THE CONTRIBUTIONS OF ISLAM TO WESTERN CIVILIZATION

SPECIAL JT REPORT

This may surprise you, but there are no positive contributions of Islam to Western Civilization!

If anyone tells you that Islam contributed x, y, or z positively to the development of Western Civilization, it is bullshit!!!, or rather coming from Islam, it is camel dung!!!

The following links will support this statement:

- <http://www.thecompleteobamatimeline.com/uploads/3/5/7/4/3574872/nationalgeographic1001inventions.pdf>

Dear reader, use your brain cells and imagine that this essay is three hundred pages long presenting the positive contributions of Islam to Western Civilization. All of the pages will be empty! Furthermore, conservative estimates are that there are ca. 300,000,000 killings that Islam has intentionally conducted since its conception by the lunatic Muhammad.

Concerning the negative Islamic bestowals to the development of Western Civilization, no amount of pages are enough to present such adverse contributions. Everything Islam did, is now doing, and will do in the future were/is/and will be aimed at the destruction of Western Civilization!

Pray for the souls of those victims of Islam in the past, the present, and the future!

JT: At a supposed meeting between Donald Trump and Ted Cruz:

Trump and Cruz are sitting in a bar.

A guy walks in and asks the barman, "Isn't that Trump and Cruz sitting over there?" The bartender says, "Yep, that's them."

The guy walks over and says, "Wow, this is a real honor! What are you guys doing in here?"

"Cruz says, "We're planning World War III."

The guy asks, "Really? What's going to happen?"

Trump replies, "Well, we're going to kill 140 million Muslims and one beautiful blonde with big boobs."

The guy responds, "A blonde with big boobs? Why kill a blonde with big boobs?"

Trump turns to Cruz and says, "See, I told you, no one gives a crap about the 140 million Muslims."

Ooops! Was that racist?!

JT: Spontaneous thoughts:

- Islam is violence! Violence begins with the thought which transforms into its realization. The realization of the thought connects into active violence that results in killings, murder, slavery, the conquest of foreign cultures and their eventual extinction.
- People who counteract the belligerence of humans have a shining soul when they die, except for Muhammad. Nothing shone when he died because he had become successful through terror.
- Keep your moral word. If you can't keep your moral word you are not worthy of being a person.
- Islam is not a life-bettering movement. It is death!
- Islam has no terrorists. They are called jihadists. Barack Hussein Obama is a demented jihadist.
- Islam cannot positively enrich anything or anyone because it is evil.
- Islam is opium for its followers.

- The reason why Muslims are proud of their being jihadists is because they are idiots.
- On the election of Barack Hussein Obama: Once more in this systole and diastole of history an age of freedom ended and an age of despotism began.
- The protesting for freedom of speech in the name of Allah is perverse. The demanding of anything in the name of Allah is perverse.
- The German President Joachim Gauck has said that the terrorist have not succeeded now and will not succeed. Herr Gauck! The terrorists won't succeed, but the jihadists will.
- Muslims when speaking English always sag God for Allah. God is not Allah. This is nothing more than an engulfing of God by an evil force.
- The commands of Muhammad and Allah cannot be changed. They are Islamic law forever. Therefore, evil will always exist.
- Style is the art of appropriateness.
- Barack Hussein Obama is the type of person who means nothing when he is not in the public eye.
- According to Fjodor Dostoevsky, If everything in life were normal, nothing would happen.
- Obama is evil makes good history because the history of the United States of America under Obama, indeed, under the DemocRAT Party, is the torture of American freedom.
- Muslims on the whole remain silent because they are in fear of the Islam cult that is based on fear and spreads fear.
- Islam must be boycotted because it produces nothing that is positive.
- There is no moon god except Allah and Muhammad is its lunatic who was insistent on creating a system of evil.
- Children are the best that life has to offer.
- Description of Barack Hussein Obama: the devil lies in the detail.

From <http://thepeoplescube.com/peoples-blog/top-15-things-that-didn-t-happen-in-2015-t17368.html>

It has become a People's Cube tradition that in the last days of the outgoing year we post a list of things that didn't happen that year, a list of things that won't happen in the coming year, and sometimes a list of things that will, indeed, happen.

See our lists for the years of [2012](#), [2013](#), and [2015](#).

Once again, special thanks to the most equal contributions from Will Beria, our Official List master of Things that Didn't Happen and Will Not Happen.

Top 15 things that didn't happen in 2015

1. Santa Claus converts to Islam. "He's keeping a list," non-believers warned
2. 12 year-old Tibetan self-identifies as 40 year-old American; enters Democratic presidential primaries
3. Experts agree: agreeing to disagree is disagreeable to experts
4. Psychiatrist recovers repressed national memory hole: "Jam-packed with campaign promises, doomsday predictions, New Year resolutions"
5. Fed misses inflation target, shoots employment instead
6. Cuba nationalizes sunlight, tourists charged for suntans
7. Dictionary News: "government" replaced with "do-togetherment," "after-tax income" becomes "allowance"
8. Mime caught stealing air guitar serves 30 days in imaginary box
9. Rat race ends in dead heat; sheeple chase begins
10. High court rules college speech codes "double-plus-good," dissenting opinion withheld
11. "Zombie" decried as insulting to the undead: correct term is "the nearly departed"
12. NASA adjusts records to show first man on moon was Bruce Jenner. Also named "first woman on moon"
13. NEA takes over NCAA, awards 7,862 Heisman trophies
14. Fed severs US dollar tie to reality; gold no longer worth its weight in gold
15. UN Court of Cultural Appropriation: Africa wins "first human walking upright" case; Europeans ordered to live on knees

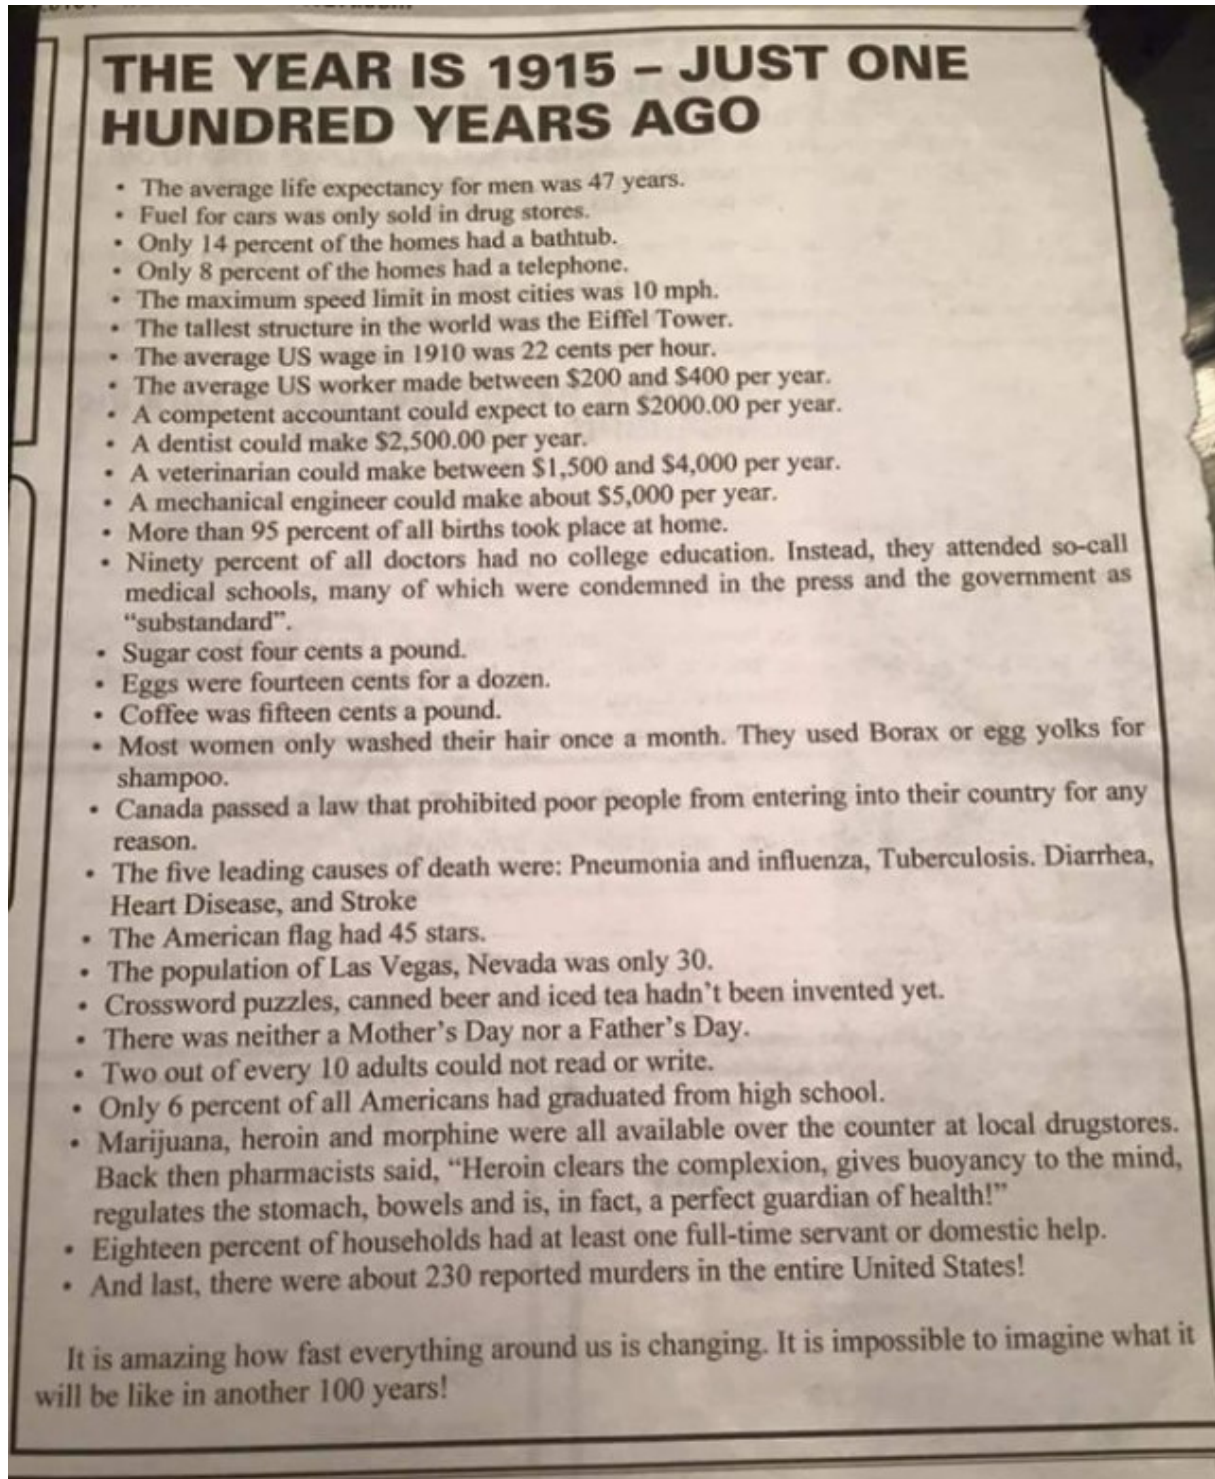

JT: One important item is missing: Barack Hussein Obama told the truth!

JT: Here are Twelve Just Thinking Wishes for 2016.

1. BigFurHat receives a Pulitzer Prize.
2. Ted Cruz, Marco Rubio, and Bobby Jindal realize that they are not *natural born citizens* according to Article 2, Section 1, Clause 5 of the *Constitution for the United States of America* and therefore cannot be candidates for the presidency. For them to maintain that they are qualified would place them in the same category as Barack Hussein Obama: traitors to America and its Constitution.

3. The United Nations will stop kowtowing to its Muslim country members.
4. Michelle Obama will go on a diet and take no more taxpayer-paid vacations.
5. The *New York Times* will finally print all of the truth about Barack Hussein Obama and his regime.
6. George Soros will go bankrupt!
7. Barack Hussein Obama will return his Nobel Peace Prize that he received for doing nothing.
8. Pamela Geller legally forces the Council on American Islamic Relations (CAIR) to become defunct.
9. All lamestream media news anchors and reporters will have thrills running up their legs and grow long, very long Pinocchio noses.
10. Donald Trump will win the presidential election in November 2016 and will immediately formulate secret actions that will reverse everything Barack Hussein Obama and his regime did to undermine and destroy America which Donald Trump will immediately implement when he takes the presidential oath of office on 20 January 2017. The first of these is to arrest and imprison Barack Hussein Obama for treason.
11. Hillary Clinton goes on trial for her crimes (too many to list here) and receives a twenty-year prison sentence.
12. Bill Clinton goes on trial for his past and present sexual assaults on women, is convicted of sexual assault, including rape, and is sentence to five years in prison for each account.
13. Prohibition of Hijabs, Niqabs and other Muslim anti-female attire in Western Republics.
14. No building of mosques in the USA. Other countries should prohibit their construction also.
15. The USA and all other Western countries will stop all so-called "reaching out" programs to Islam and Muslims.
16. Open carry permits to become law in all 50 states of the USA and Washington, D. C.

17. May the fleas of millions of camels infest the armpits of all Muslims!

Two Muslims have crashed a speedboat into the Thames barrier in London. Police think it might be the start of Ram-a-dam.

Riots in heavily Muslim section of Birmingham last month caused over £1 million worth of improvements.

Muslims have gone on the rampage in Manchester, killing anyone who's English. Police fear the death toll could be as high as 8 or 9.

Years ago it was suggested that, "an apple a day keeps the doctor away." But, since all the doctors are now Muslim, I've found that a bacon sandwich works great!

Police in London have found a bomb outside a mosque.
They've told the public not to panic as they've managed to push it inside.

During last night's high winds a Pakistani family were killed by a falling tree.
A spokesman for the Birmingham City council said, "we didn't even know they were living up there."

Pakistanis in the UK have complained that there are not enough television shows with minorities in mind, so Crimewatch is being shown 5 times a week now.

I was walking down the road when I saw an Afghan bloke standing on a fifth floor balcony, shaking a carpet.
I shouted up to him, "What's up Abdul, won't it start?"

An Emergency Call Centre worker has been fired in London much to the dismay of her colleagues, who were unhappy with her dismissal. It seems that a caller dialed 911 from a cell phone stating, "I am depressed and lying on a railway line so that when the train comes I can finally meet Allah." To which the call centre employee replied, "Remain calm and stay on the line."

JT: Here are my contributions:

The Norwegian terrorist is said to have "anti-Muslim views".

He wanted to take the Alla out of Valhalla.
.....

Al Sharpton was in Sears.

He was there to protest the fact that most all of the washing machines were white.

So the clerk called the store manager, who asked, 'What's the problem here, Reverend?'

Sharpton pointed at the machines and loudly bemoaned the fact that most of them were white.

The manager replied, 'Well, Reverend, it's true that most of the washing machines are white, but if you'll open the lids, you'll see that all the agitators are black.'

Oooops! Was that racist?

At TakiMag.com Jim Goad writes, "When it comes to sexual equity in the workplace, the biggest 'gender gap' of all is the fact that men suffer around 92% of all job-related fatalities. According to Bureau of Labor statistics from 1992-2014, women laborers accounted for 43% of total hours worked, yet they suffered a scant 8% of workplace fatalities. In what world could this possibly be considered respectful of women's endless quest for equality? We still hear about the 'wage gap' almost daily, and even though it's a myth, we should still marshal our resources to rectify this imaginary injustice. Yet no one is willing to stand tall and address the fact that selfish men are robbing female workers of the right to die on the job at a ridiculously unfair rate of almost thirteen to one."

"...Women have been making strides toward equality in every aspect of the American workplace except for the jobs that actually kill you. The ladies simply aren't dying on the job nearly as frequently as men do, and this savage inequity needs to be addressed. It behooves us as radical egalitarians to remove all the barriers that prevent women from performing deadly work. ...The 'glass coffin' is a term coined by graphic designer Kevin Slaughter to describe the fact that women haven't quite "broken through" toward equality when it comes to working jobs that can kill you. Sure, we often hear about the impermeable 'glass ceiling' that prevents women from becoming CEOs and billionaires and Supreme Court justices and running for president, but our male-dominated society turns a deaf ear to women's righteous quest for equality when it comes to sharing the right to suffocate under a ten-ton tsunami of human waste while working in a sewer because that's supposedly a 'man's' job."

Here are some peaceful and tolerant activities that are silently sanctioned by Barack Hussein Obama and related to the religion of peace:

This is okay. They were only Christians. And the Muslims were acting peacefully and tolerantly!

This is also okay. It was a family matter!!! Obama doesn't get involved in family matters!!!

Muslims attacking a woman in Cologne on New Year's Eve.

JT: I can't believe this! I can't believe that they are Muslims. No. The image must be a hoax because Muslims are peaceful and tolerant.

JT: This is a suggested Code of Conduct for young ladies of Germany by Henriette Reker, the new pro-Muslim-integration mayor of Cologne, Germany.

At a refugee center in Stavanger, Norway, several migrants rape a three-year-old boy. <http://www.breitbart.com/london/2016/01/13/three-year-old-boy-gang-raped-at-norway-asylum-centre/>. It's okay because the 3-year old boy is a non-believer and Muhammad said that non-believers could be attacked in all ways possible.

<http://www.friatider.se/parents-15-year-old-was-murdered-because-he-protected-swedish-girl-sexual-harassment-arab-student>. You can view the Swedish's boy slapping the Muslim boy here: <http://www.whitetv.se/sv/inget-fritt-medium-i-sverige/1448.html>.

Well, of course the Muslim boy was correct in his actions of harassing the girl. Allah and Muhammad say that females are free game, particularly kafir females. Moreover, according to Muhammad a Muslim cannot be held accountable for killing a kafir (non-believer in Islam). The Swedish laws are all wrong!!!
