JT: I don't comprehend how the image is an insult to Islam or an insult to Anjem Choudary. However, we can debate about whether or not it is an insult to a swine! The meaning of Anjem in English is *stars*. Choudary is Urdu for *ringleader*. That fits! He has so many illogical pronouncements that he has stars circling his blurr-brained head as if it belonged to perplexed idiot. Considering Anjem Choudary's idiotic pronouncements, mocking of him is likely the best method of criticizing him

John Boehner is resigning from Congress!!!

JT: Okay, Barack Hussein Obama! This is your learning moment. John Boehner has shown how it is done. Emulate him!

JT: Spontaneous thought: Both Planned Parenthood and Barack Hussein Obama are evil. Defund both of them!

JT: The article is in German. My reasoning is that Muslims truly desire to go to Jannah (Paradise). If they die for Islam, regardless of how they die, they will immediately go to paradise. If anyone prohibits a Muslim from dying for Islam, that person (or organization) is guilty of disobeying the Koran, Muhammad, and Allah; and must be decapitated (killed). I think they should be allowed to go to Jannah via any method they decide to use. We don't want to go against Allah, Muhammad, and Islam do we? They are so peaceful and tolerant!

It's Official: Ground Zero Mosque DEFEATED!

We did it! We the people. President Obama pushed for it, then-Mayor of NYC Michael Bloomberg supported it, the media actively campaigned for it — the elites in their increasingly fragile ivory towers stumped for the mosque.

But the people stood up and fought it and *won*.

Hey Obama, YES. WE. CAN.

After this decision by the U.S. Army, NO ONE should enlist
Written by Allen West on September 24, 2015 (Danke JO)

There are some decisions which I simply cannot fathom how anyone could make. We've [discussed here](#) the issue surrounding U.S. Army Special Forces Green Berets Captain Dan Quinn and Sergeant First Class Charles Martland. These men were relieved of their positions by the chain of command because they physically assaulted an Afghan police officer who had raped a young boy and beaten his mother.

We [reported](#) on SFC Martland's appeal regarding his involuntary discharge from the Army because of the adverse actions taken against him and placed in his personnel record. Captain Quinn left the Army.

We shared with you earlier this week how the U.S. Military has [issued orders](#) to troops in Afghanistan to disregard the instances of sexual abuse of young boys by Afghan officials — even if they occurred on U.S. Military bases. We know three Marines lost their lives in Helmand province when one of these “chai boys” took the AK-47 of the pedophile Afghan police chief and gunned them down while they worked out in the FOB gym.

And now we get this news.

As reported by [The Daily Caller](#), *“The U.S. Army has just rejected the appeal of Green Beret Sgt. 1st Class Charles Martland, who received a discharge scheduled to take effect Nov. 1 for shoving an Afghan rapist to the ground. “Consequently, your request for an appeal and continued service is disapproved,” U.S. Human Resources Command (USAHRC) said in a Sept. 14 memo sent to Martland. The reason for the denial? The office said that Martland’s appeal attempt “does not meet the criteria” because it brings no new information to the table.*

Later, the letter added that the decision is final, Fox News reports. In 2011, Martland came up close and personal to a local Afghan police commander, who was accused of raping a boy and then assaulting his mother. The Afghan commander laughed when confronted by Martland, and so Martland shoved him to the ground. Along with his team leader, Martland was removed from the base in Kunduz Province, Afghanistan. In a memo obtained by Fox News, it seems clear that Martland received severe criticism from the leadership for interfering.”

What rationale is being used by the U.S. Army Human Resources Command? And the commanding general of that command needs to be asked if he condones child sex abuse, regardless of culture. As I shared before, the motto of the Army Green Beret is “De Oppresso Libre” — to Liberate the Oppressed — what part of that motto is inconsistent with the actions of SFC Martland, who earned a Bronze Star with a valor device for his combat bravery? What message does this send to our men and women in uniform?

“Gen. John F. Campbell, commander of U.S. forces in Afghanistan, has strenuously denied the existence of any such policy requiring soldiers to ignore what they see. Instead, Campbell said he’s taken the time to speak to President Ashraf Ghani about the problem.”

The crux of that discussion should have been the cessation of U.S. financial support to Afghanistan if this despicable practice continues, a complete violation of standards of decency and humanity. What does it say to the mothers and little boys of Afghanistan when we are allowing this to happen — and punishing those who take a stand? If you speak to any Soldier who has served in Afghanistan they will tell you this is a common practice, and somehow, it is proliferated with no consequence. Someone has told our troops to keep quiet — and that person needs to be discovered.

And what is the new Secretary of the Army going to do about this? What shall the new Chief of Staff of the Army do about this? I call upon them to reverse this decision, promote SFC Martland to Master Sergeant, and if he wishes, bring Captain Quinn back to active duty.

I know, everyone is focused on Pope Francis visiting America, got it. He’ll come and go, but this issue deserves the attention of our news media and every single American. If there is a bipartisan issue, this is one. Anyone out there tell me you agree with this decision? Tell me you agree with the silence in the face of this vile and savage behavior to rape young boys. Perhaps this is a cause of the PTSD for some of our troops — having to listen to the cries of these boys and not be able to do anything.

Where is the moral compass of the U.S. Army? And for the USAHRC to say this decision is final because there is “no new information brought to the table” is unconscionable. The known information should be enough to reverse this decision — unless the U.S. Army, MY Army, now condones child sex abuse, rape, and beating women.

Where is the respect for the chivalry of the Warrior? I am in Dallas, Texas and I can hear this Afghan police chief laughing, laughing right before he goes out and rapes another little boy. SFC Martland is fighting for his military career while a pedophile is laughing. Let me put this simply, if I were SecDef, that bastard would not be laughing, and SFC Martland would be my enlisted aide.

This is a call to action, melt the Pentagon phone lines and tell them in no uncertain terms that America will not send her sons and daughters to serve in an immoral military. Call the Commanding General of the USAHRC and demand this decision is reversed. Challenge the new Secretary of the Army to explain to us if he agrees with sexual abuse of young boys in the presence of our Soldiers. Email and call your congressional representatives, Republican,

Democrat, Independent, and tell them to unite against this injustice against US Army Green Beret SFC Charles Martland.

I don't know what disgusts me more, the actions of the Afghans, which are to be expected...or that of our U.S. Army, which should not be expected.

JT: Think about it on the next election day!

JT: Spontaneous, unconfirmed rumor: Obama is selling Satanical letters of indulgence, which will forgive the holder for doing good works.

In the September 2015 Issue of *The Complete Obama Timeline*, Don Fredrick reports the following collected from various sources:

Pamela Geller posts a video report by a European woman who was on a train with Middle East refugees—who were not aware she understood Arabic. She describes “masses of people of Arab appearance” at the train station, “filthy, unwashed and loud, who refused to let me get across the entrance. They shouted various insults in my direction, they tried to take away my luggage. ...People, without shame, simply defecated right where they stood. The women shouted, they were beaten by their own kind, not by the police who didn’t even touch them. ...They were noisy, shouting, and all they could think to do in the heat of the moment was to grab the luggage of passersby and shout obscenities after them. Ninety percent of them were men between 18 and 45, completely healthy men, who grabbed absolutely random children and fought their way forward [to the trains] using the children as a shield.”

“Like some dark cloud,” says the woman, “a mass of people got on [the train]. There were conflicts, and fights, and other awful things. The situation’s climax was when they began talking to each other in a relaxed tone, considering whether or not they should rob us, since that would please Allah because we were infidels. As for me, [they said] it would really be worth raping me because I am not dressed like a proper woman. I haven’t got a hijab on my head, that is, I’m not Muslim and so I am bad.” When the train stopped, “The four people and I, who had tickets, started battling our way through the migrant mass. At first, they didn’t want to let us go, and they talked about using us as hostages, that it would be worth stopping us.” After finally exiting the train, the woman realized that station was also “completely under siege. ...They were all shouting one word repeatedly: Money! That is, give us money! They were grabbing at people, trying to tear away some valuables, they were grabbing at luggage and wouldn’t let people pass, they shoved and insulted. All those people [who] are migrating only want European welfare; none of them have any intention of learning a trade or being involved in anything. Aside from hatred, absolute ill will, they have nothing to give European people. ...Those people are the same ones that Europe accepted in the name of tolerance. So before we protect these people, I suggest we learn the Arabic language so that we can understand and see (Don Fredrick: The Obama administration wants the United States to welcome hundreds of thousands of such immigrants.)

Meanwhile, some Germans are being forced out of their apartments in order to provide housing for refugees. According to RT.com, “Bettina Halbey, who lives alone in the small town of Nieheim, received a letter from her landlord and the local municipality at the start of September, Die Welt newspaper reported on Thursday. ‘I was completely shocked and I can’t even begin to find the words to describe how the city has treated me,’ Halbey told the German publication. ‘I have had to go through a lot of difficulties recently, and then I get this notice. It was like a kick in the teeth.’ Halbey will have until May 2016 to find a new place to live, along with her dog and her cat. The three-story building, where she rented a 90 sq/m flat will now be turned into accommodation for refugees, who are seeking to make Germany their new home.”

FoxNews.com reports, “A British soldier was asked to move from a hospital waiting room last week because staff feared his uniform might offend other patients. The family of Royal Air Force Sgt. Mark Prendeville said hospital workers told them ‘they didn’t want to upset people’ and that the hospital has ‘lots of different cultures coming in,’ according to the Guardian. ‘To say I was incensed would put it mildly,’ Prendeville’s father, Jim Prendeville, told the BBC.” (Don Fredrick: It can be assumed that the hospital would not move hijab-wearing Muslim women out of the way in order that they would not offend non-Muslims.)

JT: The Koran and Muhammad are not misunderstandings. They are evil!

JT: (I) If you rearrange the letters in “illegal immigrants”, and add just a few more letters, it spells: “Go home you free-loading, benefit-grabbing, resource-sucking, baby-making, non-English speaking bastards, and take those other hairy-faced, sandal wearing, bomb-making, camel-riding, goat-shagging, raggedy-ass bastards with you.” Adapted from <http://iotwreport.com/page/2/#2ju1JbhT7T3Ajpte.99>.

Source: <http://iotwreportcom.c.presscdn.com/wp-content/uploads/2015/09/burkas.jpg>

JT: This will soon be a holiday in Europe and the United States. The Burkas are drenched in a mixture of sand and water and the women shout Allahu Akbar for one hour. Then the Burkas are clean for another year.

JT: Spontaneous thought: Where will Barry and Moosechelle go to retire?` Hawaii? I think a better place would be some European country. Because Europe has become the cloaca of the Third World and Islam, Barry and Moosechelle would certainly fell at home in a cloaca.

<http://www.wsbtv.com/news/news/local/parents-upset-kids-taught-islam-school/nnnnyB/>

The report is about a school in Warren County, Georgia that wants to teach the school children the importance of the Five Pillars of Islam.

JT: The Five Pillars of Islam with illuminating comments concerning the questionable fortitude of the so-called pillars are as follows:

1. **Shahada:** This is a statement of faith in Islam that declares there is only one god (Allah) and that Muhammad is Allah's messenger. In Arabic: *lā 'ilāha 'illā-llāhu muḥammadun rasūlu-llāh* (لَا إِلَهَ إِلَّا اللَّهُ مُحَمَّدٌ رَّسُولُ اللَّهِ) "There is no god but Allah (and) Muhammad is the messenger of Allah."

COMMENT: Roughly translated this means there is no moon god but Allah the moon god and Muhammad is the moon god's messenger Does this make him a lunatic (*luna* is Latin for the *moon*)?

Allah is not the generic term for god in Arabic. It is only the Arabic term for the Islamic deity, not a deity in any religion. Therefore, Allah is not the Christian God or the Hebrew Yahweh.

2. **Salat:** is the Islamic prayer that takes place five times a day. They are named after the times of the day. Faijr (dawn), Dhuhr (noon), Asr (afternoon), Maghrib (evening), and Isha (night).

COMMENT: It is not necessary to say the prayers in a mosque.

3. **Zakāt** is charitable alms giving based on accumulated wealth.

COMMENT: **Zakāt** is really an obligatory tax that amounts to approximately 2.5 percent of a person's wealth accumulated throughout the year. (Source: <http://www.britannica.com/topic/zakat-Islamic-tax>) Ownership of slaves and horses are not counted as being part of a Muslim's wealth. (Source: □ "Narrated Abu Huraira: Allah's Apostle said, "There is no Zakat either on a horse or a slave belonging to a Muslim" – [Sahih Bukhari 2:24:542](#) "Narrated Abu Huraira:- The Prophet said, "There is no Zakat either on a slave or on a horse belonging to a Muslim." – [Sahih Bukhari 2:24:543](#)).

4. **Sawm: Fasting**

There are three types of fasting recognized by the Quran:

ritual fasting

fasting as compensation for repentance

ascetic fasting

COMMENT: After fasting the custom to break the ritual is to eat dates, like Muhammad did, and then gouge down as much as one can.

Also of importance: "Sex with animals, dead people and masturbation, does not invalidate one's fast provided ejaculation does not occur" (Source: [Allamah Hassan bin Mansoor Qadhi Khan, Fatawa Qadhi Khan, Page 820.](#))

5. **Hajj: Pilgrimage to Mecca** In the Islamic month of Dhu al Hijjah one must undertake a pilgrimage to the holy city of Mecca. This must be done at least once in a person's lifetime.

COMMENT: The Hajj Pilgrimage is incomplete without hot Camel sex. (Source: http://www.liveleak.com/view?i=b98_1361749909).

- (6.) **Jihad:** There is a sixth pillar called Jihad. Muhammad said that jihad is a compulsory duty, and referred to it as "better than standing in prayer for sixty years" (Source: "Standing for an hour in the ranks of battle is better than standing in prayer for sixty years. – Saheeh related by Ibn Ade and Ibn Asakir from Abu Hurayrah 4/6165.and Sahih al Jaami as Sagheer number 4305). And (jihad is) second in importance only to the belief in Allah and in Muhammad.

Source "Allah's Apostle was asked, "What is the best deed?" He replied, "To believe in Allah and His Apostle (Muhammad). The questioner then asked, "What is the next (in goodness)? He replied, "To participate in Jihad (religious fighting) in Allah's Cause."" – Sahih Bukhari, 1:2:26.

COMMENT: According to Muhammad, jihad is not the private struggle within one's conscience or soul. It is active, violent, battle action with the goal of killing non-believers.

WHY ENGLISH IS HARD TO LEARN

We'll begin with *box*; the plural is *boxes*,
But the plural of *ox* is *oxen*, not *oxes*.
One fowl is a *goose*, and two are called *geese*,
Yet the plural of *moose* is never called *meese*.

You may find a lone *mouse* or a house full of *mice*;
But the plural of *house* is *houses*, not *hice*.
The plural of *man* is always *men*,
But the plural of *pan* is never *pen*.

If I speak of a *foot*, and you show me two *feet*,
And I give you a *book*, would a pair be a *beek*?
If one is a *tooth* and a whole set are *teeth*,
Why shouldn't two *booths* be called *beeth*?

If the singular's *this* and the plural is *these*,
Should the plural of *kiss* be ever called *keese*?

We speak of a *brother* and also of *brethren*,
But though we say *mother*, we never say *methren*.
Then the masculine pronouns are *he*, *his*, and *him*;
But imagine the feminine . . . *she*, *shis*, and *shim*!
