There are a few internet sites that show the ISIS flag and contend that the circular part at the bottom with quite a lot of creative imagination says *All Jews*.

Source: <http://thefederalistpapers.integratedmarket.netdna-cdn.com/wp-content/uploads/2014/08/ISIS-on-the-Temple-Mount.jpg>.

It appears that their lethal effect is that they would like to see the Jews and Israel destroyed. This is nothing new.

My Arabic sources say that the ISIS flag writing means in English:

The white banner at the top of the flag reads: *"There is no god but Allah. Mohammad is the messenger of Allah."* This phrase is a declaration of faith used everywhere in the Islamic world. It is known as the *shahada*.

Underneath this writing is a white circle with black Arabic emblazonment of writing reading in English *"Mohammed is the messenger of God"*. This emblazonment is nothing more than a resemblance of Muhammad's seal, as if Muhammad is forever officially backing the statement at the top of the flag. This seal is similar to that used to close an envelope, which means that the seal's owner was officially supporting the contents of the letter or other item inside an envelope.

The translation that *Allah is God* is a translation mistake that has occurred since Islamic time began. Allah is not God! Allah was never God! Allah will never mean/be God! Allah means in English: *The only one to be worshipped*. However, The heritage of Arabs is that they believed in moon gods and moon-war gods; more than 350 moon-war gods. Allah was always a moon-war god. That Allah is a moon god (moon-war god) is one of the reasons Islamic countries have flags with crescent moons. There is no other possible way to see this historical fact.

That the Arabic writing looks as if it can be with some imagination read in English as *All Jews* means nothing.

It makes no logical, positive sense to have the Arabic for *The only one to be worshipped* to be written in a form that suggests an English meaning, reading or

interpretation, unless the intent is to usurp the writing to support a thesis that when fully examined does not stand up to a proofing.

Indeed, I could claim that the emblazoned portion (the seal) says in imaginative, creative Bavarian German: *du I j'gen 1 (wild)sau*. In English: *You and I are hunting one wild boar!*

It is too bad that some people spend so much time and effort to prove that the writing says *All Jews*. I think their talents could be put to better use.

Their quest to see that Jews are responsible for all of the misfortunes in the world will continue. However, their intended aim will never be reached. Concerning their stance on Jews and Israel, ... they will not win.

SPONTANEOUS PROTEST IN BERLIN OVER POLICE COVER UP OF GANG RAPE OF GIRL BY THREE MIGRANTS

January 18, 2016

Shocked crowds have gathered in Berlin to protest the failure of the police to investigate the rape of a 13 year old girl by three migrants. The girl was abducted on her way to school at 7 am on January 11th, raped for thirty hours, and then left on the streets.

It has emerged police and authorities tried to cover up the rape. According to the uncle, police questioned the girl for three hours and, then, pressured her to sign a statement saying she had seduced the three migrants. The parents are afraid that if they complain, their daughter will be taken into care by social workers. They have been smeared as Nazis.

The case only came to light because of the strength of feeling among the people in the girl's neighbourhood. Hundreds of people gathered in Mahlsdorf, Berlin, to protest the police inaction over the shocking crime. Parents have started to bring their children to school.

Russia's television has reported on the case because the victim was a Russian German. Protestors tell the Russian journalist they will have to start to use violence to protect themselves.

Notice the dozens of police surrounding the peaceful protestors.

Watch the clip on Anonymous' Facebook side:

JT: At least the Gatestone Institute <http://www.gatestoneinstitute.org/6527/migrants-rape-germany> isn't censoring Muslim crimes like the German government is!

Ahmad Dolabi, an Islamic Revolutionary Guard Corps commander, says,"... Be certain that with the blood of martyrs, the revolution advances. No one can inflict the smallest insult upon our Islamic country." (<http://www.truthrevolt.org/news/iran-commander-i-saw-weakness-cowardice-and-fearamerican-soldiers-myself>)

JT: Well, let's find out what can be done about this.

At <http://www.voy.com/115512/46.html> we read *How to Properly insult a Muslim with their own terrorist history from the Koran and Hadith*. The link states:

- No other religion calls for a conversion or death. Nor was any other religion founded by a murderer, terrorist and pedophile.(Mohammed the pedophile for profit married a 6 year old girl when he was 54 years old and began intercourse her when she was 9. What a filthy disgusting PIG!) This explains why child abuse is so common in the Islamic world.
- (Islam and Muslims) won't admit that Allah was really the pagan title of a moon-and war god idol in Muhammad's (posbuh) parents' village (and all of Arabia) (Allah was the title of a moon-and-war god), hence the crescent moon found on top of every mosque in the world today.
- Allah (was) a pagan.
- Muhammad was fooled by Satan. See the Satanic verses. Muslims know that this marks the "prophet" as the fraud he is. They even took those verses out of the Koran. The Koran of today is rather different from the Koran of Mohammed`s day because the towel heads kept altering its texts and passages. (Consult: https://en.wikipedia.org/wiki/Satanic_Verses and https://www.archive.org/stream/TheSatanicVerses/Salman_Rushdie-Satanic_Verses_djvu.txt).
- Call Allah demonic.
- Muhammad was trying to put himself in charge of a moon-worship cult that the local Jews would respect so while in Mecca he took up the tradition of calling pigs "unclean".

- Call Allah a pig or swine.
- Muhammad, well who knows why he hated women so much, he was (having derrière pleasure with his boyfriend Muhammad Ali. To this day bisexuality is so common in Saudi (Arabia) and its puppet Muslim states that Muhammad never really did anything firm about punishing homosexuals or pedophiles. What he did say is that "the majority of people in Hell are women".
- Call Allah a goddess.
- The Koran promised homosexual pedophilia to any Muslim that dies killing us. "Rivers of wine and young boys fine as pearls."
- Call Allah a pimp to pedophiles.
- Turn the truth back at the Muslims and let them cook in their own juices.
- Hence "demonic pagan swine goddess Allah."
- Call Muhammad a common thief and murderer.

Rather than work, Muhammad had his followers steal from caravans while in Medina. The fact is he was a common thief. Muhammad (pohbuh) encouraged his handful of followers to attack the caravans, kill the men, rape the women and bring the booty (20% for himself) to please Allah, while assuring them that if they are killed their rewards will be ... young boys fine as pearls (for child rape sex), ... rivers of wine, and many hurries (whores?) in the other world. All these sickening deeds are backed by the Koran and Hadith. [The Koran 55:56; 55:58; 78:33; 56:12; 52:16-17, 24; 56:35-38; 52:20]

- Perhaps the smallest insult is the first image that appears at the following link <http://osnetdaily.com/2016/01/iranian-military-leader-confirms-plan-to-cause-armageddon/> because it appears that his armpits and crotch have been infested with the fleas of 1000 camels because he got soooooo near to them and his arms are too short to scratch! This is what the Muslims consider to be a curse. JT: Yes!!! Let's stop Islam.

JT: Making the impossible possible?

JT: News came from German radio television this morning that Sarah Palin has endorsed Donald Trump for President. The commentators are asking: How could she endorse someone who is racist, a billionaire, an anti-European, an Islam hater, and everything else that is negative. Europe is on an anti-Trump binge that is comparable to the hate that George W. Bush encountered. On the other side, the Democratic Party side, Europe's news agencies, at least what I can glean via Germany, are pro-Hillary. She can do no wrong and has done no wrong. There is not one word concerning the FBI investigation of her. The news media say that she is the one to continue the peaceful policies of Barack Hussein Obama and that Americans should vote for her because she will ensure that everybody in the world will be equal. Moreover, there will be continued good relationship with Islam.

Here are some thoughts I have at the moment:

- A. The Left is like a cancer that cannot be cured. It can be slowed down, sometimes blocked for a while, but it will always re-emerge and eventually kill freedom. In this sense it is the same as Islam!

- B. Hillary Clinton will wither the onslaught. The charges the FBI comes up with will be delayed by Loretta Lynch and Barack Hussein Obama, at least until the November elections. They will wait for the results. If Hillary wins, Obama will pardon her. If she loses, they will stall taking any action and Obama will still pardon her. Nothing will happen to Bill. The FBI will be gagged and no information will be leaked under the threat of *something will happen to you* or *We hope your family remains healthy*, or there will be bribes! Personally, I'm for an immediate orange prison pant suit for her.
- C. How many authors have been writing about the dangers of Islam since its emergence? Even as recently as the 1990s? Islam is successful because it is evil disguised as doing good. Nothing good ever came out of Islam. Nothing good ever will. In his book *Slavery, Terrorism and Islam: the Historical Roots and Contemporary Threat*, Peter Hammond describes the stages of how Islam subverts countries. They are as follows:
1. "Islamization occurs when there are sufficient Muslims in a country to agitate for their so-called 'religious rights.' When politically correct and culturally diverse societies agree to 'the reasonable' Muslim demands for their 'religious rights,' they also get the other components under the table.
 2. "When the Muslim population remains around one percent of any given country they will be regarded as a peace-loving minority and not as a threat to anyone.
 3. "At two percent and three percent, they begin to proselytize from other ethnic minorities and disaffected groups with major recruiting from the jails and among street gangs:
 4. "From five percent on ... they will push for the introduction of *halal* food, thereby securing food preparation jobs for Muslims. They will increase pressure on supermarket chains to feature it on their shelves — along with threats for failure to comply. [This is happening already in the United States.]
 5. "At this point, they will work to get the ruling government to allow them to rule themselves under Sharia, the Islamic Law. [This has happened in the United Kingdom.]
 6. "When Muslims reach 10 percent of the population, they will increase lawlessness as a means of complaint about their conditions (for example, think about the car-burnings in Paris). Any non-Muslim action that offends Islam will result in uprisings and threats [i.e., Mohammed cartoons]:
 7. "After reaching 20 percent, rioting, jihad militia formations, sporadic killings and church and synagogue burning are to be expected [*Charlie Hebdo* and Bataclan Theater killings in Paris].
 8. "At 40 percent, widespread massacres, chronic terror attacks and ongoing militia warfare [India].

9. "From 60 percent, unfettered persecution of non-believers and other religions, sporadic ethnic cleansing (genocide), use of Sharia Law as a weapon and *Jizya*, the tax placed on infidels [e.g., Syria, Sudan, Iraq]
10. "After 80 percent, state-run ethnic cleansing and genocide will ensue [most Middle Eastern countries with the exception of Israel are at least 90-100 percent Muslim]."

D. As with most of what Obama does, I am *convinced* that Obama and some in his regime are receiving money from certain sources for what he and his regime does. Obama never did anything for nothing and he never will. I can't prove it, but it wouldn't surprise me if he were on some country's payroll, or more than one country's payroll. He is corrupt to the core! So are many DemocRATS and Republicans! I would like to see Congress impeach bama this year, convict him, and sentence him! However, the majority in Congress have no courage and are not patriots. It would also not surprise me if Obama found some way to continue receiving his presidential salary after he leaves office.

[GERMANY BECOMES A SECURITY RISK FOR ALL EUROPE AS 600,000 MIGRANTS GO MISSING](#)

January 22, 2016

From the Daily Mail:

The German government is unable to say where more than half of the one million asylum seekers allowed into the country have ended up, MailOnline can exclusively reveal.

Government statistics show that Germany registered 1.1 million applications by the end of last year under its EASY system, which does not record much more than an applicant's country of origin.

German Interior Ministry spokesman Dr Harald Neymanns admitted that delays in the processing of asylum seeker applications would account for some of those missing.

But he also said that in some cases refugees may not have stayed in Germany but instead gone on to a different country elsewhere in the EU.

<http://www.dailymail.co.uk/news/article-3410787/German-government-admits-account-600-000-1-1-million-asylum-seekers-using-multiple-identities-travel-Europe.html>

For all we know, the missing migrants could have massed around the sites of NATO bases and be receiving weapons and training right now.

JT: They haven't disappeared. They are praying in mosques 24/7 because they are so devout, peaceful and tolerant!

<http://freedomoutpost.com/2016/01/muslims-demand-cross-be-removed-from-the-swiss-flag-because-they-find-it-offensive/#MzVviSYHWgBlK5f7.99>

JT: The answer to the situation is simple. Muslims are guests in Switzerland. If they don't like anything Swiss, they can leave the country and/or refuse to purchase Swiss-made products. Furthermore, the Swiss could argue that the cross emblem is more than just a cross. Is a Christian plus sign meaning the Switzerland is far better than any Islamic country. If the cross is so despicable to Muslims, why did the original Muslims during Muhammad's time use the cross as a symbol of Islam, such as those used on coins under the Omayaden (661-750)? (Norbert G. Pressburg, *Goodbye Mohammed*, Books on Demand, Norderstedt: 2011, p. 118). Or is it because of their inbreeding that Muslims lack clear views of what they do? <http://fellowshipoftheminds.com/2015/07/17/half-of-worlds-muslims-are-inbred-due-to-generations-of-incest/>. Muslims seem to have no problem with the ancient Egyptian phallic/cross symbol the *Ankh*.

<http://www.thelocal.se/20160122/man-falsely-accused-of-being-a-terrorist-demands-compensation>

JT: This action will likely trigger a new business idea among Muslim migrants. Allah's Sweden makes it possible! I thought the USA was the country of boundless possibilities! He'll make more than a million if he is successful and patents the process world-wide!

The Swiss cross has insulted Muslims since they came to Switzerland. The reality is that the Muslims have insulted Swiss history, culture, and the Swiss!!! The majority of the Swiss feel that if Muslims don't want the Swiss cross, the Muslims can leave the country. However, Swiss products sold in Muslim countries have/had the cross. It is an economic question when the Muslims boycott Swiss products. Therefore, the Swiss gave in! It was not a good decision!

JT: Methinks it's conclusive. Since its inception in 1901 all of the Nobel Prize winners in all categories were Muslims. The future looks bright for them. All future Nobel Prize winners in all categories will be Muslims. The evidence is overwhelming!

In the January issue of *The Complete Obama Timeline* we read that "On January 24 Britain's Express reports, 'The disgusting list of crimes reported in the German city [of Cologne] run to a staggering 821 complaints, and range from sexual assaults to gang rape. When including reported attacks from all of the major cities in the North Rhine-Westphalia state—including Cologne, Dusseldorf, Dortmund and Bielefeld—the complaint figure is said to almost top 1,000. A shocking 359 complaints relate to sexual offences, while 659 women were recorded as alleged victims, according to the list finally published by NRW state government. It also revealed 126 claims of 'rape by a group' and 47 allegations of 'sexual assault by a group.' ...But despite there reportedly being a total of 1,049 alleged victims, German police have so far identified only 30 suspects, North Rhine-Westphalia state interior minister Ralf Jäger revealed on Thursday [January 21]. All of the suspects are of North African origin, with 15 being asylum seekers.'
