Just Thinking

Number 132

JT: Spontaneous thought: Muslims can never be patriotic. Normally, nations have patriots who are proud of their country and who will defend it against aggressors. Muslims are aggressors who ignite and conduct holy wars, not patriotic wars.

The American journalist David B. Brooks claims that Barack Hussein Obama “has run an amazingly scandal-free administration, not only he himself, but the people around him. He’s chosen people who have been pretty scandal-free. And so there are people in Washington who do set a standard of integrity, who do seem to attract people of quality. And I think that’s probably true of the current group.” (<http://newsbusters.org/blogs/tom-blumer/2015/05/31/david-brooks-obama-has-run-amazingly-scandal-free-administration>)

JT: The fact that a Barack Hussein Obama regime exists is a scandal. David B. Brooks' statement is an absurdity of absurdities and another scandal. Here are a few other absurdities that Mr. Brooks would surely agree with:

- Barack Hussein Obama is the most honest president America has ever had.
- Barack Hussein Obama never lies.
- Barack Hussein is 100 percent natural-born citizen.
- Michelle Obama is the most gracious and elegant First Lady America has ever had.
- Michelle Obama is the thriftiest First Lady in history.
- Michelle Obama is the most beautiful Mx. on earth.

JT: Secretary of State John Kerry had a bicycle accident in Switzerland and had to be flown back to the United States. (Because the Swiss don't have Obamacare?) Suffering from a broken leg, Kerry will recuperate peacefully. That should be qualification enough for him to receive the Nobel Peace Prize 2015.

JT: Methinks it is easy to prove which presidential candidate said this. ... Well ... do you give up? The answer: ALL OF THEM!!!

JT: Spontaneous Thought: Barack Hussein Obama!!! What have you done for America? Nothing! Zilch! Zero! which is what your true political name is: ZERO! You have betrayed America's heritage!
You have betrayed America's culture!
You have betrayed America's patriots.
You are a disastrous ZERO!

JT: So ... Martin O'Malley is a new DemocRAT candidate for the presidency. It seems to me that the DemocRATS are zilches supporting zilches.

JT: The newest development as a result of ObamaCare.

At <http://abcnews.go.com/US/flight-attendant-disciplined-muslim-woman-faced-discrimination-flight/story?id=31505200> we read and view a Muslim woman claiming that she was discriminated against on a flight from Chicago to Washington because that “a United attendant on the flight from Chicago to Washington on Friday [May 29] refused to give her an unopened can of coke, allegedly telling her it could be used ‘as a weapon.’ ‘The flight attendant brought over an open can of diet soda, so I requested, for hygienic reasons, a closed can of diet soda,’ Tahera Ahmad, a chaplain at Northwestern University, told ABC’s Chicago station WLS on Sunday [May 31]. ‘And so she said, ‘Well, no one has consumed from this can.’ And I said, ‘That’s fine but I would really prefer for hygienic reasons and health concerns.’ ...She said, ‘Well, it is against our policy to give people unopened canned beverages.’”

According to a passenger on the flight this is really what happened: “I was actually on this flight on Friday evening from ORD to DCA. ...I was sitting close enough to her to hear everything that was said. The flight attendant came up to the lady (I believe she even took her order first in the entire cabin as she was seated in the bulkhead 7d) and took her order. She ordered a coke zero and a hot green tea with a Splenda. The flight attendant [FA] handed her a full diet coke [rather than a Coke Zero] with a cup on top and then told her that the green tea would take a few minutes and she would get it to her ASAP. The lady [Ahmad] said very rudely and condescending[ly] to the FA that she ordered a coke zero and basically pushed the soda back to the flight attendant. The FA said she was sorry and attempted to find a coke zero for her (which she did not have many of) and told her that she could only give her a portion of the can not the full can. This is when the lady in question started to freak out and told the FA ‘What do you think I will use this as a weapon?! Why can’t I have the whole can? I think you are discriminating against me. I need your name...’ The lady just kept yelling to her ‘I need your name... I am being discriminated against.’ This is when a few passengers told her to calm down and one guy told her to ‘shut her mouth and she is being ridiculous over a can of coke.’ No one ever said anything anti-Muslim to her at all. She was the one who started screaming discrimination when she did not get what she wanted. The FA asked her numerous times if she would like anything else when the lady just basically pushed her away with a hand in her face. The lady then got onto her phone with her credit card and paid for the internet so she could start spinning this story on social media and she was never in tears. This person is a liar plain and simple and is just pulling the discrimination card.” (<http://www.bizpacreview.com/2015/06/07/muslim-womans-tale-of-airlines-diet-coke-discrimination-is-a-lie-frequent-flyer-blogger-claims-211476>)

JT: The flight attendant was disciplined (She was fired from her job!) for doing her job correctly. Moreover, the Muslim woman Tahera Ahmad

Source: http://a.abcnews.com/images/US/ABC_tahera_ahma_jtm_150601_16x9_992.jpg

is far from being a perfect Muslim who lives according to the rules established by Muhammad because Coke is haram (taboo) and pigs are production-associated with Coca Cola, regardless of whether is Coke Zero or Diet Coke. According to <http://www.ummah.com/forum/showthread.php?95627-Pig-Products-In-Pepsi-And-Coke> "the head of Delhi University's Science and Technology Center, Dr. Mangoshada scientifically proved that the key element in Pepsi and Cola contains extract from the intestines of Pig which causes cancer and other deadly diseases. The Indian university conducted tests on the impact of drinking Pepsi and Coca Cola which proved that drinking them lead to more rapid heart rate and low pressure. Also drinking 6 bottles of Pepsi or Cola at a time causes instant death. It also contains chemicals such as carbonic and phosphoric acids, citric acid which harms teeth and causes bone fragility. Bones kept in the Cup of Pepsi melts during the week knowing that the bones of the dead remain in the grave for thirty years. Research itself confirmed that the calcium dissolved in Pepsi weakens the bladder, kidneys, kills the pancreas, and leads to diabetes and infectious diseases.

Tahera Ahmad! Your behavior is a shitstain on your cult! *May the fleas of 1000 camels infest your armpits!* Tahera Ahmad is an impure Muslim! (Of course, it could be argued that if one is Muslim, one is certainly impure!!!) Tahera Ahmad should be disciplined and Tahera Ahmad should apologize to all Muslims in the Ummah for Tahera Ahmad's actions. Tahera Ahmad is not emulating Muhammad, unless we consider Tahera Ahmad's actions comparable to one of Muhammad's epileptic incidences, which took place every time he said that he was communicating with Allah. Indeed, Tahera Ahmad is a spoiled brat supporting the savage Koran and Sharia law. I suggest Tahera Ahmad undergo intense psychological treatment to learn how to behave.

JT: Spontaneous thought:

The explanation of why Palestinian Arabs will never agree to a peaceful coexistence with Israel is because Sharia law forbids such coexistence.

JT: If POLDS (Progressives, Obots, Liberals, Dumbed-downers, Socialists/Communists) are allowed to have a continuing controlling influence over education programs in the United States, kindergarten pupils will be taught to say, "My mother is a man and my father is a woman. I want to be like my father, who is really a woman." or "I want to be like my mother, who is really a man." The progressive grandparents (who I believe are a man and a woman or a woman and a man) will quip: *Don't children say the cutest things?!*

JT: Documented reality: When Muslims torture Jews they call it a game. (Robert Satloff, *Among the Righteous: Lost Stories from the Holocaust's Long Reach into Arab Lands in Public Affairs*, New York, 2006, p. 82.)

The article <http://www.washingtontimes.com/news/2015/jun/3/inside-the-ring-muslim-brotherhood-has-obamas-secre/> we read that Obama is secretly backing the Muslim Brotherhood. Presidential Study Directive-11, or PSD-11 "outlines why the administration has chosen the [Muslim Brotherhood](#), which last year was labeled a terrorist organization by the governments of Saudi Arabia, [Egypt](#) and the [United Arab Emirates](#) as a key vehicle of U.S. backing for so-called political reform in the Middle East. Saudi Arabia in recent months appears to be moderating its opposition to the [Brotherhood](#) in a bid to gain more regional support against pro-Iran rebels in Yemen. The [UAE](#) government also has labeled two U.S. affiliates of the [Muslim Brotherhood](#), the Council on American-Islamic Relations and the Muslim American Society, as terrorist support groups. Both groups denied the [UAE](#) claims.

JT: Methinks there is no such organization as the Muslim Brotherhood. It's called the Muslim Transgenderhood.

JT: I think such blockage of circuit judge nominees is great. But I don't think Mitch McConnell should go about advertising the goal and giving Obama a clue as to the future of circuit court judge nominees under Obama according to the GOP senators. It's like saying, *I'm going to help out you Democrats and tell you what I'm going to do before I do it so you'll have time to take appropriate action and propaganda against me.* That's how McConnell functions. It's important that he's in the news!

At FrontPageMag.com (<http://www.frontpagemag.com/2015/dgreenfield/how-islam-in-america-became-a-privileged-religion/>) Daniel Greenfield writes an excellent explanation of Islam. It deserves to be quoted entirely.

“What is Islam? The obvious dictionary definition answer is that it’s a religion, but legally speaking it actually enjoys all of the advantages of race, religion and culture with none of the disadvantages.

Islam is a religion when mandating that employers accommodate the hijab, but when it comes time to bring it into the schools, places that are legally hostile to religion, American students are taught about Islam, visit mosques and even wear burkas and recite Islamic prayers to learn about another culture. Criticism of Islam is denounced as racist even though the one thing that Islam clearly isn’t is a race.

Islamist organizations have figured out how lock in every advantage of race, religion and culture, while expeditiously shifting from one to the other to avoid any of the disadvantages.

The biggest form of Muslim privilege has been to racialize Islam. The racialization of Islam has locked in all the advantages of racial status for a group that has no common race, only a common ideology.

Islam is the only religion that cannot be criticized. No other religion has a term in wide use that treats criticism of it as bigotry. Islamophobia is a unique term because it equates dislike of a religion with racism. Its usage makes it impossible to criticize that religion without being accused of bigotry.

By equating religion with race, Islam is treated not as a particular set of beliefs expressed in behaviors both good and bad, but as an innate trait that like race cannot be criticized without attacking the existence of an entire people. The idea that Islamic violence stems from its beliefs is denounced as racist.

Muslims are treated as a racial collective rather than a group that shares a set of views about the world.

That has made it impossible for the left to deal with ex-Muslims like Ayaan Hirsi Ali or non-Muslims from Muslim families like Salman Rushdie. If Islam is more like skin color than an ideology, then ex-Muslims, like ex-Blacks, cannot and should not exist. Under such conditions, atheism is not a debate, but a hate crime. Challenging Islam does not question a creed; it attacks the existence of an entire people.

Muslim atheists, unlike all other atheists, are treated as race traitors both by Muslims and leftists. The left has accepted the Brotherhood’s premise that the only authentic Middle Easterner is a Muslim (not a Christian or a Jew) and that the only authentic Muslim is a Salafist (even if they don’t know the word).

The racialization of Islam has turned blasphemy prosecutions into an act of tolerance while making a cartoon of a religious figure racist even when it is drawn by ex-Muslims like Bosch Fawstin. The *New York Times* will run photos of Chris Ofili’s “The Holy Virgin Mary” covered in dung and pornography, but refuses to run Mohammed cartoons because it deems one anti-religious and the other racist.

The equating of Islam with Arabs and Pakistanis has made it nearly impossible for the media to discuss violence against Christians in those parts of the world. The racialization of Islam has made Arab Christians, like Bangladeshi atheists, a contradiction in terms. The ethnic cleansing of the Yazidi could only be covered by giving them a clearly defined separate identity. Middle Eastern Christians are increasingly moving to avoid being categorized as Arabs because it is the only way to break through this wall of ignorance.

While racialization is the biggest Muslim privilege, race provides no protection for many Islamic religious practices. Muslims then seek religious discrimination laws to protect these practices even if it's often a matter of debate whether their lawsuits protect their religious practices or impose them on others.

Islam is a theocracy. When it leaves the territories conquered by Islam, it seeks to replicate that theocracy through violence and by adapting the legal codes of the host society to suit its purposes.

Islamic blasphemy laws are duplicated using hate crime laws. Employers are obligated to make religious concessions to Muslim employees because of laws protecting religious practices, but many of these practices, such as refusing to carry out jobs involving pork, liquor or Seeing Eye dogs, are really ways of theocratically forcing behaviors that Islam forbids out of public life much as Saudi Arabia or Iran do.

Accusations of bigotry are used to outlaw ideas that Islam finds blasphemous and religious protection laws are used to banish behaviors that it disapproves of. By switching from race to religion and back again, Islamists construct a virtual theocracy by exploiting laws designed to protect different types of groups.

Religions in America traded theocracy for religious freedom. They gave up being able to impose their practices on others in exchange for being able to freely practice their own religions. Islam rejects religious freedom. It exploits it to remove the freedom of belief and practice of others. When it cannot do so through religious protection laws, it does so through claims of bigotry.

Religions were not meant to be immunized from blasphemy because that is theocracy. Instead religions are protected from restrictions, rather than from criticism. Islam insists on being protected from both. It makes no concessions to the freedom of others while demanding maximum religious accommodation.

While race and religion are used to create negative spaces in which Islam cannot be challenged, the creed is promoted positively as a culture. Presenting Islam as a culture allows it easier entry into schools and cultural institutions. Islamic missionary activity uses the Western longing for oriental exotica that its political activists loudly decry to inject it into secular spaces that would ordinarily be hostile to organized religion.

Leftists prefer to see Islam as a culture rather than a religion. Their worldview is not open to Islam's clumsy photocopy of the deity that they have already rejected in their own watered down versions of Christianity and Judaism. But they are constantly seeking an aimless and undefined spirituality in non-Western cultures that they imagine are free of the materialism and hypocrisy of Western culture.

Viewing Islam as a culture allows the left to project its own ideology on a blank slate. That is why liberals remain passionately convinced that Islam is a religion of social justice. Their Islam is a mirror that reflects back their own views and ideas at them. They pretend to respect Islam as a culture without bothering to do any more than learn a few words and names so that they can seem like world travelers.

By morphing into a culture, Islam sheds its content and becomes a style, a form of dress, a drape of cloth, a style of beard, a curvature of script and a whiff of spices. It avoids uncomfortable questions about what the Koran actually says and instead sells the religion as a meaningful lifestyle. This approach has always had a great deal of appeal for African-Americans who were cut off from their own heritage through Islamic slavery, but it also enjoys success with white upper class college students.

The parents of those students often learn too late that Islam is not just another interchangeable monotheistic religion, that its mosques are not places where earnest grad students lecture elderly congregants about social justice and that its laws are not reducible to the importance of being nice to others.

Like a magician using misdirection, these transformations from religion to race, from race to culture and from culture to religion, distract Americans from asking what Islam really believes. By combining race, religion and culture, it replicates the building blocks of its theocracy within our legal and social spaces.

Separately each of these has its advantages and disadvantages. By combining them, Islam gains the advantages of all three, and by moving from one to the other, it escapes all of the disadvantages. The task of its critics is to deracialize Islam, to reduce it to an ideology and to ask what it really believes.

Islam is a privileged religion. And there's a word for that. Theocracy.

JT: I agree with Daniel Greenfield except regarding the terminology that Islam is a religion. Islam is not a religion. Islam is a cult. Islam is an evil cult. Appeasement, kowtowing, and apologizing to Islam and Muslims must stop!

A good starting point to stop licking the derrière of Muhammad and Islam is to realize the true classification of Islam. Based on academic studies of Islam, one must conclude that Islam is a CULT, indeed, a CULT OF THE PERSONALITY. Everything in Islam concerns the epileptic, illiterate, psychopath Muhammad.

Islam should never be called a religion. ISLAM IS A CULT!!!
Islam is not peaceful. ISLAM IS WAR!!!

Islam is not tolerant. ISLAM IS INTOLERANT!!!

Read the *Sunnah* of Muhammad and the Koran which was dictated by Muhammad whenever he needed justification for what he was undertaking.¹ You will truly know

¹ The **Sunnah** means the way Muslims must lead their lives based on the teachings and behavior of Muhammad and the interpretations of what he personally dictated in the Koran.

that evil comes from Muhammad. For example, mass murder is blessed. Here are other Muhammad-holy teachings that Muslims must follow:

1. "It is not for any Prophet to have captives until he hath made slaughter in the land."²
2. "Fight everyone in the way of Allah and kill those who disbelieve in Allah."³
3. "I have been given the command to fight. ... Permission is given to those fought against (those who are followers of Muhammad) because they have been wronged; and surely Allah is able to give them victory."⁴
4. "So when you meet those who disbelieve [in battle], strike [their] necks until, when you have inflicted slaughter upon them, then secure their bonds, and either [confer] favor afterwards or ransom [them] until the war lays down its burdens. That [is the command]. And if Allah had willed, He could have taken vengeance upon them [Himself], but [He ordered armed struggle] to test some of you by means of others. And those who are killed in the cause of Allah – never will He waste their deeds. He will guide them and set right their state. And admit them to Paradise which He has made known to them."⁵
5. "Whosoever of the Jews falls into your hands, kill him."⁶
6. Muhammad set the example of killing his critics. Muhammad gave the personal warning that anyone who insults him "shall be put to death"⁷
7. "Kill! Kill!"⁸ "O Conqueror, kill, kill!"⁹

⁷ Abu Abdullah Ibn Omar ibn Waqid al-Aslami, *The Life of Muhammad*, translated by Rizwi Faizer and Abdul Kader Tyob, Routledge, New York: 2011, p. 96.

8. "Fight and kill the disbelievers wherever you find them, take them captive, harass them, lie in wait and ambush them using every stratagem of war."¹⁰
9. Muhammad was the originator of the Final Solution – the killing of the Jews.¹¹
10. "I have been made victorious with terror (cast into the hearts of the enemy.)"¹²

This is peaceful and tolerant Muhammad!!!

This is the peaceful and tolerant Koran!!!

This is peaceful and tolerant Islam!!!

The bottom line is that Muhammad with the Koran as his blueprint should be charged with crimes against humanity encompassing apartheid, deportation, deprivation of personal liberty, enforced pregnancy, enforced prostitution, enforced sterilization, enslavement, ethnic cleansing, extermination of peoples, forced disappearance of persons, murder and mass murder, political persecution, racial discrimination, rape, sexual slavery, sexual violence against men and women, bestiality, and torture, to name only a few.¹³

The threat of Islam is with us every day. It is time that the free world combat Islam by exposing Muhammad and Islam with the truths from the sources surrounding Muhammad and the Koran.

One cannot slander Muhammad. Muhammad with his actions has slandered himself!

One cannot slander the Koran. The Koran with its statements against humanity made by a psychopath slanders itself!

¹³ Refer to <http://www.preventgenocide.org/lasw/icc/statute/part-a.htm#2>.

One cannot slander Islam. Islam slanders itself by claiming that it is the word of God, and thereby it also slanders God!

One final point to be made is that whoever says that there is a radical Islam insinuates that there is also a peaceful Islam. Never forget the following truths:

THERE IS NO PEACEFUL ISLAM!

ISLAM WAS FROM THE VERY BEGINNING VIOLENCE AND TERROR.

THROUGHOUT HISTORY ISLAM HAS ALWAYS BEEN VIOLENCE AND TERROR.

ISLAM WILL ALWAYS BE VIOLENCE AND TERROR.

Pray for the souls of the victims of Islam in the past, the present, and the future.

The above truth may be provoking, but truth, indeed, provoking truth sets us free.

JT: Methinks this is a total waste of water. Muhammad said a Muslim should not waste water. "Wudu involves washing exposed body parts with clean water to purify oneself before prayer. The Prophet Muhammad urged moderation when using water during ablution. He, Himself used a minimal amount of water, using just one Mudd of water (the equivalent of 625 ml) when carrying out Wudu and only five Mudds for Ghusl (slightly more than 3 litres)."
