Obama has had no comment!

At <http://www.renewamerica.com/columns/scott/130301> we read the following article from 2013. It is quoted in its entirety.

The Architect of Destruction

By [Maureen Scott](#)

"Obama comes from a community organizer background where it's us against them. But that's not who we are. And that's not the position the leader of our Nation should take." – Dr. Benjamin Carson

Obama appears to be a tormented man who is filled with resentment, anger, and disdain for anyone of an opinion or view other than his. He acts in the most hateful, spiteful, malevolent, vindictive ways in order to manipulate and maintain power and control over others. Perhaps because, as a child, he grew up around family members and mentors who instilled him with an abiding bitterness toward the U.S. That bitterness seems not to have left him.

It is not the color of his skin that is a problem – for anyone in America. Rather it is the blackness that fills his soul and the hollowness in his heart where there should be abiding pride and love for this country.

Think: Have we ever heard Obama speak lovingly of the U.S. or its people, with deep appreciation and genuine respect for our history, our customs, our sufferings and our blessings? Has he ever revealed that, like most patriotic Americans, he gets "goose bumps" when a band plays "The Star Spangled Banner," or sheds a tear when he hears a beautiful rendition of "America the Beautiful?" Does his heart burst with pride when millions of American flags wave on a National holiday – or is he moved to sadness and reflection when someone plays "taps" on a trumpet? Has he ever felt the depth of our admiration of the military, as lovers of those who keep America free feel when soldiers march by? It is doubtful – because Obama did not grow up sharing our experiences or our values. He did not sit at the knee of a grandfather or uncle who showed his medals and told of the bravery of his fellow troops as they fought and tramped through foreign lands sacrificing for a cause greater than their own lives. He didn't have grandparents who told stories of suffering and then coming to America, penniless, and the opportunities they had for building a business and life for their children.

Away from this country as a young child, Obama didn't delight in being part of America and its greatness. He wasn't singing our patriotic songs in kindergarten, or standing on the roadside for a holiday parade and eating a hot dog, or lighting sparklers around a campfire on July 4th as fireworks exploded over head, or placing flags on the gravesites of fallen and beloved American heroes.

Rather Obama was separated from all of these experiences. He doesn't really understand us and what it means to be an American. He is void of the basic emotions that most feel regarding this country and is insensitive to the instinctive pride we have in our national heritage. His opinions were formed by those who either envied us or wanted him to devalue the United States and the traditions and patriotism that unite us.

Obama has never given a speech that is filled with calm, reassuring, complimentary, heartfelt statements about all the people in the U.S. Or one that inspires us to be better, grateful, and proud that, in a short time, our country became a leader, and a protector of so many. Quite the contrary, his speeches always degenerate into mocking, ridiculing tirades as he faults our achievements ,along with any of his critics, all for the sake of a laugh, or to bolster his ego. He uses his Office to threaten and create fear while demeaning and degrading anyone who opposes his policies and actions. Unlike a secure leader, who has noble self-esteem and not false confidence, Obama displays a cocky, haughty attitude and a dread of being critiqued.

Mostly, his time seems to be spent causing dissention, unrest, and anxiety among the people rather than uniting us (even though he was presented to us as the "Great Uniter"). He creates chaos for the sake of keeping citizens separated, envious, aggrieved and ready to argue. Under his leadership Americans have been kept on edge, rather than in a state of comfort and security. He incites people to be aggressive toward, disrespectful of, and retaliate against those of differing backgrounds and views. Through such behavior, Obama has lowered the standards for self-control and mature restraint to the level of rowdy, street-fighting gangs. When, instead, he should be raising the bar for people to strive toward becoming more considerate, tolerant, self-disciplined, self-sustaining, and self-assured.

Not a day goes by that he is not attempting to defy our laws, remove our rights, override established procedures, install controversial appointees, enact divisive mandates, and assert a dictatorial form of power.

- Never has there been a leader of this great land who used such tactics to harm and hurt the people and this country.
- Never have we had a President who spoke with a caustic, evil tongue against the citizenry rather than present himself as a soothing, calming, and trustworthy force.
- Never, in this country, have we experienced how much stress one man can cause a nation of people – on a daily basis!

Obama has promoted the degeneration of peace, civility, and quality of cooperation between us. He thrives on tearing us down, rather than building us up. He is the Architect of the decline of America, and the epitome of a Demagogue."

JT: Maureen Scott has given us a very good psychogram synopsis of Barack Hussein Obama. Obama acts the way he does because he is a leftist Muslim. Belonging to Islam means that Obama must defeat the United States of America so that Islam can be the victor over the American kaffirs.

JT: Spontaneous thought: Where there is a Greek, there is debt. Therefore, Obama is a Greek!

From <http://news.yahoo.com/teacher-resigns-reading-really-raunchy-poem-freshman-math-154839159.html> via <http://iotwreport.com/?p=274651> we read the following poem:

IN THE GARDEN OF EDEN

*In the Garden of Eden,
As everyone knows,
Lives Adam and Eve,
Without any clothes.
In this garden,
Were two little leaves,
One covered Adam's,
One covered Eve's.*

*As the story goes on,
Never the less to say,
The wind came along,
And blew the leaves away.
At the sight,
Adam did stare,
There was Eve's treasure,
All covered with hair.
And wonder came,
Under Eve's eyes,
As Adam's thing,
Started to rise.
They found a spot,
That suited them best,
A nice big tree,
Where they began to rest.
Her legs spread wider,
And wider apart,
While thrill after thrill,
Came into her heart.
The head of Adam's thing,
Peeked into the hole,
And filled her with passion,
Beyond her control.
Backward and forward,
His thing did slide,
And Eve's treasure,
Was all wet inside.
The joy was good,
She wouldn't let loose,
Until Adam's thing,
Was all out of juice.
Then down through the years,
People did screw,
And now it is time,
For me and you.
So pull down your pants,
And lay in the grass,
Cause I'm in the mood,
For a piece of that ASS!*

JT: Here are some more of **achievements of Islam:**

- stoning female rape victims,

- throwing acid on women, particularly in their faces.
- stabbing and driving over Jews,

JT: This periodic table changes from day-to-day, week-to-week-, month-to-month, year,-to-year, and generation-to-generation!

JT: **Islamic achievement:** The Islamic terror/jihadist group ISIS parades 17 Kurdish fighters that they captured through the streets in Kirkuk. If the soldiers are placed in cages and burned alive like the Jordanian Air Force pilot Muath al-Kaseasbeh, that will be another accomplishment of peaceful and tolerant Islam!

JT: the above contrasts school lunches in Italy with school lunches in the USA. Where would I choose to go to school? Italy. I would be able to have a very good school lunch, I would learn Italian, perhaps even French, or even German if the school was located in northern Italy, and of course, English. Naturally, I wouldn't go home after school hungry!

At (<http://ekstrabladet.dk/112/afsloering-her-er-gerningsmanden/5444324>) we read that Omar Abdel Hamid El-Hussein is the person who killed people in a Copenhagen café over the weekend.

JT: I'm convinced that the terror attack had nothing to do with peaceful and tolerant Islam because all indications are that the name Omar Abdel Hamid El-Hussein is Danish!

JT: **Islamic achievement:** Reuters reports that " Parts of some regular schools (in Turkey) have been requisitioned to create more places for students in Imam Hatip religious schools championed by [Turkish president Recep Tayyip Erdogan], where girls and boys are taught separately. Almost a million students are enrolled in those schools, up from 65,000 when Erdogan's AKP [political party] came to power in 2002." More information is at <http://uk.reuters.com/article/2015/02/13/uk-turkey-education-protests-idUKKBN0LH1BW20150213>)

Erdogan will brainwash as many future Turks as he can!

JT: The majority of Americans, 99.9 %, (neither I, nor Pamela Geller, nor Don Fredrick, nor others of this genre belong to the 99.9 %) do not realize that Barack Hussein Obama in his speech before the United Nations in September 2012 insulted the complete non-Muslim world and stated it had no right to exist when he said *“The future must not belong to those who slander the prophet of Islam.”* Don Fredrick of *The Complete Obama Timeline* (February 2015 Report) explains it for us: (Obama) was actually insulting *every human being on earth who is not a Muslim*. Muslims, for example, consider devotion to Christ a slander of their prophet, Muhammad. That is, it is not possible to be a Christian and *not* be considered a slanderer of Muhammad. The same is true of Judaism, Buddhism, Hinduism, agnosticism, and atheism. To a Muslim, anyone who does not follow Islam *necessarily* slanders Muhammad simply by *not* following Islam. Obama was therefore saying, *there is no future for non-Muslims*.

JT: Any Questions? Yeah! I have a question!!!

1. Why are you afraid to publish your name by writing it in a bottom corner saying that you are responsible for this misinformation?
2. Have you experienced Nazism?
3. What is your definition of freedom?
4. Can you explain how the TEA PARTY has something to do with nationalism?
5. Can you explain how the TEA PARTY has something to do with authoritarianism?
6. Can you explain how the TEA PARTY has something to do with Social Darwinism?
7. Can you explain how the TEA PARTY has something to do with indoctrination?
8. Can you explain how the TEA PARTY has something to do with propaganda?
9. Can you explain how the TEA PARTY has something to do with anti-intellectualism?
10. Can you explain how the TEA PARTY has something to do with militarism?
11. Wherever you went to school or college, or university, will you sue them for having dumbed you down your whole academic life?
12. If you belong to the POLDS (Progressive, Obot, Liberal, Dumb-downers, Socialists-Communists) and are a member of the DemocRAT Party, will you sue the DemocRat party for inability think logically?
13. I could go on *ad infinitum*. (That's Latin for *into infinity*.), but I don't think your level of intelligence could handle any more questions. Therefore, I'll paraphrase Dorothy Parker (1893-1967), bless her soul: *You have undressed what little intelligence you have and you do not cut a very good figure.*
