JT: Read all of it! Is this what emulating Muhammad consists of?

JT: Spontaneous thought: The fact that jelly fish have existed for over 650 million years without a brain is good news for John Kerry!

In the December 2015 issue of *The Complete Obama Timeline*, Don Fredrick reports that residents in Hamtramck, Michigan complain that the Muslim call to prayer which comes from the Ideal Islamic Center is far too loud. HamtramckReview.com writes that resident Jeanette Powell “said she’s not complaining as a way to ‘bash anyone’s religion.’ She said the call or prayer was broadcast at 6 a.m. and found the volume ‘overbearing.’ ‘Just turn it down a little bit.’ Carol Marsh said not only was the call to prayer too loud, she insisted that the organizers of the center never said it would serve as a mosque. ‘We were lied to,’ she said. ‘We were told it would never be turned into a mosque.’ But Sakrul Islam of the center said no one ever said it would not be a mosque, saying an Islamic center ‘covers everything.’ He warned Marsh that if she continued claiming she was lied to he would file a defamation lawsuit.”

JT: I didn't know Muslims lied! Oh wait, Obama is a Muslim and he never tells the truth! I forgot that! Anyway, the call to prayer – in reality when one considers that it is a call to observe the Koran which is a license to kill – is too loud – I can hear the threat here! – and the residents of Hamtramck, Michigan were lied to. As for the defamation lawsuit ... Que cerá, cerá!

Also reported by Don Fredrick in the December issue of *The Complete Obama Timeline* is this:

"Americans are reaching out—to their Muslim friends, neighbors and coworkers—to let them know we’re here for each other. I think of the woman in Texas carrying a sign saying, ‘*We love our Muslim neighbors.*’”

“That’s the message I hope every Muslim American hears—that we’re all part of the same American family. And it’s a message all of us can deliver—parents to our children, teachers to their students, leaders in politics and business and entertainment. Back in San Bernardino, people from across the community have joined in prayer vigils—Christians, Jews, Muslims and others. They’ve sent a powerful message—we’re all in this together. That’s the spirit we have to uphold. That’s what we can do—as Americans—united in defense of the country that we love.”

JT: After Obama continued defending the country he played golf! To the woman in Texas carrying the sign *We love our Muslim neighbors*, I say that the following people once loved their Muslim neighbors because they were peaceful and tolerant.

We announce to you that beginning January 21, 2017 Michelle and I will not longer be illegal residents in the White House. On that day we will start our Internet seminar classes on how to be a progressive. As a participant you will learn

1. How to become an American traitor,
2. How to lie and make people think you are telling the truth.
3. How to "get over" on society and force the government to pay you money for doing nothing.
4. How to obtain government payment for our seminars, the cost of which is 1000 dollars per minute.

We value you as a customer!

Feel free to visit us in our crime sewer in Chicago, Illinois.

Barry and Michelle.

JT: To get some practice in finding the Obama Crime Sewer, the reader can try solving the following labyrinth by finding the way from the Adler Planetarium in the south (black triangle) to the Lincoln Monument in the north (white star). Is that racist?

Residents of Gothenburg, Sweden have been warned to convert to Islam, pay the jizya tax, or die.

A rough translation into English is as follows:

IN GOD'S, THE ONE KINGDOM OF PARDONS, (IN) THE MERCIFUL'S NAME!

You as non believers will be decapitated in three days in the midst of your houses and we will bomb your rotten corpses afterwards!

You must choose 1 of these 3 choices:

- 1 - Convert to ISLAM !
- 2 - Pay protection tax !
- 3 - You become decapitated !

The police will not save you from being killed!

(death comes to all)

JT: This is a kind of response that Muslim threats deserve!

<https://www.youtube.com/watch?v=4icGgHy3kjY>

JT: Who is this man?

Someone from the Jenner Family?

Nope!

Perhaps the question should have been "Who is this person?"

Well s/he is either a communist in fascist disguise, or a fascist in communist disguise, or a progressive disguised as a conservative or a conservative disguised as a progressive or a whatnot disguised as a notwhat or a notwhat disguised as a whatnot.

This person is Hanna Stjärne, the new Chief Executive Officer at Swedish Television (SvT). One of her first actions has been to shape the Swedes' attitude towards migration by avoiding the word **migrant**.

The SvT's new Political Correctness Manual reveals that

Journalists are told to use – or avoid – certain words that could be racist or discriminating against immigrants.

"African descent" shall be avoided, whereas "white, light skinned, ruddy, east Asian look" is OK to report

Terrorists with Swedish passports shall be called *Swedes*.

JT: My conclusion is that the threatening propaganda that residents of Gothenburg, Sweden received was not from Muslim immigrants, but was from (Muslim?) Swedes!!!

In Sochaczew, Poland a Jewish cemetery is desecrated with spray-painted messages: "Fuck Jews!" "Islam will dominate" "Islamic State was here" and Allah bless Hitler." (<http://pamelageller.com/2015/12/muslims-desecrate-polish-cemetery-with-islamic-graffiti.html/>)

JT: Read <https://www.sovereignman.com/trends/denmark-to-confiscate-gold-jewelry-and-other-valuables-from-refugees-18342/>.

"In the Land of the Free, they call it Civil Asset Forfeiture— a legal form of theft in which the government can administratively steal your assets with no Constitutionally guaranteed due process.

The US government stole \$4.5 billion worth of private property from its citizens last year alone, far more than the \$3.9 billion stolen by common thieves according to FBI data.

The trend is pretty obvious—governments are not shy at awarding themselves the authority to take whatever they want, whenever they want, from whomever they want. And they'll always come up with a good excuse to justify it."

Obama's Christmas statement says: "During this season of Advent, Christians in the United States and around the world are preparing to celebrate the birth of Jesus Christ. At this time, those of us fortunate enough to live in countries that honor the birthright of all people to practice their faith freely give thanks for that blessing. Michelle and I are also ever mindful that many of our fellow Christians do not enjoy that right, and hold especially close to our hearts and minds those who have been driven from their ancient homelands by unspeakable violence and persecution. In some areas of the Middle East where church bells have rung for centuries on Christmas Day, this year they will be silent; this silence bears tragic witness to the brutal atrocities committed against these communities by ISIL.

We join with people around the world in praying for God's protection for persecuted Christians and those of other faiths, as well as for those brave men and women engaged in our military, diplomatic, and humanitarian efforts to alleviate their suffering and restore stability, security, and hope to their nations. As the old Christmas carol reminds us: The Wrong shall fail, The Right prevail, With peace on earth, good-will to men." JT: All monuments and important historical places, as well as those of minor importance, should be named after Barack Hussein Obama so that all of them can be destroyed after 20 January 2017 when he and his baggage leave the White House. That way Americans can pay truthful homage to Barack Hussein Obama as America's greatest con-man!
