to the slaughter. These Muslims are killed in battle as they attempt to inflict death and destruction for the cause of Allah. This is the theological basis for today's suicide bombers.

[Quran \(4:76\)](#) - "*Those who believe fight in the cause of Allah...*"

[Quran \(4:89\)](#) - "*They but wish that ye should reject Faith, as they do, and thus be on the same footing (as they): But take not friends from their ranks until they flee in the way of Allah (From what is forbidden). But if they turn renegades, seize them and slay them wherever ye find them; and (in any case) take no friends or helpers from their ranks.*"

[Quran \(4:95\)](#) - "*Not equal are those believers who sit (at home) and receive no hurt, and those who strive and fight in the cause of Allah with their goods and their persons. Allah hath granted a grade higher to those who strive and fight with their goods and persons than to those who sit (at home). Unto all (in Faith) Hath Allah promised good: But those who strive and fight Hath He distinguished above those who sit (at home) by a special reward,-*" This passage criticizes "peaceful" Muslims who do not join in the violence, letting them know that they are less worthy in Allah's eyes. It also demolishes the modern myth that "Jihad" doesn't mean holy war in the Quran, but rather a

spiritual struggle. Not only is the Arabic word used in this passage, but it is clearly *not* referring to anything spiritual, since the physically disabled are given exemption. (The Hadith reveals the context of the passage to be in response to a blind man's protest that he is unable to engage in Jihad and this is reflected in other translations of the verse).

[Quran \(4:104\)](#) - *"And be not weak hearted in pursuit of the enemy; if you suffer pain, then surely they (too) suffer pain as you suffer pain..."* Is pursuing an injured and retreating enemy really an act of self-defense?

[Quran \(5:33\)](#) - *"The punishment of those who wage war against Allah and His messenger and strive to make mischief in the land is only this, that they should be murdered or crucified or their hands and their feet should be cut off on opposite sides or they should be imprisoned; this shall be as a disgrace for them in this world, and in the hereafter they shall have a grievous chastisement"*

[Quran \(8:12\)](#) - *"I will cast terror into the hearts of those who disbelieve. Therefore strike off their heads and strike off every fingertip of them"* No reasonable person would interpret this to mean a spiritual struggle.

[Quran \(8:15\)](#) - *"O ye who believe! When ye meet those who disbelieve in battle, turn not your backs to them. (16)Whoso on that day turneth his back to them, unless maneuvering for battle or intent to join a company, he truly hath incurred wrath from Allah, and his habitation will be hell, a hapless journey's end."*

[Quran \(8:39\)](#) - *"And fight with them until there is no more fitna (disorder, unbelief) and religion should be only for Allah"* Some translations interpret "fitna" as "persecution", but the traditional understanding of this word is not supported by the historical context (See notes for 2:193). The Meccans were simply refusing Muhammad access to their city during Haj. Other Muslims were allowed to travel there - just not as an armed group, since Muhammad had declared war on Mecca prior to his eviction. The Meccans were also acting in defense of their religion, since it was Muhammad's intention to destroy their idols and establish Islam by force (which he later did). Hence the critical part of this verse is to fight until *"religion is only for Allah"*, meaning that the true justification of violence was the unbelief of the opposition. According to the Sira (Ibn Ishaq/Hisham 324) Muhammad further explains that *"Allah must have no rivals."*

[Quran \(8:57\)](#) - *"If thou comest on them in the war, deal with them so as to strike fear in those who are behind them, that haply they may remember."*

[Quran \(8:67\)](#) - *"It is not for a Prophet that he should have prisoners of war until he had made a great slaughter in the land..."*

[Quran \(8:59-60\)](#) - *"And let not those who disbelieve suppose that they can outstrip (Allah's Purpose). Lo! they cannot escape. Make ready for them all thou canst of (armed) force and of horses tethered, that thereby ye may dismay the enemy of Allah and your enemy."*

[Quran \(8:65\)](#) - *"O Prophet, exhort the believers to fight..."*

[Quran \(9:5\)](#) - *"So when the sacred months have passed away, then slay the idolaters wherever you find them, and take them captive and besiege them and lie in wait for them in every ambush, then if they repent and keep up prayer and pay the poor-rate, leave their way free to them."* According to this verse, the best way of staying safe from Muslim violence is to convert to Islam (prayer (*salat*) and the poor tax (*zakat*) are among the religion's Five Pillars). This popular claim that the Quran only inspires violence within the context of self-defense is seriously challenged by this passage as well, since the Muslims to whom it was written were obviously not under attack. Had they been, then there would have been no waiting period (earlier verses make it a duty for Muslims to fight in self-defense, even during the sacred months). The historical context is Mecca *after* the idolaters were subjugated by Muhammad and posed no threat. Once the Muslims had the power, they violently evicted those unbelievers who would not convert.

[Quran \(9:14\)](#) - *"Fight against them so that Allah will punish them by your hands and disgrace them and give you victory over them and heal the breasts of a believing people."* Humiliating and hurting non-believers not only has the blessing of Allah, but it is ordered as a means of carrying out his punishment and even "healing" the hearts of Muslims.

[Quran \(9:20\)](#) - *"Those who believe, and have left their homes and striven with their wealth and their lives in Allah's way are of much greater worth in Allah's sight. These are they who are triumphant."* The Arabic word interpreted as "striving" in this verse is the same root as "Jihad". The context is obviously holy war.

[Quran \(9:29\)](#) - *"Fight those who believe not in Allah nor the Last Day, nor hold that forbidden which hath been forbidden by Allah and His Messenger, nor acknowledge the religion of Truth, (even if they are) of the People of the Book, until they pay the Jizya with willing submission, and feel themselves subdued."* "People of the Book" refers to Christians and Jews. According to this verse, they are to be violently subjugated, with the sole justification being their religious status. This was one of the final "revelations" from Allah and it set in motion the tenacious military expansion, in which Muhammad's companions managed to conquer two-thirds of the Christian world in the next 100 years. Islam is intended to dominate all other people and faiths.

[Quran \(9:30\)](#) - *"And the Jews say: Ezra is the son of Allah; and the Christians say: The Messiah is the son of Allah; these are the words of their mouths; they imitate the saying of those who disbelieved before; may Allah destroy them; how they are turned away!"*

[Quran \(9:38-39\)](#) - *"O ye who believe! what is the matter with you, that, when ye are asked to go forth in the cause of Allah, ye cling heavily to the earth? Do ye prefer the life of this world to the Hereafter? But little is the comfort of this life, as compared with the Hereafter. Unless ye go forth, He will punish you with a grievous penalty, and put others in your place."* This is a warning to those who refuse to fight, that they will be punished with Hell.

[Quran \(9:41\)](#) - *"Go forth, light-armed and heavy-armed, and strive with your wealth and your lives in the way of Allah! That is best for you if ye but knew."* See also the verse that follows ([9:42](#)) - *"If there had been immediate gain (in sight), and the journey easy, they would (all) without doubt have followed thee, but the distance was long, (and weighed) on them"* This contradicts the myth that

Muslims are to fight only in self-defense, since the wording implies that battle will be waged a long distance from home (in another country and on Christian soil, in this case, according to the historians).

[Quran \(9:73\)](#) - *"O Prophet! strive hard against the unbelievers and the hypocrites and be unyielding to them; and their abode is hell, and evil is the destination."* Dehumanizing those who reject Islam, by reminding Muslims that unbelievers are merely firewood for Hell, makes it easier to justify slaughter. It also explains why today's devout Muslims have little regard for those outside the faith.

[Quran \(9:88\)](#) - *"But the Messenger, and those who believe with him, strive and fight with their wealth and their persons: for them are (all) good things: and it is they who will prosper."*

[Quran \(9:111\)](#) - *"Allah hath purchased of the **believers** their persons and their goods; for theirs (in return) is the garden (of Paradise): they **fight in His cause, and slay and are slain**: a promise binding on Him in truth, through the Law, the Gospel, and the Quran: and who is more faithful to his covenant than Allah? then rejoice in the bargain which ye have concluded: that is the achievement supreme."* How does the Quran define a true believer?

[Quran \(9:123\)](#) - *"O you who believe! fight those of the unbelievers who are near to you and let them find in you hardness."*

[Quran \(17:16\)](#) - *"And when We wish to destroy a town, We send Our commandment to the people of it who lead easy lives, but they transgress therein; thus the word proves true against it, so We destroy it with utter destruction."* Note that the crime is moral transgression, and the punishment is "utter destruction." (Before ordering the 9/11 attacks, Osama bin Laden first issued Americans an invitation to Islam).

[Quran \(18:65-81\)](#) - This parable lays the theological groundwork for honor killings, in which a family member is murdered because they brought shame to the family, either through apostasy or perceived moral indiscretion. The story (which is not found in any Jewish or Christian source) tells of Moses encountering a man with "special knowledge" who does things which don't seem to make sense on the surface, but are then justified according to later explanation. One such action is to murder a youth for no apparent reason (74). However, the wise man later explains that it was feared that the boy would "grieve" his parents by "disobedience and ingratitude." He was killed so that Allah could provide them a 'better' son. (Note: This is one reason why honor killing is sanctioned by Sharia. Reliance of the Traveler (Umdat al-Saliq) says that punishment for murder is not applicable when a parent or grandparent kills their offspring (o.1.1-2).)

[Quran \(21:44\)](#) - *"We gave the good things of this life to these men and their fathers until the period grew long for them; See they not that We gradually reduce the land (in their control) from its outlying borders? Is it then they who will win?"*

[Quran \(25:52\)](#) - *"Therefore listen not to the Unbelievers, but strive against them with the utmost strenuousness..."* "Strive against" is Jihad - obviously not in the personal context. It's also

significant to point out that this is a Meccan verse.

[Quran \(33:60-62\)](#) - *"If the hypocrites, and those in whose hearts is a disease, and the alarmists in the city do not cease, We verily shall urge thee on against them, then they will be your neighbors in it but a little while. Accursed, they will be seized wherever found and slain with a (fierce) slaughter."* This passage sanctions the slaughter (rendered "merciless" and "horrible murder" in other translations) against three groups: Hypocrites (Muslims who refuse to "fight in the way of Allah" ([3:167](#)) and hence don't act as Muslims should), those with "diseased hearts" (which include Jews and Christians [5:51-52](#)), and "alarmists" or "agitators who include those who merely speak out against Islam, according to Muhammad's biographers. It is worth noting that the victims are to be sought out by Muslims, which is what today's terrorists do. If this passage is meant merely to apply to the city of Medina, then it is unclear why it is included in Allah's eternal word to Muslim generations.

[Quran \(47:3-4\)](#) - *"Those who disbelieve follow falsehood, while those who believe follow the truth from their Lord... So, when you meet (in fight Jihad in Allah's Cause), those who disbelieve smite at their necks till when you have killed and wounded many of them, then bind a bond firmly (on them, i.e. take them as captives)... If it had been Allah's Will, He Himself could certainly have punished them (without you). But (He lets you fight), in order to test you, some with others. But those who are killed in the Way of Allah, He will never let their deeds be lost."* Those who reject Allah are to be killed in Jihad. The wounded are to be held captive for ransom. The only reason Allah doesn't do the dirty work himself is to test the faithfulness of Muslims. Those who kill pass the test.

[Quran \(47:35\)](#) - *"Be not weary and faint-hearted, crying for peace, when ye should be uppermost (Shakir: "have the upper hand") for Allah is with you,"*

[Quran \(48:17\)](#) - *"There is no blame for the blind, nor is there blame for the lame, nor is there blame for the sick (that they go not forth to war). And whoso obeyeth Allah and His messenger, He will make him enter Gardens underneath which rivers flow; and whoso turneth back, him will He punish with a painful doom."* Contemporary apologists sometimes claim that Jihad means 'spiritual struggle.' Is so, then why are the blind, lame and sick exempted? This verse also says that those who do not fight will suffer torment in hell.

[Quran \(48:29\)](#) - *"Muhammad is the messenger of Allah. And those with him are hard (ruthless) against the disbelievers and merciful among themselves"* Islam is **not** about treating everyone equally. There are two very distinct standards that are applied based on religious status. Also the word used for 'hard' or 'ruthless' in this verse shares the same root as the word translated as 'painful' or severe' in verse 16.

[Quran \(61:4\)](#) - *"Surely Allah loves those who fight in His way"* Religion of Peace, indeed! The verse explicitly refers to "battle array" meaning that it is speaking of physical conflict. This is followed by ([61:9](#)): *"He it is who has sent His Messenger (Mohammed) with guidance and the religion of truth (Islam) to make it **victorious over all religions even though the infidels may resist.**"* (See next verse, below). Infidels who resist Islamic rule are to be fought.

[Quran \(61:10-12\)](#) - *"O You who believe! Shall I guide you to a commerce that will save you from a*

painful torment. That you believe in Allah and His Messenger (Muhammad), and that you strive hard and fight in the Cause of Allah with your wealth and your lives, that will be better for you, if you but know! (If you do so) He will forgive you your sins, and admit you into Gardens under which rivers flow, and pleasant dwelling in Gardens of 'Adn - Eternity ['Adn (Edn) Paradise], that is indeed the great success." This verse refers to physical battle in order to make Islam victorious over other religions (see above). It uses the Arabic word, Jihad.

[Quran \(66:9\)](#) - *"O Prophet! Strive against the disbelievers and the hypocrites, and be stern with them. Hell will be their home, a hapless journey's end."* The root word of "Jihad" is used again here. The context is clearly holy war, and the scope of violence is broadened to include "hypocrites" - those who call themselves Muslims but do not act as such.

The *Hadith* are the recording of the prophetic traditions and behaviors of Muhammad and the actions he considered to be emulated for Muslims to assure their entry into the Islamic paradise, (Jannah.) The *Hadith* were collected by seven major chronists beginning in approximately the generation after Muhammad's death.

From the Hadith:

[Bukhari \(52:177\)](#) - *Allah's Apostle said, "The Hour will not be established until you fight with the Jews, and the stone behind which a Jew will be hiding will say, "O Muslim! There is a Jew hiding behind me, so kill him."*

[Bukhari \(52:256\)](#) - *The Prophet... was asked whether it was permissible to attack the pagan warriors at night with the probability of exposing their women and children to danger. The Prophet replied, "They (i.e. women and children) are from them (i.e. pagans)." In this command, Muhammad establishes that it is permissible to kill non-combatants in the process of killing a perceived enemy. This provides justification for the many Islamic terror bombings.*

[Bukhari \(52:65\)](#) - *The Prophet said, 'He who fights that Allah's Word, Islam, should be superior, fights in Allah's Cause. Muhammad's words are the basis for offensive Jihad - spreading Islam by force. This is how it was understood by his companions, and by the terrorists of today.*

[Bukhari \(52:220\)](#) - *Allah's Apostle said... 'I have been made victorious with terror'*

[Abu Dawud \(14:2526\)](#) - *The Prophet (peace be upon him) said: Three things are the roots of faith: to refrain from (killing) a person who utters, "There is no god but Allah" and not to declare him unbeliever whatever sin he commits, and not to excommunicate him from Islam for his any action; and jihad will be performed continuously since the day Allah sent me as a prophet until the day the last member of my community will fight with the Dajjal (Antichrist)*

[Abu Dawud \(14:2527\)](#) - *The Prophet said: Striving in the path of Allah (jihad) is incumbent on you along with every ruler, whether he is pious or impious*

[Muslim \(1:33\)](#) - *the Messenger of Allah said: I have been commanded to fight against people till they testify that there is no god but Allah, that Muhammad is the messenger of Allah*

[Bukhari \(8:387\)](#) - *Allah's Apostle said, "I have been ordered to fight the people till they say: 'None has the right to be worshipped but Allah'. And if they say so, pray like our prayers, face our Qibla and slaughter as we slaughter, then their blood and property will be sacred to us and we will not interfere with them except legally."*

[Muslim \(1:30\)](#) - *"The Messenger of Allah said: I have been commanded to fight against people so long as they do not declare that there is no god but Allah."*

[Bukhari \(52:73\)](#) - *"Allah's Apostle said, 'Know that Paradise is under the shades of swords'."*

[Bukhari \(11:626\)](#) - [Muhammad said:] *"I decided to order a man to lead the prayer and then take a flame to burn all those, who had not left their houses for the prayer, burning them alive inside their homes."*

[Muslim \(1:149\)](#) - *"Abu Dharr reported: I said: Messenger of Allah, which of the deeds is the best? He (the Holy Prophet) replied: Belief in Allah and Jihad in His cause..."*

[Muslim \(20:4645\)](#) - *"...He (the Messenger of Allah) did that and said: There is another act which elevates the position of a man in Paradise to a grade one hundred (higher), and the elevation between one grade and the other is equal to the height of the heaven from the earth. He (Abu Sa'id) said: What is that act? He replied: Jihad in the way of Allah! Jihad in the way of Allah!"*

[Muslim \(20:4696\)](#) - *"the Messenger of Allah (may peace be upon him) said: 'One who died but did not fight in the way of Allah nor did he express any desire (or determination) for Jihad died the death of a hypocrite.'"*

[Muslim \(19:4321-4323\)](#) - *Three separate hadith in which Muhammad shrugs over the news that innocent children were killed in a raid by his men against unbelievers. His response: "They are of them (meaning the enemy)."*

[Muslim \(19:4294\)](#) - *"When the Messenger of Allah (may peace be upon him) appointed anyone as leader of an army or detachment he would especially exhort him... He would say: Fight in the name of Allah and in the way of Allah. Fight against those who disbelieve in Allah. Make a holy war... When you meet your enemies who are polytheists, invite them to three courses of action. If they respond to any one of these, you also accept it and withhold yourself from doing them any harm. Invite them to (accept) Islam; if they respond to you, accept it from them and desist from fighting against them... If they refuse to accept Islam, demand from them the Jizya. If they agree to pay, accept it from them and hold off your hands. If they refuse to pay the tax, seek Allah's help and fight them."*

[Bukhari 1:35](#) *"The person who participates in (Holy Battles) in Allah's cause and nothing compels him do so except belief in Allah and His Apostle, will be recompensed by Allah either with a reward,*

or booty (if he survives) or will be admitted to Paradise (if he is killed)."

Tabari 7:97 *The morning after the murder of Ashraf, the Prophet declared, "Kill any Jew who falls under your power."* Ashraf was a poet, killed by Muhammad's men because he insulted Islam. Here, Muhammad widens the scope of his orders to kill. An innocent Jewish businessman was then slain by his Muslim partner, merely for being non-Muslim.

Tabari 9:69 *"Killing Unbelievers is a small matter to us"* The words of Muhammad, prophet of Islam.

Tabari 17:187 *"By God, our religion (din) from which we have departed is better and more correct than that which these people follow. Their religion does not stop them from shedding blood, terrifying the roads, and seizing properties.' And they returned to their former religion."* The words of a group of Christians who had converted to Islam, but realized their error after being shocked by the violence and looting committed in the name of Allah. The price of their decision to return to a religion of peace was that the men were beheaded and the woman and children enslaved by the caliph Ali.

Ibn Ishaq/Hisham 484: - *"Allah said, 'A prophet must slaughter before collecting captives. A slaughtered enemy is driven from the land. Muhammad, you craved the desires of this world, its goods and the ransom captives would bring. But Allah desires killing them to manifest the religion.'"*

Ibn Ishaq/Hisham 990: - Lest anyone think that cutting off someone's head while screaming 'Allah Akbar!' is a modern creation, here is an account of that very practice under Muhammad, who seems to approve.

Ibn Ishaq/Hisham 992: - *"Fight everyone in the way of Allah and kill those who disbelieve in Allah."* Muhammad's instructions to his men prior to a military raid.

Saifur Rahman, The Sealed Nectar p.227-228 - *"Embrace Islam... If you two accept Islam, you will remain in command of your country; but if you refuse my Call, you've got to remember that all of your possessions are perishable. My horsemen will appropriate your land, and my Prophethood will assume preponderance over your kingship."* One of several letters from Muhammad to rulers of other countries. The significance is that the recipients were not making war or threatening Muslims. Their subsequent defeat and subjugation by Muhammad's armies was justified merely on the basis of their unbelief.

I wonder if Imam Tareq Yousef Al-Masri is ashamed of the rotten and despicable conduct of Muhammad?
