LISTEN MY CHILDREN

Listen my children 'cause the time is near
America's overrun with traitors and queers
Who would have thought, who could've foreseen
That there'd be so much trouble by 2015
Paul Revere's rockin', he's spinning in his grave
Again he wants to ride, his nation to save
No more one if by land and two if by sea
The danger's within, it's our own party
What we need are men who aren't afraid
Who love the Constitution and won't be dismayed
When times get tough and the future's unclear
Men who will stand tall and swallow their fear
'Tis true – United We Stand Or Divided We Fall
Will you be ready when you hear the call?

JT: Complementing this poem is the following letter posted by Jodi Swan of the TeaPartyCrusaders.com on September 1, 2014. A military person wrote:

“Here’s the problem for us soldiers: we can’t trust each other, as there are those who are extreme liberals, socialists, and those who love the current administration. We’re infiltrated with these traitors and we don’t know how to organize without others turning us in and sabotaging our plans. That’s just one problem. Outside of that, as an organization we have become plagued with disfunction [sic; dysfunction], toxicity, illness, injuries, and betrayal. It does not allow for a good foundation at the current moment for us to clean house for a country. They know this. They created the environment as it is right now. We didn’t see it until it was too late. Militants are forming, but in small pockets, and [they are] unable to fully unite and plan our strategies in secrecy. And there are watch dogs out there watching us attempt to plan. I’m sure every word I am typing right now is watched. There is no privacy in which we can operate on our own soil. Our best efforts will only be when they place us on orders against you. That is when we will know what soldiers will bleed for you, and which are loyal to this regime.”

Jodi Swan comments: “Can you imagine a day when they put Conservatives, Republicans, and the Tea Party on trial? ‘Are you now, or have you ever been a

member of the Tea Party?' I promise you, that is not a radical thought. It is a reality that we very well may have to face if we don't begin to do something now."

I contend that peacock general Martin E. Dempsey has assisted Obama in every trashing of the United States of America. General Dempsey is Obama's military **YES MAN**

The original poem, *Paul Revere's Ride* by Henry Wadsworth Longfellow, is at <http://poetry.eserver.org/paul-revere.html>.

"Today, there's no greater threat to our planet than climate change. ...Climate change can no longer be denied, or ignored. ...This is the only planet we've got. And years from now, I want to be able to look our children and grandchildren in the eye and tell them that we did everything we could to protect it. ...Rising sea levels are putting a national treasure, and an economic engine for the South Florida tourism industry, at risk. ...Climate change can no longer be denied or ignored. The world is looking to the United States, to us, to lead. And that's what we're doing. ...It's about protecting our God-given natural wonders, and the good jobs that rely on them. It's about shielding our cities and our families from disaster and harm. It's about keeping our kids healthy and safe." HOW TO CREATE A SOCIALIST STATE
BY SAUL ALINSKY

There are eight levels of control that must be obtained before you are able to create a socialist state. The first is the most important.

- 1) **Healthcare—Control healthcare and you control the people**
- 2) **Poverty—Increase the Poverty level as high as possible, poor people are easier to control and will not fight back if you are providing everything for them to live.**
- 3) **Debt—Increase the debt to an unsustainable level. That way you are able to increase taxes, and this will produce more poverty.**
- 4) **Gun Control—Remove people's ability to defend themselves from the Government. That way you are able to create a police state.**
- 5) **Welfare—Take control of every aspect of their lives (Food, Housing, and Income)**
- 6) **Education—Take control of what people read and listen to – take control of what children learn in school. Think: "Common Core"**
- 7) **Religion—Remove the belief in God from the Government and schools.**
- 8) **Class Warfare—Divide the people into the wealthy and the poor. This will cause more discontent and it will be easier to take (Tax) the wealthy with the support of the poor.**

JT: Snopes.com and TruthorFiction.com indicate that these rules are not from Saul Alinsky. I don't think that matter is important. What is important is the truth that Barack Hussein Obama is implementing these rules, regardless of what Snopes.com and TruthorFiction.com say..

JT: Saint Luke's comment on Obama:
 Luke 6:45 King James Version (KJV)
 "A good man out of the good treasure of his heart bringeth forth that which is good; and an evil man out of the evil treasure of his heart bringeth forth that which is evil: for of the abundance of the heart his mouth speaketh.

This is a photograph of Four Star General Martin E. Dempsey, present Chairman of the Joint Chiefs of Staff. He is a peacock general because he will do everything for Obama to keep his position and possibly be given another ribbon for being as far into Obama where the sun doesn't shine and not cause any fuss. An indication of his self-orientation and pro-Obama position can be gleaned from the following letter posted at <http://www.ijreview.com/2015/04/300592-mother-navy-seal-slain-ramadi-pens-emotional-apology-demand-joint-chiefs-chairman-ramadi-comments>

Debbie Lee, the founder of AmericasMightyWarriors.org and the mother of slain Navy SEAL Marc Lee, wrote a heart-rending open letter to Chairman of the Joint Chiefs of Staff General Martin Dempsey in response to his comments on the ISIS takeover of Ramadi, Iraq.

Lee, whose son Marc was the first SEAL casualty in Ramadi released the following statement via the America's Mighty Warrior website:

I am shaking and tears are flowing down my cheeks as I watch the news and listen to the insensitive, pain inflicting comments made by you in regards to the fall of Ramadi.

“The city itself is not symbolic in any way” oh really are you willing to meet with me and with the families who have lost a son, daughter, husband, wife, father, mother, aunt, uncle, grandson, or teammate?

My son Marc Lee was the first Navy SEAL who sacrificed his life in Ramadi Iraq Aug 2, 2006. His blood is still in that soil and forever will be. Remember that was when so many of our loved ones were taken from us. You said that “it’s not been declared part of the caliphate on one hand or central to the future of Iraq.” My son and many others gave their future in Ramadi. Ramadi mattered to them. Many military analysts say that as goes Ramadi so goes Iraq.

What about the troops who sacrificed their limbs and whose lives will never be the same. Our brave warriors who left a piece of themselves in Ramadi. What about the troops who struggle with PTS/TBI who watched their teammates breath their last or carried their wounded bodies to be medevac’d out of Ramadi.

I’ve traveled to Ramadi and visited Camp Marc Lee in 2007. I brought back soil from that city where Marc breathed his last. I interviewed Iraqi General Anwer in 2010 when I returned. I asked him “If you could say one thing to the American people what would you tell them? He paused and with deep emotion said “We will tell our children, our grandchildren, for generations to come we will tell them what Americans have done. There is American blood poured out on our soil.” It seems the Iraqis understand the importance more than you do sir.

You sir owe an apology to the families whose loved ones blood was shed in Ramadi. Ramadi matters to us and is very symbolic to us. You need to apologize to our troops whose bodies were blown to pieces from IEDs and bullet holes leaving parts and pieces behind, Ramadi matters to them. You need to apologize to our troops who endured the extreme temperatures and battled the terrorists in some of the worst battlefields in Iraq, Ramadi matters to them. They carry vivid memories of the

battles and the teammates whose future is gone, Ramadi matters to them.

You and this administration have minimized that Ramadi could fall, now you are minimizing that it is falling, but you Sir WILL NOT minimize the sacrifice my son Marc Lee made or any of our brave warriors!

Awaiting an Apology

As of now (the publication of the letter), there has been no response from Dempsey or the administration.

Police in South Yorkshire, England have seen “a 577 per cent rise in reported child sexual exploitation cases between 2011 and 2014. Since its beat includes Rotherham—where at least 1400 girls were groomed and raped by Muslim gangs—perhaps we shouldn’t be so surprised by this. ...The reason for the epidemic of recent child rape crimes in Britain is not because a bunch of dirty old perves... are still actively engaged in kiddy fiddling. It’s because of a massive, entrenched cultural problem whereby, for three decades, gangs of Mirpuri Pakistanis in Muslim ghettos around Britain have been permitted with virtual impunity to groom, drug and rape

vulnerable, mostly underage white girls. And the reason they've been getting away with it is because almost all the authorities which should have prevented it happening—from the local police to the council children's services to the various children's charities—preferred, for reasons of political correctness, to bury their heads in the sand." (<http://www.breitbart.com/london/2015/04/09/welcome-to-south-yorkshire-child-rape-capital-of-britain/>)

In the April 2015 Issue of *The Complete Obama Timeline* Don Fredrik notes "British taxpayers are arguably subsidizing the rapes, because huge numbers of Muslim immigrants in England are 'on the dole'—living on welfare".

DailyCaller.com reports, "Documents obtained by The Daily Caller and interviews with American veterans reveal a shocking government program: The Department of Veterans Affairs is disarming America's veterans by getting them placed on the FBI's criminal background-check list. The VA sends veterans' personal medical and financial information directly to the FBI and the Bureau of Alcohol, Tobacco and Firearms, which can seize their guns in home raids. Veterans deemed mentally incompetent or financially incapable are finally speaking out about the errors in the system and the fearful harassment they and their families face from the federal government. And it all starts when vets go to the VA to get medical help." (<http://dailycaller.com/2015/04/21/va-sends-veterans-medical-info-to-fbi-to-get-their-guns-taken-away/>)

JT: Isn't it wonderful that the Nobel-Peace-Prize-Great-Leader Obama is doing all he can to protect Americans???

In the April 2015 issue of *The Complete Obama Timeline*, Don Fredrick writes: "It is worth asking wondering Webster Hubbell would be given Secret Service protection if Hillary Clinton were elected president. If Hubbell were to get 24x7 protection, millions of people would ask why. But if Hubbell were to not receive any such protection (and if he is Chelsea Clinton's real father), would that not be a security risk? As commander-in-chief, kidnapped by ISIS and held for ransom?"

JT: This is a very valid question. JT's position concerning this is that under all circumstances Webster Hubbell is assuredly expendable, just like many other associates of the Clinton's in the past. Consult further information on expendable people associated with the Clintons and the Obamas here:

JT: DemocRAT Stephanie Rawlings-Blake, the present mayor of Baltimore, Maryland contributed to the rioting in that city by stating that the rioters needed a vent and space to voice their anger. After that she called them "thugs". After that Leftists forced her to apologize via Twitter for using the word "thugs" to describe the rioters because the word "thug(s)" is considered to be racist when referring to Afro-

Americans. I think the DemocRAT mayor Stephanie Rawlings-Blake needs to understand that a thug, is a thug, is a thug, regardless of color. In fact, Barack Hussein Obama is a Chicago thug. Don Fredrick in the April issue of *The Complete Obama Timeline* suggests the following substitution for "thug": "uncivilized incarceration seekers."
