JT: If the Confederate Flag must be done away with because it is a symbol of slavery, then it is only logical that the following symbols of slavery must disappear forever. Slavery and its symbols are shameful, discriminatory, racist, hurtful, and anti-human.

In Islam the euphemism for *slavery* is *what the right hand owns*. This is the reason why Muslims can claim that slavery does not exist in the Koran, nor in Islam. The word is not mentioned.

The Islamic epithet *slave of Allah* indicates that slavery is humanity's natural state. Allah does not like the idea of freeing slaves or doing away with slavery. Allah plainly takes a dim view of slaves, and scoffs at the idea of freeing them:

### Koran 16:75

Allah sets forth the Parable (of two men: one) a slave under the dominion of another; He has no power of any sort; and (the other) a man on whom We have bestowed goodly favors from Ourselves, and he spends thereof (freely), privately and publicly: are the two equal? (By no means;) praise be to Allah. But most of them understand not.

### Koran 16:71

And Allah hath favored some of you above others in provision. Now those who are more favored will by no means hand over their provision to those (slaves) whom their right hands possess, so that they may be equal with them in respect thereof. Is it then the grace of Allah that they deny?

### Koran 33:50

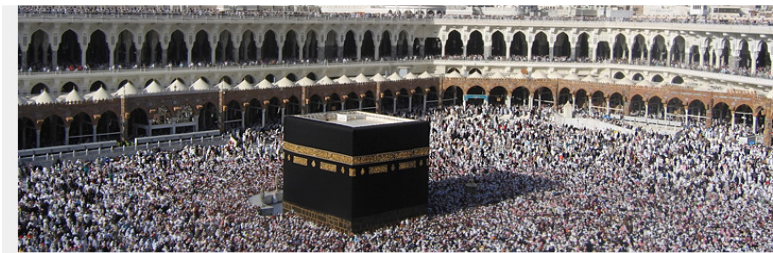

O Prophet, **We have made lawful for thee** thy wives whom thou hast given their wages and **what thy right hand owns, spoils of war** that God has given thee, and the daughters of thy uncles paternal and aunts paternal, thy uncles maternal and aunts maternal, who have emigrated with thee, and any woman believer, if she give herself to the Prophet and if the Prophet desire to take her in marriage, for thee exclusively, apart from the believers – **We know what We have imposed upon them touching their wives and what their right hands own** – that there may be no fault in thee; God is All-forgiving, All-compassionate.

The Hadiths are recorded sayings and behaviors of Muhammad that do not appear in the Koran. There are 73 references in the Hadiths of Muhammad that concern the allowing of slavery. Furthermore, although slavery has been officially forbidden in Islamic countries – the emphasis is on officially –, Islamic law, the Sharia, allows slavery. Comprehend this Hadith recorded by [Abu Dawud 11:2126](#) "...I married a virgin woman in her veil. When I entered upon her, I found her pregnant. (I mentioned this to the Prophet). The Prophet (peace be upon him) said: She will get the dower, for you made her vagina lawful for you. The child will be your slave ... ."

The Saudi Sheikh *Saleh Al-Fawzan*, a member of the Senior Council of Clerics whose books are used to teach millions of children and students, stated in 2003 the status of slavery that is still observed in Islam: "Slavery is a part of Islam. ... those who argue that slavery is abolished are ignorant, not scholars. They are merely writers. Whoever says such things is an infidel." (Quoted by M. K. Agarwal in his book *From Bharata to India, Volume II The Rape of Chrysee*, Bloomington, Indiana, iUniverse Books: 2012, p. 252.)

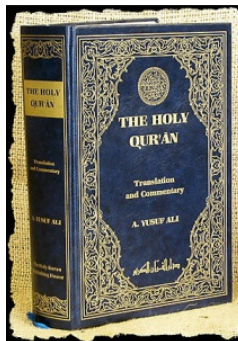

This short overview being the case, is it not logical that the following symbols of slavery should be abolished?

- All mosques where Islam is propagated, because Islam sanctions slavery.
- All madrassas, because Islam that sanctions slavery is taught at these schools.
- All flags that are symbols of Islamic countries and the ruling Sharia law.

## WHY ENGLISH IS SO HARD

We'll begin with a box, and the plural is boxes,  
But the plural of ox becomes oxen, not oxes.  
One fowl is a goose, but two are called geese,  
Yet the plural of moose should never be meese.  
You may find a lone mouse or a nest full of mice,  
Yet the plural of house is houses, not hice.

If the plural of man is always called men,  
Why shouldn't the plural of pan be called pen?  
If I speak of my foot and show you my feet,  
And I give you a boot, would a pair be called beet?  
If one is a tooth and a whole set are teeth,  
Why shouldn't the plural of booth be called beeth?

Then one may be that, and three would be those,  
Yet hat in the plural would never be hose,  
And the plural of cat is cats, not cose.  
We speak of a brother and also of brethren,  
But though we say mother, we never say methren.  
Then the masculine pronouns are he, his and him,  
But imagine the feminine: she, shis and shim!

### White House Promises To Never Flood

WASHINGTON (WNB) - The Obama administration sent a powerful message to the world on Friday by illuminating the White House in the colors of the rainbow.

Borrowing God's visual promise to never again destroy the world's population by flooding, the multicolored-lit White House appeared to be a message from President Obama that he will never use full-scale flooding to kill all life, a move praised by Pope Francis and other religious leaders.

"We, who follow God in condemning war and destruction, applaud President Obama's vow to never destroy all life on this planet with a flood. Peace is the only answer," said the Pontiff.

This is a recent email from Barack Hussein Obama:

Friend –

When we talk about making life better for the middle class, what we're really talking about is fairness. We're talking about making sure families can make ends meet and put food on the table, and that hardworking folks aren't getting short-changed.

But the reality is that millions of Americans have been working extra hours for years now without bringing home all the pay they deserved -- and that's just not fair.

So with your support, we're doing something about it. Last week, I announced a policy that will make sure people are paid what they deserve. With this new rule, nearly 5 million more people are going to be able to take home the wages they've rightfully earned.

When we can make progress like this, it's a big deal -- and it's only possible when we work together. If you agree that a hard day's work deserves a fair day's pay, add your name to say you'll stand with me on this:

<http://my.democrats.org/Not-Done>

Thanks.

Barack Obama

JT: This is my answer: I am not your friend and you are not my friend. My question is: Why would anyone in their right mind want to stand with you in your political cloaca?

\*\*\*

Don Fredrick reports in the July issue of *The Complete Obama Timeline*, with proper multiple documentation that "Four (Five) U.S. Marines are killed and one police officer is wounded in shootings at two separate military facilities in Chattanooga, Tennessee: the Naval Reserve Center and the Armed Forces Career Center. The gunman, Mohammod Youssef Abdulazeez is shot and killed by local police. The Kuwait-born, 24-year-old Abdulazeez lived in Hixson, Tennessee. According to *The New York Times*, Abdulazeez's father has been on a terror watch list. (*Before the shooting, an Islamist Twitter account sent a message: "O American Dogs soon YOU WILL see wonders #Chattanooga #USA #ISIS."* The same Twitter user issues threats about Berlin and Amsterdam.)"

JT: Mohammod Youssef Abdulazeez is the name of the person who killed the Marines. The name sounds Arabic (Muslim) but we are not sure that he was a Muslim, although his heritage is Kuwaiti. Of course, this tells us nothing!!! The name translates:

**Mohammod** means **praiseworthy**

**Youssef** means **Allah increases in piety, power, and influence.**

**Abdul** means **Slave of**, or **Servant of**.

**Abdula / Abdallah**, means **Servant of Allah**.

**Aziz** and the derivatives thereof mean **The Almighty**. The last two names together give us **Servant of Allah the Almighty**.

However, I'm so relieved that these are only coincidences and that this low-key public violence has nothing to do with Islam because Islam is peaceful and tolerant!

- "The superior man thinks of virtue; the small man (Obama) thinks of comfort. The superior man thinks of the enactments of law; the small man (Obama) thinks of favors that he may receive.
- "The mind of the superior man is conversant with righteousness; the mind of the mean man (Obama) is conversant with gain.
- "The superior man seeks to perfect the admirable qualities of men, and does not seek to perfect their bad qualities. The mean man (Obama) does the opposite of this.
- "What the superior man seeks, is in himself. What the mean man (Obama) seeks, is in others."

We still believe that we have the right to criticize all religions. The mistakes you could blame Islam for can be found in other religions.'" (Don Fredrick comments: "In other words, 'The jihadists have won, and we will now limit ourselves to ridiculing people who are not inclined to kill us after being offended.'")

JT: Methinks the only thing left for *Charlie Hebdo* to do is to symbolically kiss Muhammad's derrière. Ooops, that's impossible! They have entered so far that they can no longer see sunlight.

## **ATTENTION!!! ATTENTION!!! ATTENTION!!! ATTENTION!!! ATTENTION!!!**

### The Disaster of July 14, 2015

Friends,

This morning we awakened to the deal that puts the Chamberlain Munich treaty of 1938 into a minor league category. That infamous signed agreement waved by England's Prime Minister to an adoring, ignorant English crowd, that signed the death warrant for over 70 million human beings will be ranked as insignificant to the worldwide in the making catastrophe of today's July 14th deal with the devil, Iran.

The only way to stop this disaster from becoming a bloodbath of a reality to remove the Democrat Party from power. It is a sure bet that our local Florida Democrats will tell us to hold our horses, wait a while until we see the outcomes of this deal, that is to give peace a chance, to rely on the intelligence and strength of will of our hard dealing President Obama and to give him breathing room to oversee this agreement. "After all," they will appeal to us, "there is plenty of time to stop Iran if it turns into a rogue nation." Pure poppycock!

Congressman Ted Deutch, along with his other Progressive legislators, including Lois Frankel, Debbie Schultz, Alcee Hastings, Patrick Murphy and the rest of the Democrat-J Streeters sitting in the House will submit, Islam-like, to the wills of Obama and Kerry in this deal with the devil and will try to regain their seats to give their leader further control of our policy toward self destruction.

It is our responsibility to our future generations and that includes, as well, all of humanity's, to see to it that they do not return to office. We must work with a rejuvenated and united Republican Party to take over this government in an electoral fashion. Every single one of this party's Presidential candidates, no matter how little government experience some of them may have, is better suited to govern this nation than its current leader and the major Democrat in the race at this date, Hillary Clinton.

It's time we spoke up at local meetings, card, mah jong and golf games to decry the Liberals' ideas for our future. It's time to take off the shroud of silence when in the midst of these zombie-like Democrats and give them a bit of reality talk. Let them know that you are not one of those who submit, Islam-like to the leaders of the Democrat Party. It's time to use the weapon of the Radical Left: to shout down your opponents. Forget about the rules of respect you were taught to live by. You think for yourselves. You now have to make your own rules for public discourse. You understand the nature of the mentality of the Soros dominated Democrat Party, which is to give in to the enemies of the Western world, of Israel and of our grandkids and your refuse to do so.

Speak up now before the mushroom cloud envelopes what you hold near and dear. In short, speak up before there is no one left to hear your words.

Today's agreement with Iran threatens all of us. We would not have signed an agreement with the Nazis, and we should not have signed an agreement with a terrorist State that has the same mission as the Nazis.

JT: Now for heart-warming words: An American patriot sent me the following patriotic opinion. I agree totally!

Dear American Liberals, Democrats, Progressives--all those, especially Jews, who voted for Obama, thank you. In light of the recent deal with our enemy Iran, which paves the way for them to have nuclear weapons, and frees up \$150 billion dollars to fund more terror outfits like Hezbollah--the world is now a significantly more dangerous place.

What wisdom you showed in electing Obama! What foresight! You helped make history. Wow! Hooray: men can marry men--woo hoo! And everyone gets free healthcare, no matter how it crushes people's businesses (as liberals are only now waking up to).

No matter that Iranian leaders lead crowds in chanting "Death to America" and "Death to Israel"--Israel will be alright, right? I mean Barack said that he has Israel's back, right? I know many very, very successful Hollywood people with degrees from the nation's best schools and bank accounts bursting at the seams. And they are, without question, **\*\*THE\*\*** biggest fools, I now think, in recorded history. Bigger than those Jews in Germany who supported the Munich agreement in 1938, even as the Nazis forcibly pinned yellow stars to their clothes.

The color yellow means you're a chicken. Barack called the leader of the Jewish state a chickens\*it, remember? Do the math. Guess who don't like da Jews? Even as da Jews threw the fundraisers. It was worth it, right, my Hollywood 'friends'? You get to take a picture with the guy who has given Iran all it needs to annihilate the only country in history that could protect you because you're a Jew.

But you didn't get that memo in Hebrew school or high school or at home or at college or grad school. You were too busy doing your part for "social justice" and getting that "I'm-a-really-good-person" FEELING (the sole emotion that drives the left).

Well, you got what you wanted. Elected a guy who just spit on you--and you cannot even see or acknowledge the spit running down your face. That's what he banked on. Correctly. Just a quick heads-up: Israel is going to attack Iran by mid-December. It has no choice. It doesn't play "we are the world"--it plays "I will survive," no thanks to you.

Sincerely,

A fed-up realist.
